*Dinge bleiben gleich. Sand, Sterne, Wellenrauschen, Windschütze und Steine. Dinge und deren Stagnation lehren uns, wie gering Einfluß sein kann. Geringe Einflüsse bestätigen Sicherheit. Durch Änderung von Dingen darf jedoch keine Unsicherheit entstehen, denn*

*Dinge sind einmalig. Burnende Lehmofen, Zelebrierung unpassender Anlässe, Groschenromane, Orden und Uniformen. Dinge und deren Einmaligkeit lehren uns, sich der Schönheit des Moments bewusst zu werden. Die Hoffnung, die Schönheit der Dinge lasse sich durch Wiederholung erneuern, ist naiv. Die Schlußfolgerung, Wiederholung deshalb zu unterlassen, wäre töricht, denn*

*Dinge entwickeln sich. Lagernutzung, Logbücher, Kontakte, Hackeball, Fischbrötchen und Bewegung. Dinge und deren Entwicklung lehren uns, auch obgleich etwaiger Gefahren von Einzigartigkeit und Stagnation, die für den Genuss wohl wichtigste Grundlage schätzen zu wissen: die Zeit.*

*Dinge werden gleich sein. Dinge werden einmalig sein. Dinge werden sich verändern.*

## Keimzeit - Singapur

[Verse]

Em C D Bm

Wir legen ab und fahr'n nach Singapur  
Mit 'nem Schiff aus schäbigem Holz  
Auch wenn der Wind uns das Segel zerreit  
Wir mssen weiter, immer weiter, was soll's

Der Heizer aus China will nach Hause  
Blst der Wind nicht kriegt er viel zu tun  
Unsere Weisheiten jagt er durch die Dampfmaschine  
Ist gegen Pocken und Pest immun

Der Schiffskoch gebor'n in Sizilien  
Hat lngst die Weltrezeptur erkannt  
Segelnd ber die Meere  
Trgt er die Botschaft in ein fernes Land

Der Steuermann nennt sich Napoleon  
Gespalten brllt er in die Nacht  
Kommt er mde aus der Schlacht wieder zu sich  
Wird das Steuer mit 'nem Strick fest gemacht

Und das Kommando fhrt ein deutscher Kapitn  
Sein linkes Bein hat er im Krieg verlor'n  
Lange schon keine Heimat mehr  
Er will in Singapur ein Leben von vorn

[Bridge]

G D  
Von der Segelspitze bis zum Kiel  
Em A  
Auf diesem Schiff haben alle dasselbe Ziel  
C G  
All unsere Traume und fernen Gedanken

## Lorde - Royals

[Verse]

I've never seen a diamond in the flesh  
I cut my teeth on wedding rings ... in the movies  
And I'm not proud of my address - in the torn up town  
No postcode envy

[Pre-Chorus]

But every song's like: gold teeth, grey goose, trippin' in the bathroom  
Blood stains, ballgowns, trashin' the hotel room  
We don't care - we're driving Cadillacs in our dreams  
But everybody's like Cristal, Mayback, diamonds on your timepiece  
Jet planes, islands, tigers on a gold leash  
We don't care - we aren't caught up in your love affair

[Chorus]

And we'll never be royals - It don't run in our blood  
That kind of lux just ain't for us  
We crave a different kind of buzz  
Let me be your ruler - you can call me Queen Bee  
And baby I'll rule, I'll rule, I'll rule, I'll rule  
Let me live that fantasy

[Chorus]

## Minnie Riperton - Les Fleurs

[Verse 1]

Eb Db Cm B Db  
Will somebody wear me to the fair?  
Will a lady pin me in her hair?  
Will a child find me by a stream?  
Kiss my petals and weave me through a dream

It blooms to spread love and joy faith and hope to people forlorn  
Inside every man lives the seed of a flower  
If he looks within he finds beauty and power

[Chorus]

Eb Db  
Ring all the bells sing and tell the people  
Gb Ab  
everywhere that the flower has come  
Eb Db  
Light up the sky with your prayers of gladness

## Smokie - I'll Meet You At Midnight

[Verse 1]

F#m Bm  
A summer evening on the Champs-Élysées  
Bm F#m  
A secret rendezvous they planned for days  
F#m Bm  
A sea of faces in a crowded cafe  
Bm F#m  
The sound of laughter as the music plays

[Verse 2]

F#m Bm  
Jeanne-Claude was a student at the Université  
Bm F#m  
Louise-Marie was just a world away  
F#m Bm  
He recalled the night they met was warm with laughter  
Bm F#m  
The words were music as she turned away

[Chorus]

E F#m  
I'll meet you at midnight  
E F#m  
Under the moonlight  
E F#m  
I'll meet you at midnight  
F#m Bm  
But Jeanne-Claude, Louise-Marie will never be

[Verse 3]

F#m Bm  
Each cigarette will light a thousand faces  
Bm F#m  
Each hour that pass seem like a thousand years  
F#m Bm  
Midnight was turning into empty spaces  
Bm F#m  
The sound of laughter disappeared

[Chorus]

[Verse 4]

F#m Bm  
A summer morning on the Champs-Élysées  
Bm F#m  
The empty table in the street cafe  
F#m Bm  
The sunlight melting through an open doorway  
Bm F#m  
And Jeanne-Claude has left to face another day

[Chorus]

## Element Of Crime - Schwere See

F#m Hm  
Merkst Du denn wie weit der Horizont sich neigt  
F#m  
Das leise Zittern, wenn das Schiff ganz langsam in die Höhe steigt  
Hm  
Wie eine alte Frau, die sich mit Mühe aus deem Sessel hebt  
F#m Hm  
Wie alles um uns bebt und ächzt und stöhnt  
F#m Hm  
als ob es lebt

A D C#m  
Schwere See, Schwere See, mein Herz  
A D C#m  
Schwere See, Schwere See, mein Herz

Der kleine Hund, den du neulich erst gefunden hast  
In desssen Maul, das nie zu stopfen war  
Ein jeder Käse, Fisch und Kuchen drückte  
Der mit seiner Niedlichkeit das ganze Schiff entzückte  
Der ging grade über Bord  
Eben noch lustig  
jetzt schon fort

Schwere See, Schwere See, mein Herz  
Schwere See, Schwere See, mein Herz

Und während ich schon krank bin  
Und den Fische was zu essen bringe  
Nimsst du das Gabelfrühstück ein  
Kaut krachend Brot und halbe Heringe  
Trinkst Wein und lachst so laut  
Als ob du's extra machst  
Ist das so?  
Tust du das?

Schwere See, Schwere See, mein Herz  
Schwere See, Schwere See, mein Herz  
Schwere See, Schwere See, mein Herz  
Schwere See, Schwere See, mein Herz

Jetzt wirst auch du ganz blaß  
Und du krallst dich in die reling  
Dein Blick ist starr und deine Augen matt  
Wer's einmal hat, dem geht es nie mehr aus den Knochen raus  
Krall dich an mich und danke, daß du mir vertraust  
Ich will dein fester Boden sin  
Obwohl ich selber schwanke  
Obwohl ich selber schwanke

Schwere See, Schwere See, mein Herz  
Schwere See, Schwere See, mein Herz  
Schwere See, Schwere See, mein Herz  
Schwere See, Schwere See, mein Herz

F#m C#m D A

F#m C#m D A

It ain't 2009 no more

Bm

Bm

Yeah, I know what's behind that door

[Verse 1]

Yeah, okay you gotta jump in to swim

Well, the light was dim in this life of sin

Now every day I wake up and breathe

I don't have it all but that's alright with me

Take it nice and easy, took a flight to see me

Send you back home with a light that's beamin'

The whole team 'bout to figure it out

We ice cold, that's what winter about

And sometimes, sometimes I wish I took a simpler route

Instead of havin' demons that's as big as my house, mhm

Have a ball with a dribble and bounce

'Cause the party ain't over 'til they're kickin' me out, yeah

Isn't it funny? We can make a lot of money

Buy a lot of things just to feel a lot of ugly

I was yay high and muddy

Lookin' for what was lookin' for me

[Chorus]

[Verse 2]

Yeah, they ask me what I'm smilin' for  
Well, because I've never been this high before  
It's like I never felt alive before  
Mhmm, I'd rather have me peace of mind than war

See me and you, we ain't that different  
I struck the fuck out and then I came back swingin'  
Take my time to finish, mind my business  
A life ain't a life 'til you live it

I was diggin' me a hole big enough to bury my soul  
Weight of the world, I gotta carry my own  
My own, with these songs I can carry you home  
I'm right here when you scared and alone

And I ain't never in a hurry  
You don't ever gotta worry  
Even when it's 7:30 and the time is runnin' low  
When your heart get cold

See what's behind all them unturned stones  
And I'm a pro when it come to my job  
But really I'm just tryna start believin' in God  
Now when it gets hard  
I don't panic, I don't sound the alarm

[Chorus] 2x

## The Cat Empire - The Crowd

[Chorus]

G Dm  
Lord unchain my hands  
G Dm  
Let me sing inside the crowded trams  
G Dm  
Let me dance among the traffic jams  
G Dm  
We're gonna sleep on the St. Kilda sands  
G Dm  
Lord unbind my feet  
G Dm  
Let me mingle with the good people we meet  
G Dm  
Water rising up into the street  
G Dm  
Unbind my feet

[Verse 1]

G  
The apparition of these faces in the crowd  
Dm  
Petals on a wet black bough  
G  
Ezra Pound found the formula  
  
Our houses are rectangular  
Dm  
But life is curved not angular  
  
So when things start to strangular  
G  
Remember rain still falls on the halls of power  
Dm  
New babies being born every hour  
G  
And the eagle keeps watch on the old clock tower  
Dm  
Over me

[Chorus]

[Verse 2]

G

On the train I refrain

From sitting with heads and shoulders bowed

Dm

They told me time is of the essence

No wandering allowed

G

But then I saw a pretty girl

Whose features stood out in the crowd

Dm

Went ten minutes past my stop

Waiting for her to look around

G

I'm just another clown

Kicking around in Melbourne town

Dm

Cooling out, relaxing

Watching the world go 'round

G

So if you ever got the time

And you want to go drink some wine

Dm

I'd rather greet you with a smile

Than greet you with a frown

[Chorus]

I hold your hand inside my hand  
Across the land - through fields of joy  
The sound of music that we hear  
The blend of colours in the air  
All cities, mountains disappear from view  
All truth and beauty near to me and you  
With you through the fields  
With you through the fields  
With you through the fields

## Bob Marley - Pimpers Paradise

[Intro]

C G

[Verse 1]

Fmaj7 G  
She love to party, have a good time,  
Fmaj7 G  
She looks so hearty, feeling fine.  
Fmaj7 G  
She loves to smoke, sometime shifting coke,  
Fmaj7 Em  
She'll be laughing when there ain't no joke.

[Chorus 1]

Fmaj7 G  
A pimper's paradise; that's all she was now,  
Fmaj7 Em  
A pimper's paradise; that's all she was.  
Fmaj7 G  
A pimper's paradise; that's all she was now,  
Fmaj7 Em  
A pimper's paradise; that's all she was.

[Bridge 1]

C G Am F  
Every need, got an ego to feed,  
C G Am F  
Every need, got an ego to feed.

[Verse 2]

Fmaj7 G  
She loves to model up, in the latest fashion,  
Fmaj7 G  
She's in the scramble and she moves with passion.  
Fmaj7 G  
She's getting high; trying to fly the sky,  
Fmaj7 Em  
Now she is bluesing when there ain't no blues.

[Chorus 2]

Fmaj7 G  
A pimper's paradise; that's all she was now,  
Fmaj7 Em  
A pimper's paradise; that's all she was.  
Fmaj7 G  
A pimper's paradise; that's all she was now,  
Fmaj7 Em  
A pimper's paradise; that's all she was.

[Bridge 2]

C G Am F  
Every need, got an ego to feed,  
C G Am F  
Every need, got an ego to feed.

[Chorus 3]

Fmaj7 G  
A pimper's paradise; that's all she was now,  
Fmaj7 Em  
A pimper's paradise; that's all she was.  
Fmaj7 G  
A pimper's paradise; I'm sorry for the victim now,  
Fmaj7  
Soon their heads, soon their heads,  
Em  
Soon their, soon their very heads will bow.  
Fmaj7  
Pimper's paradise; don't lose track,  
G  
Don't lose track of yourself, oh no!  
Fmaj7  
Pimper's paradise; don't be just a-stuck,  
Em  
A-stuck on the shelf, stuck on the shelf,  
Fmaj7 G  
Pimper's paradise; that's all she was now.  
Fmaj7 Em  
A pimper's paradise; be careful, be careful...

## Gordon Lightfoot - If You Could Read My Mind

[Verse 1] G F G F

If you could read my mind love

What a tale my thoughts could tell

Just like an old time movie

'bout a ghost from a wishin' well

G                      G7                      C

In a castle dark or a fortress strong

D                      Em

With chains upon my feet

C                      G

You know that ghost is me

C                      G/B

And I will never be set free

Am7                      D                      G

As long as I'm a ghost that you can't see

[Verse 2] G F G F

If I could read your mind love

What a tale your thoughts could tell

Just like a paperback novel

The kind that drugstores sell

G7                      C

When you reach the part where the heartaches come

D                      Em

The hero would be me

C                      G

But heroes often fail

C                      G/B

And you won't read that book again

Am7                      D                      G

Because the ending's just too hard to take

[Instrumental] G F G F

[Verse 3]

G            G7            C  
I'd walk away like a movie star  
                 D                            Em  
Who gets burned in a three way script  
C            G  
Enter number two  
C                            G/B  
A movie queen to play the scene  
Am7                            D                            Em  
Of bringing all the good things out in me  
C                            G/B  
But for now love, let's be real  
C                            G/B  
\* I never thought I could act this way \*  
                 Am7                            D  
And I've got to say that I just don't get it  
C                            G/B  
I don't know where we went wrong  
                 Am7  
But the feelin's gone  
                 D                            G  
And I just can't get it back

[Verse 4 ref Verse 3]

If you could read my mind love  
What a tale my thoughts could tell  
Just like an old time movie  
'bout a ghost from a wishin' well  
  
In a castle dark or a fortress strong  
With chains upon my feet  
But stories always end  
And if you read between the lines  
You'll know that I'm just tryin' to understand  
The feelin's that you lack  
  
I never thought I could feel this way  
And I've got to say that I just don't get it  
I don't know where we went wrong  
But the feelin's gone  
And I just can't get it back

Court au-devant de moi

## Jimmy Ruffin - What Becomes Of The Brokenhearted

[Verse 1]

A C#m  
As I walk this land of broken dreams,

F#m D E  
filled with sadness and confusion.

[Chorus]

B D#m  
What becomes of the broken-hearted,

D# E D E  
maybe, oh yeah!

[Verse 2]

A C#m  
The roots of love grow all around,

[Verse 3]

A C#m  
I walk in shadows searching for light,

A C#m  
Hoping and praying for someone who cares,  
F#m D E  
always moving and going nowhere.

dort sieht man sie tanzen in den Spelunken  
Em                          Em  
und in den Federn wie sie sich winden  
C                          Am  
von Wonne geschüttelt - unendlich geil  
Em                          Em  
und immer waren es falsche Halunken

[Chorus]

[Verse]

oder war es sie selbst  
die die Männer vertrieben hat  
verstand sie es nicht  
sie entsprechend zu lieben

          heut rennen  
zwischen den Beinen und Tischen  
nur ihre Hunde  
und lecken die Wunde

[Bridge]

sieht man Andrea  
direkt in die Augen  
berührt man sie kurz  
mit verletztem Blick

spührt man einen Segen  
und weckt ein Verlangen  
nach einem neuen schöneren Glück

[Chorus]

[Verse 2]

Did you write the book of love  
And do you have faith in god above,  
if the bible tells you so?  
Do you believe in rock and roll  
Can music save your mortal soul and can  
you teach me how to dance real slow?

Well I know that you're in love with him  
'cuz I saw you dancin' in the gym  
You both kicked off your shoes,  
man I dig those rhythm and blues  
I was a lonely teenage bronckin'  
buck with a pink carnation and a pickup truck  
But I knew I was out of luck the  
day the music died, I started singin'

[Verse 4]

Helter skelter in a summer swelter  
the birds flew off with a fallout shelter,  
eight miles high and fallin' fast  
It landed foul on the grass  
the players tried for a forward pass,  
with the jester on the sidelines in a cast

Now the half-time air was sweet perfume,  
while sergeants played a marching tune  
We all got up to dance, but we never got the chance  
'Cuz the players tried to take the field,  
the marching band refused to yield  
Do you recall what was revealed the day the music died,  
we started singin'

## ABBA - The Winner Takes It All

[Intro]

D Bm7 Em A D Bm7 Em A

[Verse 1]

I don't wanna talk about the things we've gone through  
Though it's hurting me, now it's history  
I've played all my cards, and that's what you've done too  
Nothing more to say, no more ace to play

[Chorus]

The winner takes it all, the loser standing small  
Beside the victory - that's her destiny

[Verse 2]

I was in your arms, thinking I belonged there  
I figured it made sense, building me a fence  
Building me a home, thinking I'd be strong there  
But I was a fool, playing by the rules

[Chorus]

The gods may throw a dice, their minds as cold as ice  
And someone way down here loses someone dear

The winner takes it all, the loser has to fall  
It's simple and it's plain - why should I complain?

[Verse 3]

DA  
 But tell me does she kiss like I used to kiss you?  
EmA  
 Does it feel the same, when she calls your name?  
DA  
 Somewhere deep in-side, you must know I miss you

 But what can I say? Rules must be obeyed.

[Chorus]

DBm7  
 The judges will decide, the likes of me abide

 The game is on again - a lover or a friend  
EmA  
 A big thing or a small - the winner takes it all  
  
DA  
 I don't wanna talk, if it makes you feel sad  
EmA  
 And I understand - you've come to shake my hand  
DA  
 I apologize if it makes you feel bad

 Seeing me so tense - no self-confidence

## Robbie Williams - Angels

[Intro]

E

[Verse]

I sit and wait. Does an angel contemplate my fate.

And do they know the places

were we go when we're grey and old.

Cuz I have been told that salvation

lets their wings unfold.

So when I'm lying in my bed,

Thoughts running through my head,

And I feel that love is dead.

I'm loving angels instead.

[Chorus]

And through it all she offers me protection,  
A lot love and affection, whether I'm right or wrong.

And down the waterfall wherever it may take me,

I know that life won't break me.

When I come to call, she won't forsake me.

I'm loving angels instead.

Bitte kein' Skandal, mon coeur  
F Em  
Du im Glitzerkleid und ich in Schwarz.  
F Em  
Lässig triffst du, wenn du willst ins Herz.

Du gehst geistesgegenwärtig durch die Tür,  
Ob in Chicago oder hier.  
Ich lauf dir treu nur hinterher,  
Dein Schatten, nicht weniger, nicht mehr.

Bilder, Sekt und Blicke tangential.  
Weiblichkeit dominiert lokal.  
Selbst der Oberkellner trägt hier Seidenstrümpfe,  
Sein Gang so zauberhaft gleich einer Nymphe.

Freddy beißt dir zärtlich in dein Ohr,  
Du weißt, wie sie das meint und wirfst ihr vor:  
Sie wär in ihrer Art zu aggressiv,  
Finster noch, wie das letztens lief.

Der Boss in diesem Club ist eine Frau,  
Bei andern weiß man das nicht so genau.  
Billy hat das alles längst vergessen,  
Mit welchem Maß Männer Frauen messen.

Die Orden, meine Liebe, wirf sie ab.  
Verlor'n ist verlor'n, wenn auch knapp.  
Du und ich, dein Schatten, ham gewettet.  
Wieder mal ist eine Nacht gerettet.

## Großstadtgeflüster - Keiner Fickt Mich

F# F#m D7 D

[Part 1] (some chord variations)

Wenn ich wüsste, wo ich wäre, würde ich da hingehen  
Würde ich mich selbst erkennen, würde ich da hinsehen  
Doch auf der Suche nach mir selbst verlier' ich immer den Verstand  
Und vor lauter Yoga komm' ich kaum noch zum Entspannen  
In der Theorie kann ich das alles regeln  
Wie man das macht, all die Hindernisse zu Umsegeln  
Doch in der Realität, da weiß ich nicht, wie das geht  
Weil jeden Tag ein anderer Wind weht

[Chorus] 2x

E F#m  
Keiner fickt mich außer das Leben  
E F#m  
Aber das dafür so richtig  
E F#m  
Und allen anderen bin ich einfach egal  
Bm  
Nur Gott hasst mich  
Bm  
Und den gibt es nicht einmal!

[Part 2: Fatoni]

Wenn ich wüsste, wer ich wäre,  
würd' ich's gern vergessen  
Ich glaub', ich glaub' nicht an Gott,  
doch würd' ihn wirklich gerne treffen

Lass mal bitte noch hier bleiben,  
denn die Wirklichkeit ist ätzend  
Ich ess' tausend Mürbeteigplätzchen  
um meinen Würgereiz zu testen

Manchmal wacht man auf,  
weil es so auffällig nach Kotze riecht  
Wenn man draußen in der Gosse liegt  
Besonders dumme Meinungen  
verkaufen sich als objektiv

Ich wollt' mit Jesus reden,  
jetzt hab ich Hausverbot im Gottesdienst  
Alles gut, ich guck' jeden an mit Hundeblick  
Hat noch nie geklappt, ein Leben lang unterfickt

Erst wird Rum gekippt,  
dann wird umgekippt  
Alles geht um's eine:  
Ob auf dem oder unterm Strich

Und sie sagen,  
dass das Leben eine Nutte wär'  
Müsst' ich es dann nicht ficken?  
Bei mir ist das umgekehrt

Doch dafür hat es mir  
auch schon mal einen Drink spendiert  
Wenn man seinen Wert seinen Wert nicht kennt,  
kann man nicht in sich investieren

[Chorus] 2x

[Outro]  
Ach, ich weiß ja auch nicht  
Wenn ich es wüsste, das wäre gut  
Dann würd' ich wissen, woran es läge  
Und was man dagegen tut

## Kummer - Der Rest Meines Lebens

[Part 1: Kummer]

                                         Cm      Ab  
So langsam wird es knapp  
                                         Fm                                           Eb  
Den Club der 27 hab' ich ziemlich klar verpasst  
Mit hundertachzig durch die Stadt  
Balancier' besoffen auf dem Dach  
Eine Woche wach, tausend Flaschen Schnaps  
Doch dann kommt die erste Freitagnacht, in der man passt  
Früh ins Bett geht, damit man vom Samstag noch was hat  
Damit fängt es an  
Einfach mal ein Wochenende ganz entspannt, easy, easy  
Und dann kommt der erste Sonntagsbrunch  
Der erste Pärchenurlaub, ironisch gemeinte Spießigkeit  
Anti-Eskalation, pro Gemütlichkeit  
Es beginnt ganz harmlos, mit einem Spieleabend  
Aber endet in Gesprächen über Risikoanlagen

[Hook: Max Raabe]

n.c                                           Eb  
Irgendwann ist es zu spät  
                                         G

## Biz Markie - Just A Friend

[Intro]

C

Have you ever met a girl that you tried to date

Dm

But a year to make love she wanted you to wait

Let me tell ya a story of my situation

G

I was talking to this girl from the U.S. nation

[Verse]

The way that I met her was on tour at a concert

She had long hair and a short miniskirt

I just got onstage dripping, pouring with sweat

I was walking through the crowd and guess who I met

I whispered in her ear, come to the picture booth

So I can ask you some questions to see if you are a hundred proof

I asked her her name, she said blah-blah-blah

She had 9/10 pants and a very big bra

I took a couple of flicks and she was enthused

I said, how do you like the show?

She said, I was very amused

I started throwing bass, she started throwing back mid-range

But when I sprung the question, she acted kind of strange

Then when I asked, do ya have a man, she tried to pretend

She said, no I dont, I only have a friend

Come on, Im not even goin for it

This is what Im goin sing

[Hook] 3x

C

Dm

You, you got what I need but you say hes just a friend

G

And you say hes just a friend, oh baby

[Verse]

So I took blah-blahs word for it at this time

I thought just havin a friend couldnt be no crime

cause I have friends and thats a fact

Like Agnes, Agatha, Germaine, and Jack

Forget about that, lets go into the story  
About a girl named blah-blah-blah that adored me  
So we started talking, gettin' familiar  
Spending a lot of time so we can build a

Relationship or some understanding  
How its gonna be in the future we was planning  
Everything sounded so dandy and sweet  
I had no idea I was in for a treat

After this was established, everything was cool  
The tour was over and she went back to school  
I called every day to see how she was doin'  
Everytime that I called her it seemed something was brewin'

I called her on my dime, picked up, and then I called again  
I said, yo, who was that? oh, hes just a friend  
Dont gimme that, dont even gimme that  
Just bust this

[Hook]

[Verse]

So I came to her college on a surprise visit  
To see my girl that was so exquisite  
It was a school day, I knew she was there  
The first semester of the school year

I went to a gate to ask where was her dorm  
This guy made me fill out a visitors form  
He told me where it was and I was on my way  
To see my baby doll, I was happy to say  
I arrrived in front of the dormitory

Yo, could you tell me where is door three?  
They showed me where it was for the moment  
I didnt know I was in for such an event  
So I came to her room and opened the door  
Oh, snap! guess what I saw?

A fella tongue-kissin my girl in the mouth,  
I was so in shock my heart went down south  
So please listen to the message that I send  
Dont ever talk to a girl who says she just has a friend

[Verse]

In manchen Gegenden habe es früh angefangen  
Man sei dort vor Jahren spazieren gegangen  
Seinerzeit wusste man nicht, was es ist  
Doch man ahnte bereits, hier und dort rührt es sich  
Aber nicht nur an Plätzen fiel es auf  
Auch zu bestimmten Zeiten im Tagesablauf  
In der Stunde nach Sonnenuntergang  
Kündigte sich eine Veränderung an

[Verse]

Doch man habe natürlich, wenn man ehrlich sei  
Damals all das verdrängt, was man heute begreift  
Und man habe höchstens unbewusst registriert  
Dass etwas unsichtbar ist und dass etwas passiert  
Und erst jetzt komme man wohl nicht umhin  
Sich einzugestehen, dass hier etwas stimmt  
Die Zeichen werden deutlich, es sei soweit  
Es komme nun eine Seltsamkeit

[Instrumental]

G a F C

Und ich liege im Bett und ich muss gestehen  
Ich habe große Lust, mich noch mal umzudrehen  
Draußen, wo sich die Nacht mit dem Tageslicht mischt  
Scheint etwas vor sich zu gehen, das auch mich betrifft

[Instrumental]

## Take That - Never Forget

[Intro]

We've come so far and we've reached so high  
And we've looked each day and night in the eye  
And we're still so young and we hope for more

We've come a long way  
But we're not too sure where we've been  
We've had success, we've had good times  
But remember this

[Verse]

A D F#m E A D  
Been, on this path of life for so long  
F#m E A D  
Feel I've walked a thousand miles  
F#m E A D  
Sometimes strolled hand in hand with love  
F#m E  
Everybody's been there

[Verse]

With danger on my mind I would stand on the line of hope  
And I knew I could make it  
Once I knew the boundaries I looked into the clouds and saw  
My face in the moonlight

[Bridge]

C#m7 D  
Just then I realised what a fool I could be  
C#m7 D  
Just 'cause I look so high you don't have to see me  
C#m7 D  
Finding a paradise wasn't easy but still  
C#m7 D E  
There's a road going down the other side of this hill

[Chorus]

A D F#m E  
Never forget where you're coming from  
A D F#m E  
Never pretend that's it's all real  
A D F#m E A D  
Someday soon this will a be someone else's dream  
F#m E  
This will be someone else's dream

[Verse]

Safe from the arms of disappointment for so long  
Feel each day we've come too far  
Yet each day seems to make much more  
Sure is good to be here

[Bridge]

I understand the meaning of 'I can't explain this feeling' now  
And it feels so unreal  
At night I see the hand that reminds me of the stand that I made  
The fact of reality

[Chorus]

[Verse]

We've come so far and we've reached so high  
And we've looked each day and night in the eye  
And we're still so young and we hope for more  
But remember this

We're not invincible, we're not invincible, no  
We're only people, we're only people  
Hey we're not invincible, we're not invincible  
So again I tell you

Now Paul is a real estate novelist  
Who never had time for a wife  
And he's talking with Davy, who's still in the Navy  
And probably will be for life  
  
And the waitress is practicing politics  
As the businessman slowly gets stoned  
Yes, they're sharing a drink they call loneliness  
But it's better than drinking alone

[Chorus]

It's a pretty good crowd for a Saturday  
And the manager gives me a smile  
'Cause he knows that it's me they've been coming to see  
To forget about life for a while  
  
And the piano, it sounds like a carnival  
And the microphone smells like a beer  
And they sit at the bar and put bread in my jar  
And say, "Man, what are you doing here?"
