Alphaville - Forever Young

[Verse]

G D Em
Lets start in style, let's dance for a while
 C D
Heaven can wait we're only watching the skies
 Em C
Hoping for the best, but expecting the worst
 D

Are you gonna drop the bomb or not?

Let us stay young or let us live forever

We don't have the power, but we never say never

Sitting in the sandpit, life is a short trip

The music's for the sadman

Can you imagine when this race is won

Turn out all the faces into the sun

Praising our leaders, we're getting in tune

The music's played by the madman

[Chorus]

G D
Forever Young

 Em C
I want to be Forever Young

D Em
Do you really want to live forever?

C D
Forever, you'll never

G D
Forever Young

 Em C
I want to be Forever Young

D Em
Do you really want to live forever?

C D G
Forever Young.

[Verse]

Some are like water, some are like the heat

Some are a melody and some are the beat

Sooner or later they all will be gone

Why don't they stay young?

It's so hard to get old without a cause
I don't want to perish like a fading horse
Years like diamonds in the sun
And diamonds are forever

Alphaville - Summer in Berlin

[verse]

Gm Dm
This day's an invitation
F C
And it's just for you
Gm Dm
You've got a reservation
F C
For the 17th of June
D A
Open your eyes
 D A
And let the sun break in for a while
D A
There may be something
 D A
That you've never seen inside

[verse]

Feel how your heart beats
Like a heavy machine
The sound of the traffic
Is like a silent dream
The dust in the park
The exhaust from the cars
Ascends in that heated afternoon
You touch a sweaty body!

[chorus]

Gm Dm F C
 Summer in Berlin, it's alright, (it's alright)
 Gm Dm
 The day feels so tired
 F
 From the lead in the air
 C
 And the fire in the skies
 Gm Dm F
 Life seemed to be a fault of grace
 C
 But it's ok
 Gm
 To gave you a kiss
 Dm F C
 In the middle of the crossroads

[verse]

Feel how your heart beats
 Like a heavy machine
 The sound of the traffic
 Is like a silent dream
 The dust in the park
 The exhaust from the cars
 Ascends in that heated afternoon
 You touch a sweaty body!

[chorus]

Summer in Berlin, it's alright
 The heat of the sun
 Which is stored in the pavement
 Feels so fine
 Here stands the innocent
 and there it comes oh so wild
 That's when you're longing
 For a summer by the wall
 Summer in Berlin, it's alright
 Summer in Berlin, it's ok

America - Horse With No Name

Em	D6/9
On the first part of the journey	
Em	D6/9
I was lookin at all the life	
Em	D6/9
There were plants and birds and rocks and things	
Em	D6/9
There were sand and hills and rings	
Em	D6/9
The first thing I met was a fly with a buzz	
Em	D6/9
and the sky with no clouds	
Em	D6/9
the heat was hot and the ground was dry	
Em	D6/9
but the air was full of sound	
Em9	Dmaj9
I've been through the desert on a horse with no name	
Em9	Dmaj9
it felt good to be out of the rain	
Em9	Dmaj9
in the desert you can remember your name	
Em9	Dmaj9
'cause there ain't no one for to give you no pain	
Em9	Dmaj9
La la la la lala la lala	
Em9	Dmaj9
la la la	

Em	D6/9
After two days in the desert sun	
Em	D6/9
my skin began to turn red	
Em	D6/9
After three days in the desert fun	
Em	D6/9
I was looking at a river bed	
Em	D6/9
And the story it told of a river that flowed	
Em	D6/9
made me sad to think it was dead	
Em9	Dmaj9
I've been through the desert on a horse with no name	
Em9	Dmaj9
it felt good to be out of the rain	
Em9	Dmaj9
in the desert you can remember your name	
Em9	Dmaj9
'cause there ain't no one for to give you no pain	
Em9	Dmaj9
la la la la lala la lala	
Em9	Dmaj9
la la la	
After nine days I let the horse run free	
'cause the desert had turned to sea	
there were plants and birds and rocks and things	
there were sand and hills and rings	
The ocean is a desert with it's life underground	
and the perfect disguise above	
Under the cities lies a heart made of ground	
but the humans will give no love	
I've been through the desert on a horse with no name	
it felt good to be out of the rain	
in the desert you can remember your name	
'cause there ain't no one for to give you no pain

Baby Huey - Hard Times

People all around me and they're all in fear

They don't seem to want me but they won't admit

I must be some kind of creature up here having fits

Am

From my party house, I'm afraid to come outside

C

Although I'm filled with love I'm afraid they'll hurt my pride

So I play the part I feel they want of me

Am

And I pull the shades so I won't see them seein' me

Blondie - Heart of Glass

E	C#m
Once I had a love and it was a gas;	
	E
soon turned out, I had a heart of glass	
	C#m
Seemed like the real thing only to find;	
	E
much mistrust, love's gone behind	
E	C#m
Once I had a love and it was divine;	
	E
soon found out I was losing my mind	
	C#m
It seemed like the real thing but I was so blind;	
	E
much mistrust, love's gone behind	
A	E
In between, what I find is pleasing and I'm feeling fine	
	A
Love is so confusing there's no peace of mind,	
if I fear I'm losing you	
F#	B
It's just no good, you teasing like you do	A
E	C#m
Once I had a love and it was a gas;	
	E
soon turned out, I had a heart of glass	
	C#m
Seemed like the real thing only to find;	
	E
much mistrust, love's gone behind	
A	E
Lost inside, adorable illusion and I cannot hide	
	A
I'm the one you're using, please don't push me aside,	
	E
we could've made it cruising, yeah

Canned Heat - On The Road Again

E Well I'm so tired of cryin' but I'm out, on the road again G A E I'm on the road again. E Well I'm so tired of cryin' but I'm out, on the road again G A E I'm on the road again. E I ain't got no woman, G A E just to call my special friend.
You know the first time I traveled out, in the rain and snow, in the rain and snow. You know the first time I traveled out, in the rain and snow, in the rain and snow. I didn't have no payroll, not even no place to go.
And my dear mother left me when I was quite young, when I was quite young. And my dear mother left me when I was quite young, when I was quite young. She said "Lord have mercy, on my wicked son."
Take a hint from me mama please, don't you cry no more don't you cry no more. Take a hint from me mama please, don't you cry no more don't you cry no more. Cause it's soon one morning, down the road I'm gone.
And I'm going to leave the city, got to go away got to go away And I'm going to leave the city got to go away got to go away
All this fussing and fighting, man I sure can't stay. But I ain't going down that long and lonesome road all by myself. But I ain't going down that long and lonesome road all by myself. I can't carry you baby, gonna carry somebody else.

Girl of eighteen, fell in love with everything,
Found new life in Jesus Christ.

Birds were singing in the summer sky.
Then came the rain, and once again,
a tear fell from her mother's eye.

La, la, la, la, take me home.
Daddy, I'm coming home.

Him: Jade

Her: Alexander

Him: Do you remember that day you fell outta my window?

Her: I sure do, you came jumping out after me.

Him: Well, you fell on the concrete,
nearly broke your ass, you were
bleeding all over

place and I rushed you out to the
hospital, you remember that?

Her: Yes I do.

Him: Well there's something I never
told you about that night.

Her: What didn't you tell me?

Him: While you were sitting in the backseat
smoking a cigarette you thought was gonna be last,
I was falling deep, deeply in love with you, and
I never told you til just now.

Sie meint, Jack und Jill
Mein Funkverstaendnis reicht zur Not

Heaven is closer now today the sound is in my ears

I can't believe the things you say they echo what I fear

twisting the bones until they snap I scream but no one knows

you say I'm familiar cold to touch and then you turn and go

feels like heaven ...

See how we planned for saddened eyes and tears to pave the way
I fought the fever as I knew my hair returned to grey
study your face and fade the frame too close for comfort now
we can recall the harmony that lingered but turned soon
feels like heaven ...

Bm F#
Ready or not, here I come, you can't hide
G D F#

[verse]

Now that I escape, sleepwalker awake
Those who could relate know the world ain't cake
Jail bars ain't golden gates
Those who fake, they break
When they meet their 400-pound mate
If I could rule the world
Everyone would have a gun in the ghetto of course
When giddyuping on their horse
I kick a rhyme drinking moonshine
I pour a sip on the concrete, for the deceased
But no don't weep, Wyclef's in a state of sleep
Thinking bout the robbery that I did last week
Money in the bag, banker looked like a drag
I want to play with pelicans from here to Baghdad
Gun blast, think fast, I think I'm hit
My girl pinched my hips to see if I still exist
I think not, I'll send a letter to my friends
A Born Again hooligan only to be king again

[chorus]

[verse]

I play my enemies like a game of chess, where I rest
 No stress, if you don't smoke sess, lest
 I must confess, my destiny's manifest
 In some Goretex and sweats I make treks like I'm homeless
 Rap orgies with Porgy and Bess
 Capture your bounty like Elliot Ness, yes
 Bless you if you represent the Fu
 But I'll hex you with some witch's brew
 If you're doo-doo, voodoo
 I can do what you do, easy, believe me
 Fronting niggas give me hee-bee-gee-bees
 So while you're imitating Al Capone, I'll be Nina Simone
 And defecating on your microphone

[chorus]

[verse]

You can't run away
 From these styles I got, oh baby, hey baby
 Cause I got a lot, oh yeah
 And anywhere you go
 My whole crew's gonna know baby, hey baby
 You can't hide from the block, oh no
 Ready or not, refugees taking over
 The Buffalo Soldier, dreadlock Rasta
 On the twelfth hour, fly by in my bomber
 Crews run for cover, now they're under pushing up flowers
 Superfly true lies, do or die
 Toss me high ? only puff la
 With my crew from lock high
 I refugee from Guantanamo Bay
 Dance around the border like I'm Cassius Clay

Johnny Cash - Ghost Riders In The Sky

Am	C
An old cowboy went riding out one dark and windy day	
Am	C
Upon a ridge he rested as he went along his way	
Am	
When all at once a mighty herd of red eyed cows he saw	
F	Dm Am
A-plowing through the ragged sky and up the cloudy draw	
Am	C
Their brands were still on fire and their hooves were made of steel	
Am	C
Their horns were black and shiny and their hot breath he could feel	
Am	
A bolt of fear went through him as they thundered through the sky	
F	Dm Am
For he saw the Riders coming hard and he heard their mournful cry	
Am	C
Yippie yi Ohhhhh	
C	Am
Yippie yi yaaaaay	
F	Dm Am
Ghost Riders in the sky	
Am	C
Their faces gaunt, their eyes were blurred, their shirts all soaked with sweat	
Am	C
He's riding hard to catch that herd, but he ain't caught 'em yet	
Am	
'Cause they've got to ride forever on that range up in the sky	
F	
On horses snorting fire	
Dm	Am
As they ride on hear their cry	

Am		C
As the riders loped on by him he heard one call his name		
Am		C
If you want to save your soul from Hell a-riding on our range		
Am		
Then cowboy change your ways today or with us you will ride		
F	Dm	Am
Trying to catch the Devil's herd, across these endless skies

Johnny Cash - Man In Black

G G G G	
G	G
Well, you wonder why I always dress in black,	
G	A
Why you never see bright colors on my back,	
C	G C G
And why does my appearance seem to have a somber tone.	
A7	D7
Well, there's a reason for the things that I have on.	
G	G
I wear the black for the poor and the beaten down,	
G	A
Livin' in the hopeless, hungry side of town,	
C	G C G
I wear it for the prisoner who has long paid for his crime,	
A7	D7
But is there because he's a victim of the times.	
G	G
I wear the black for those who never read,	
G	A
Or listened to the words that Jesus said,	
C	G C G
About the road to happiness through love and charity,	
A7	D7
Why, you'd think He's talking straight to you and me.	
G	G
Well, we're doin' mighty fine, I do suppose,	
G	A
In our streak of lightnin' cars and fancy clothes,	
C	G C G
But just so we're reminded of the ones who are held back,	
A7	D7
Up front there ought 'a be a Man In Black.	

G	G		
I wear it for the sick and lonely old,			
G	A		
For the reckless ones whose bad trip left them cold,			
C	G	C	G
I wear the black in mournin' for the lives that could have been,			
A7	D7		
Each week we lose a hundred fine young men.			
G	G		
And, I wear it for the thousands who have died,			
G	A		
Believen' that the Lord is on their side,			
C	G	C	G
I wear it for another hundred thousand who have died,			
A7	D7		
Believen' that we all were on their side.			
G	G		
Well, there's things that never will be right I know,			
G	A		
And things need changin' everywhere you go,			
C	G	C	G
But 'til we start to make a move to make a few things right,			
A7	D7		
You'll never see me wear a suit of white.			
G	G		
Oh, I'd love to wear a rainbow every day,			
G	A		
And tell the world that everything's ok,			
C	G	C	G
But I'll try to carry off a little darkness on my back,			
A7	D7		
Till things are brighter, I'm the Man In Black			
D7 D7 G

He who seeks of only vanity
And no love for humanity
Shall fade away, fade away

He who checks for only wealth
And not for his physical health
Shall fade away, fade away

Though some believe in diamonds and pearl
And feel like they're on top of the world
They shall fade away, hear what I say

The rich is getting richer every day
And the little that the poor man got
It shall be taken away
Do you hear what I say? Yeah, hear what I say

The man who worships silver and gold
Shall surely, surely, surely lose his own soul
Then fade away

One who's always acting smart
And don't carry no love in his heart
Shall fade away

God is here and there and everywhere
And He knows when you play the game unfair
So people beware, or else you fade away!
Hey, beware! Or dare you fade away?
You gotta fade, gotta fade, gotta fade now

Kim Carnes - Bette Davis Eyes

[Intro]

F Am G x4

[Verse 1]

Her hair is Harlowe gold, her lips a sweet surprise
Her hands are never cold, she's got Bette Davis eyes
She'll turn the music on you
You won't have to think twice
She's pure as New York snow, she's got Bette Davis eyes

[Chorus 1]

And she'll tease you, she'll unease you,
All the better just to please you,
She's precocious, and she knows just what it takes
to make a pro blush
She's got Greta Garbo's standoff sighs
She's got Bette Davis eyes

[Verse 2]

She'll let you take her home, you whet her appetite
She'll lay you on her throne, she's got Bette Davis eyes
She'll take a tumble on you
Roll you like you were dice,
Until you come up blue, she's got Bette Davis eyes

Oh, the night is my world
F#m C#m
City light painted girl
E Bm
In the day nothing matters

It's the night time that flatters
In the night, no control

Wearing white as you're walkin'
Down the street of my soul

You take my self, you take my self control
F#m C#m
You got me livin' only for the night

Before the morning comes, the story's told

You take my self, you take my self control
Another night, another day goes by
I never stop myself to wonder why
You help me to forget to play my role
You take my self, you take my self control
F#m C#m F#m
I, I live among the creatures of the night

I haven't got the will to try and fight

Against a new tomorrow, so I guess I'll just believe it

That tomorrow never comes
A safe night, I'm living in the forest of my dream
I know the night is not as it would seem
I must believe in something, so I'll make myself believe it
That this night will never go

B7/F#

you must learn, learn to serve me well.

[Verse 2]

You strike my side by accident

As you go down for your gold.

The cripple here that you clothe and feed

Is neither starved nor cold;

He does not ask for your company,

Not at the centre, the centre of the world.

[Verse 3]

When I am on a pedestal,

You did not raise me there.

Your laws do not compel me

To kneel grotesque and bare.

I myself am the pedestal

For this ugly hump at which you stare.

[Verse 4]

You who wish to conquer pain,

You must learn what makes me kind;

The crumbs of love that you offer me,

They're the crumbs I've left behind.

Your pain is no credential here,

It's just the shadow, shadow of my wound.

[Verse 5]

I have begun to long for you,
I who have no greed;
I have begun to ask for you,
I who have no need.
You say you've gone away from me,
But I can feel you when you breathe.

[Verse 6]

Do not dress in those rags for me,
I know you are not poor;
And don't love me quite so fiercely now
When you know that you are not sure,
It is your turn, beloved,
And it is your flesh that I wear.

that I just can't go on

traveling so long

[bridge]

D E

[verse]

Yes you who must leave everything
that you cannot control
It begins with your family,
but soon it comes round to your soul
Well I've been where you're hanging
I think I can see how you're pinned
When you're not feeling holy
your loneliness says that you've sinned

[bridge]

[verse]

They lay down beside me
I made my confession to them
They touched both my eyes
and I touched the dew on their hem
If your life is a leaf that the
seasons tear off and condemn
They will bind you with love that is
graceful and green as a stem

[bridge]

[verse]

When I left they were sleeping
I hope you run into them soon
Dont turn on the lights you can
read their address by the moon
And you won't make me jealous if
I hear that they sweetened your night

Leonard Cohen - Story Of Isaac

[intro]
Am
[verse]
Am F
The door it opened slowly,
Am F
my father he came in,
G F E
I was nine years old.
Am F
And he stood so tall above me,
Am F
his blue eyes they were shining
G F E
and his voice was very cold.
C
He said, "I've had a vision
and you know I'm strong and holy,
D C B
I must do what I've been told."
F Bb
So he started up the mountain,
F Bb
I was running, he was walking,
F G A Am
and his axe was made of gold.
[verse]
Well, the trees they got much smaller, the lake a lady's mirror, we stopped to drink some wine. Then he threw the bottle over, broke a minute later and he put his hand on mine. Thought I saw an eagle but it might have been a vulture, I never could decide. Then my father built an altar, he looked once behind his shoulder, he knew I would not hide.

[verse]

You who build the altars now
to sacrifice these children,
you must not do it anymore.
A scheme is not a vision
and you never have been tempted
by a demon or a god.
You who stand above them now,
your hatchets blunt and bloody,
you were not there before,
when I lay upon a mountain
and my father's hand was trembling
with the beauty of the word.

[verse]

And if you call me brother now,
forgive me if I inquire,
"Just according to whose plan?"
When it all comes down to dust
I will kill you if I must,
I will help you if I can.
When it all comes down to dust
I will help you if I must,
I will kill you if I can.
And mercy on our uniform,
man of peace or man of war,
the peacock spreads his fan.

Leonard Cohen - Suzanne

[Verse]

E

Suzanne takes you down to her place near the river

F#m

You can hear the boats go by, you can spend the night beside her

E

And you know that she's half-crazy, but that's why you wanna be there

G#m

A

And she feeds you tea and oranges that come all the way from China

E

F#m

And just when you mean to tell her that you have no love to give her

E

F#m

Then she gets you on her wavelength, and she lets the river answer

E

That you've always been her lover

[Chorus 1]

G#m

A

And you want to travel with her, and you want to travel blind

E

F#m

And you know she will trust you for you've touched her perfect body

E

With your mind

[Verse]

And Jesus was a sailor when he walked upon the water

And he spent a long time watching from his lonely wooden tower

And when he knew for certain only drowning men could see him

He said: "All men will be sailors then until the sea shall free them"

But he himself was broken long before the sky would open

Forsaken, almost human, he sank beneath your wisdom

Like a stone

[Chorus]

And you want to travel with him, and you want to travel blind

And you think maybe you'll trust him for he's touched your perfect body

With his mind

[Verse]

Now Suzanne takes your hand, and she leads you to the river
She is wearing rags and feathers from the Salvation Army counter
And the sun pours down like honey on Our Lady of the Harbour
And she shows you where to look among the garbage and the flowers
There are heroes in the seaweed, there are children in the morning
They are leaning out for love, and they will lean that way forever
While Suzanne holds the mirror

[Chorus]

And you want to travel with her, and you want to travel blind
And you know that you can trust her for she's touched your perfect body
With her mind

[verse]

Bei Finsterwalde sagt man

Leben noch Freunde, die halten aus

Die sagen, sie bleiben dabei

Trotz Finsterwalde haben sie Träume

Hell wie der Himmel, dort selten ist

Hinter dem Feld, nach dem Spiel

Gehört der Abend den Gardinen

Und der Wald schweigt sich aus

Und dann ist irgendwann Ruhe

[chorus]

Und wenn alles wieder schiefgeht

Geht die Sonne trotzdem auf

Auf dem brachgelegten Acker

Wo die Krähen Urlaub machen

[verse]

Was ist die Großstadt gegen die Freunde?
Bei Finsterwalde leben noch drei
Halten sich wacker auf dem Parkplatz
Und sehen den Autos Richtung Süden nach

[chorus]

Und wenn alles wieder schiefgeht
Geht die Sonne trotzdem auf
Auf dem brachgelegten Acker
Wo die Krähen Urlaub machen

Peter Tosh - Johnny B. Goode

Em D
Deep down in Jamaica close to Mandeville Back up in the woods on top of a hill There stood an old hut made of earth and wood Where lived a country boy named Johnny B Goode
He never learned to read and a write so well But he could play his guitar like ringing a bell yell
CHORUS
He used to carry his guitar in a gunny sack Sitting in a tree in the railroad track Old engineer in the train sitting in the shade Strummin' with the rhythm that them drivers made
People passing by would stop and say Oh my oh my what the boy can play
CHORUS
Mama said son you gotta be a man You gotta be the leader of a reggae band People coming in from miles around To hear you play until the sun goes down
Boy someday your name will be in the lights Saying Johnny B Goode tonight

Tell me; is it just a dream?

[Verse 2]

When I come home at night,

I bolt the door real tight.

People call me on the phone, I'm trying to a-void,

Well, can the people on TV see me, or am I just para-noid?

When I'm in the shower, I'm a-fraid to wash my hair,

'Cos I might open my eyes and find someone standing there.

People say I'm crazy; just a little touched,

But maybe showers remind me of Psycho too much, that's why;

[Chorus 2]

I always feel like, somebody's watchin' me,

And I have no privacy.

I always feel like, somebody's watchin' me,

Who's playing tricks on me?

[Interlude]

C#m, A B (x4)

I don't know any more; are the neighbours watching me?

C#m A B

Well, is the mailman watching me?

C#m F#m/A

And I don't feel safe any more, oh, what a mess!

C#m A A/B

I wonder who's watching me now? Who? The IR-S?

[Chorus]

I always feel like, somebody's watchin' me,

And I have no privacy.

I always feel like, somebody's watchin' me,

Tell me; is it just a dream?

[Chorus]

[verse]
Woke up this morning and my head was in a daze. A brave new world has dawned upon the human race, where words are meaningless and everything's surreal. Gonna have to reach my friends to find out how I feel.

[bridge]

And if I taste the honey is it really sweet
and do I eat it with my hands or with my feet?
Does anybody really listen when I speak
or will I have to say it all again next week?

[chorus]

Hello, hello turn your radio on.
Is there anybody out there?
Help me sing my song.

Hello, hello turn your radio on.
Is there anybody out there?
tell me: what went wrong?
La la la life is a strange thing
life is a strange thing

Hello, hello turn your radio on
Is there anybody out there?
Help me sing my song

Hello, hello turn your radio on
Is there anybody out there?
Help me sing my song
La la la life is a strange thing
Just when you think you've learned how to use it

The Cure - Close To me

[Verse]

B

I've waited hours for this

I've made myself so sick

Abmin

I wish I'd stayed

F#

asleep today

B

I never thought this day would end

Abmin

I never thought tonight could ever be

F#

this close to me

[Verse 2]

B

Just try to see in the dark

just try to make it work

Abmin

F#

to feel the fear before you're here

B

I make the shapes come much too close

I pull my eyes out

Abmin

F#

hold my breath and wait until I shake...

[Bridge]

E

But if I had your faith

B

then I could make it safe and clean

E

If only I was sure

B

that my head on the door was a dream

[Instrumental]

(There's a part here with horns but the underliner is the B Abmin F# progression)

[Verse]

[Bridge]

E

But if I had your face

B

then I could make it safe and clean

E

B

if only I was sure that my head on the door was a dream

The blue bus is calling us (2x)
Driver, where you've taken us

(spoken) D

The killer awoke before dawn, he put his boots on
He took a face from the ancient gallery
And he walked on down the hall
He went into the room where his sister lived, and...then he
Paid a visit to his brother, and then he
He walked on down the hall, and
And he came to a door...and he looked inside
Father, yes son, I want to kill you
Mother...I want to...fuck you

D

C'mon baby, take a chance with us (3x)

[verse]

And meet me at the back of the blue bus
Doing a blue rock
On a blue bus
Doing a blue rock
C'mon, yeah

A lonely mother gazing out of her window

Staring at a son that she just can't touch

If at any time he's in a jam, she'll be by his side

D A
But all the praying just ain't helping at all
C G
'cause he can't seem to keep his self out of trouble
D A
So he goes out and he makes his money the best way he knows how
C G
Another body laying cold in the gutter
Listen to me

Don't go chasing waterfalls
C
Please stick to the rivers

And the lakes that you're used to

I know that you're gonna have it your way

For temptation but he just can't see

She gives him loving that his body can't handle

But all he can say is "baby it's good to me"

D A
One day he goes and takes a glimpse in the mirror
C G
But he doesn't recognize his own face

His health is fading and he doesn't know why

Only my faith can undo

The many chances I blew

To bring my life to anew

Clear blue and unconditional skies

Have dried the tears from my eyes

No more lonely cries

My only bleedin' hope

What a shame you shoot and aim for someone else's brain

You claim the insane and name this day in time

For fallin' prey to crime

I say the system got you victim to your own mind

Dreams are hopeless aspirations

In hopes of comin' true believe in yourself the rest is up to me and you

Wu Tang Clan - C.R.E.A.M.

[Intro]
Em C Cash rules everything around me, C.R.E.A.M. D G D Get the money, dollar dollar bill, y'all
[Verse 1: Raekwon]

Em C D
 I grew up on the crime side, the New York Times side
 G D
 Stayin' alive was no jive
 Em C
 Had secondhands, Mom's bounced on old man
 D G D
 So then we moved to Shaolin land
 Em C
 A young youth, yo, rockin' the gold tooth, 'Lo goose
 D G D
 Only way I be gettin' the G off was drug loot
 Em C
 And let's start it like this, son
 D
 Rollin' with this one and that one
 G D
 Pullin' out gats for fun
 Em C D
 But it was just a dream for the teen who was a fiend
 G D
 Started smokin' woolas at 16
 Em C D
 And runnin' up in gates, doin' hits for high stakes
 G D
 Makin' my way on fire escapes
 Em C
 No question I would speed for cracks and weed
 D G D
 The combination made my eyes bleed
 Em C D
 No question I would flow off and try to get the dough all
 G D
 Stickin' up white boys in ball courts
 Em C D
 My life got no better, same damn 'Lo sweater
 G D
 Times is rough and tough like leather
 Em C
 Figured out I went the wrong route
 D G D
 So I got with a sick-ass clique and went all out
 Em C
 Catchin' keys from 'cross seas
 D G D
 Rollin' in MPV's, every week we made forty G's
 Em C D

Em C
Cash rules everything around me
D
C.R.E.A.M., get the money
G D
Dollar dollar bill, y'all
Em C
Cash rules everything around me
D
C.R.E.A.M., get the money
G D
Dollar dollar bill, y'all

[Verse 2: Inspectah Deck]

Em C
 It's been twenty-two long hard years, I'm still strugglin'
 D G D Em
 Survival got me buggin', but I'm alive on arrival
 C
 I peep at the shape of the streets
 D G D
 And stay awake to the ways of the world 'cause shit is deep
 Em C
 A man with a dream with plans to make cream
 D G D Em
 Which failed; I went to jail at the age of fifteen
 Em C D
 A young buck sellin' drugs and such, who never had much
 G D
 Tryin' to get a clutch at what I could not
 Em C
 The court played me short, now I face incarceration
 D G D
 Pacin', goin' upstate's my destination
 Em C
 Handcuffed in the back of a bus, forty of us
 D G D
 Life as a shorty shouldn't be so rough
 Em C
 But as the world turned I learned life is hell
 D G D
 Livin' in the world no different from a cell
 Em C
 Every day I escape from Jakes givin' chase
 D G D
 Sellin' base, smokin' bones in the staircase
 Em C
 Though I don't know why I chose to smoke sess
 D G D
 I guess that's the time when I'm not depressed
 Em C
 But I'm still depressed, and I ask: what's it worth?
 D G D
 Ready to give up so I seek the old Earth
 Em C

Who explained workin' hard may help you maintain

Seite 349

D G D
 To learn to overcome the heartaches and pain
 Em C

We got stick-up kids, corrupt cops, and crack rocks
