## Leonard Cohen - Avalanche

[Intro]

Em

[Verse 1]

Em                      C/G              Em  
I stepped into an avalanche,  
                    D/F#      Em  
it covered up my soul;  
                                    C/G  
When I am not this hunchback that you see,  
Em              D/F#                      Em  
I sleep beneath a golden hill.  
G                      D/F#  
You who wish to conquer pain,  
                    Em                      C/G              B7/F#  
you must learn, learn to serve me well.

[Verse 2]

Em                      C/G              Em  
You strike my side by accident  
                    D/F#                      Em  
As you go down for your gold.  
                                    C/G  
The cripple here that you clothe and feed  
Em              D/F#                      Em  
Is neither starved nor cold;  
G                      D/F#  
He does not ask for your company,  
                    Em                      C/G              B7/F#  
Not at the centre, the centre of the world.

[Verse 3]

Em                    C/G            Em  
When I am on a pedestal,  
                     D/F#            Em  
You did not raise me there.  
                                 C/G  
Your laws do not compel me  
Em            D/F#                    Em  
To kneel grotesque and bare.  
G                            D/F#  
I myself am the pedestal  
                     Em                            C/G            B7/F#  
For this ugly hump at which you stare.

[Verse 4]

Em                    C/G            Em  
You who wish to conquer pain,  
                     D/F#                    Em  
You must learn what makes me kind;  
                                         C/G  
The crumbs of love that you offer me,  
Em                    D/F#                    Em  
They're the crumbs I've left behind.  
G                            D/F#  
Your pain is no credential here,  
                     Em                            C/G            B7/F#  
It's just the shadow, shadow of my wound.

[Verse 5]

Em                    C/G            Em  
I have begun to long for you,  
                     D/F#                    Em  
I who have no greed;  
                                         C/G  
I have begun to ask for you,  
Em            D/F#                    Em  
I who have no need.

G D/F#  
You say you've gone away from me,  
Em C/G B7/F#  
But I can feel you when you breathe.

[Verse 6]

Em C/G Em  
Do not dress in those rags for me,  
D/F# Em  
I know you are not poor;  
C/G  
And don't love me quite so fiercely now  
Em D/F# Em  
When you know that you are not sure,  
G D/F#  
It is your turn, beloved,  
Em C/G B7/F#  
And it is your flesh that I wear.

The Night lyrics  
So many things we have  
why don't you stay with me tonight?  
I'm trying to discover you  
together again for all the night.  
There's something going on right now

feelin' happy  
feel the moon.  
Let's get closer  
baby  
'cause we're dance and dance.  
All my friends are talking to me  
what's this love I see.  
I know you can make it right. I'm still waiting now

Waiting for the love I need.  
If you want me too there's something don't understand.  
I don't know.

So many things we have  
why don't you stay with me tonight? . . .

## Johnny Cash - Ghost Riders In The Sky

Am C  
An old cowboy went riding out one dark and windy day  
Am C  
Upon a ridge he rested as he went along his way  
Am  
When all at once a mighty herd of red eyed cows he saw  
F Dm Am  
A-plowing through the ragged sky and up the cloudy draw

Am C  
Their brands were still on fire and their hooves were made of steel  
Am C  
Their horns were black and shiny and their hot breath he could feel  
Am  
A bolt of fear went through him as they thundered through the sky  
F Dm Am  
For he saw the Riders coming hard and he heard their mournful cry

Am C

C Am  
Yippie yi yaaaaay  
F Dm Am  
Ghost Riders in the sky

Am C  
Their faces gaunt, their eyes were blurred, their shirts all soaked with sweat  
Am C  
He's riding hard to catch that herd, but he ain't caught 'em yet  
Am  
'Cause they've got to ride forever on that range up in the sky  
F  
On horses snorting fire  
Dm Am  
As they ride on hear their cry  
  
Am C

As the riders loped on by him he heard one call his name  
Am C  
If you want to save your soul from Hell a-riding on our range

Then cowboy change your ways today or with us you will ride

Nothin' new is sweeter than with you

And in the streets you run afree,  
Like it's only you and me,

## Rockwell - Somebody's Watching Me

[Intro]

C#m, A B (x8)

[Verse 1]

C#m F#m/A  
I'm just an average man, with an average life,  
C#m A B  
I work from nine to five, hey, hell, I pay the price.  
C#m F#m/A  
But all I want is to be left alone, in my average home,  
C#m A B  
But why do I always feel, like I'm in the Twilight Zone?

[Chorus 1:]

C#m F#m/A C#m  
I always feel like, somebody's watchin' me,  
A A/B  
And I have no privacy.  
C#m F#m/A C#m  
I always feel like, somebody's watchin' me,  
A B  
Tell me; is it just a dream?

[Verse 2:]

C#m F#m/A  
When I come home at night,  
C#m A B  
I bolt the door real tight.  
C#m A B  
People call me on the phone, I'm trying to a-void,

C#m A B  
Well, can the people on TV see me, or am I just para-noid?

C#m F#m/A  
When I'm in the shower, I'm a-fraid to wash my hair,  
C#m A B  
'Cos I might open my eyes and find someone standing there.  
C#m F#m/A  
People say I'm crazy; just a little touched,  
C#m A B  
But maybe showers remind me of Psycho too much, that's why;

[Chorus 2:]

C#m F#m/A C#m  
I always feel like, somebody's watchin' me,  
A A/B  
And I have no privacy.  
C#m F#m/A C#m  
I always feel like, somebody's watchin' me,  
A B  
Who's playing tricks on me?

[Interlude:]

C#m, A B (x4)

[Break:]

C#m C#sus C#m A  
C#m C#sus C#m A B

C#m B  
I don't know any more; are the neighbours watching me?  
C#m A B  
Well, is the mailman watching me?  
C#m F#m/A  
And I don't feel safe any more, oh, what a mess!

| C#m                             | A    | A/B       |

[Chorus 3:]

C#m F#m/A C#m  
I always feel like, somebody's watchin' me,  
A A/B  
And I have no privacy.  
C#m F#m/A C#m  
I always feel like, somebody's watchin' me,  
A B  
Tell me; is it just a dream?

[Chorus 4:]

C#m F#m/A C#m  
I always feel like, somebody's watchin' me,  
A A/B  
And I have no privacy.  
C#m F#m/A C#m  
I always feel like, somebody's watchin' me,

Bm  
Now that I escape, sleepwalker awake  
F#  
Those who could relate know the world ain't cake

Jail bars ain't golden gates

Those who fake, they break,  
F#  
When they meet their 400 pound mate

Bm  
If I could rule the world.....

Ready or not, here I come, you can't hide  
Gonna find you and take it slowly  
Ready or not, here I come, you can't hide  
Gonna find you and make you want me

Now that I escape, sleepwalker awake  
Those who could relate know the world ain't cake  
Jail bars ain't golden gates  
Those who fake, they break  
When they meet their 400-pound mate  
If I could rule the world  
Everyone would have a gun in the ghetto of course  
When giddyuping on their horse  
I kick a rhyme drinking moonshine  
I pour a sip on the concrete, for the deceased  
But no don't weep, Wyclef's in a state of sleep  
Thinking bout the robbery that I did last week  
Money in the bag, banker looked like a drag

I want to play with pelicans from here to Baghdad  
Gun blast, think fast, I think I'm hit  
My girl pinched my hips to see if I still exist  
I think not, I'll send a letter to my friends  
A Born Again hooligan only to be king again

Ready or not, here I come, you can't hide  
Gonna find you and take it slowly  
Ready or not, here I come, you can't hide  
Gonna find you and make you want me

I play my enemies like a game of chess, where I rest  
No stress, if you don't smoke sess, lest  
I must confess, my destiny's manifest  
In some Goretex and sweats I make treks like I'm homeless  
Rap orgies with Porgy and Bess  
Capture your bounty like Elliot Ness, yes  
Bless you if you represent the Fu  
But I'll hex you with some witch's brew  
If you're doo-doo, voodoo  
I can do what you do, easy, believe me  
Fronting niggas give me hee-bee-gee-bees  
So while you're imitating Al Capone, I'll be Nina Simone  
And defecating on your microphone

Ready or not, here I come, you can't hide  
Gonna find you and take it slowly

You can't run away  
From these styles I got, oh baby, hey baby  
Cause I got a lot, oh yeah  
And anywhere you go  
My whole crew's gonna know baby, hey baby  
You can't hide from the block, oh no  
Ready or not, refugees taking over  
The Buffalo Soldier, dreadlock Rasta  
On the twelfth hour, fly by in my bomber  
Crews run for cover, now they're under pushing up flowers  
Superfly true lies, do or die  
Toss me high ? only puff la  
With my crew from lock high

I refugee from Guantanamo Bay  
Dance around the border like I'm Cassius Clay

Driver, where you've taken us

(spoken) D

The killer awoke before dawn, he put his boots on

He took a face from the ancient gallery

And he walked on down the hall

He went into the room where his sister lived, and...then he

Paid a visit to his brother, and then he

He walked on down the hall, and

And he came to a door...and he looked inside  
Father, yes son, I want to kill you  
Mother...I want to...fuck you

D  
C'mon baby, take a chance with us

C'mon baby, take a chance with us

C'mon baby, take a chance with us

C D  
And meet me at the back of the blue bus

C D  
Doing a blue rock

C D  
On a blue bus

C D  
Doing a blue rock

C D  
C'mon, yeah

Kill, kill, kill, kill, kill, kill

D  
This is the end  
C D  
Beautiful friend

This is the end  
C D  
My only friend, the end  
C G D  
It hurts to set you free

C D  
But you'll never follow me  
C D

The end of laughter and soft lies

The end of nights we tried to die

## Fairfield Four - Lonesome Valley

You got to go to the lonesome valley  
You got to go there by yourself  
Nobody else can go for you  
You got to go there by yourself  
Oh, you got to ask the lords forgiveness  
Nobody else can ask him for you  
You got to go to the lonesome valley  
You got to go there by yourself  
Nobody else, nobody else can go for you  
You got to go there by yourself

## Leonard Cohen - Suzanne

[Verse 1]

E  
Suzanne takes you down to her place near the river  
F#m  
You can hear the boats go by, you can spend the night beside her  
E  
And you know that she's half-crazy, but that's why you wanna be there  
G#m A  
And she feeds you tea and oranges that come all the way from China  
E F#m  
And just when you mean to tell her that you have no love to give her  
E F#m  
Then she gets you on her wavelength, and she lets the river answer  
E  
That you've always been her lover

[Chorus 1]

G#m A  
And you want to travel with her, and you want to travel blind  
E F#m  
And you know she will trust you for you've touched her perfect body  
E  
With your mind

[Verse 2]

E  
And Jesus was a sailor when he walked upon the water  
F#m  
And he spent a long time watching from his lonely wooden tower  
E  
And when he knew for certain only drowning men could see him  
G#m A

He said: "All men will be sailors then until the sea shall free them"

E

F#m

But he himself was broken long before the sky would open

E

F#m

Forsaken, almost human, he sank beneath your wisdom

E

Like a stone

[Chorus 2]

G#m

A

And you want to travel with him, and you want to travel blind

E

F#m

And you think maybe you'll trust him for he's touched your perfect body

E

With his mind

[Verse 3]

E

Now Suzanne takes your hand, and she leads you to the river

F#m

She is wearing rags and feathers from the Salvation Army counter

E

And the sun pours down like honey on Our Lady of the Harbour

G#m

A

And she shows you where to look among the garbage and the flowers

E

F#m

There are heroes in the seaweed, there are children in the morning

E

F#m

They are leaning out for love, and they will lean that way forever

E

While Suzanne holds the mirror

[Chorus 3]

G#m

A

And you want to travel with her, and you want to travel blind

E

F#m

And you know that you can trust her for she's touched your perfect body

E

With her mind

## TLC - Waterfalls

D A C G

D A  
A lonely mother gazing out of her window  
C G  
Staring at a son that she just can't touch  
D A  
If at any time he's in a jam, she'll be by his side  
C G  
But he doesn't realize he hurts her so much

D A  
But all the praying just ain't helping at all  
C G  
'cause he can't seem to keep his self out of trouble  
D A  
So he goes out and he makes his money the best way he knows how  
C G  
Another body laying cold in the gutter

Listen to me

D A  
Don't go chasing waterfalls  
C  
Please stick to the rivers  
G  
And the lakes that you're used to  
D  
I know that you're gonna have it your way  
A  
Or nothing at all  
C G  
But I think you're moving too fast

D A  
Little precious has a natural obsession

C G  
 For temptation but he just can't see  
 D A  
 She gives him loving that his body can't handle  
 C G  
 But all he can say is "baby it's good to me"  
  
 D A  
 One day he goes and takes a glimpse in the mirror  
 C G  
 But he doesn't recognize his own face  
 D A  
 His health is fading and he doesn't know why  
 C G  
 3 letters took him to his final resting place  
  
 Y'all don't hear me?  
  
 D A  
 Don't go chasing waterfalls  
 C  
 Please stick to the rivers

Come on, come on

D  
I seen a rainbow yesterday

A  
But too many storms have come and gone

C  
Leavin' a trace of not one God-given ray  
Is it because my life is ten shades of gray?

G  
I pray all ten fade away  
Seldom praise Him for the sunny days

D  
And like His promise is true

A  
Only my faith can undo  
The many chances I blew

C  
To bring my life to anew  
Clear blue and unconditional skies

G  
Have dried the tears from my eyes  
No more lonely cries

D  
My only bleedin' hope  
Is for the folk who can't cope

A  
With such an endurin' pain  
That it keeps 'em in the pourin' rain

C  
Who's to blame for tootin' 'caine into your own vein?

G  
What a shame you shoot and aim for someone else's brain

D  
You claim the insane and name this day in time

A

For fallin' prey to crime  
I say the system got you victim to your own mind  
C

Dreams are hopeless aspirations

## The Cure - Close To me

[Verse]

B  
I've waited hours for this  
  
I've made myself so sick  
    Abmin  
I wish I'd stayed  
    F#  
asleep today  
    B  
I never thought this day would end  
                    Abmin  
I never thought tonight could ever be  
    F#  
this close to me

[Verse 2]

B  
Just try to see in the dark  
  
just try to make it work  
    Abmin                    F#  
to feel the fear before you're here  
    B  
I make the shapes come much too close  
  
I pull my eyes out  
    Abmin                    F#  
hold my breath and wait until I shake...

[Bridge]

E  
But if I had your faith  
                    B  
then I could make it safe and clean  
    E  
If only I was sure

B

that my head on the door was a dream

[Instrumental]

(There's a part here with horns but the underliner is the B Abmin F# progression)

[Verse]

[Bridge]

E

But if I had your face

B

then I could make it safe and clean

E

B

if only I was sure that my head on the door was a dream

(Repeat B Abmin F# progression until you want it to end, unless, of course you want a trumpet like the recording.)

## Blink 182 - Adams Song

[verse]

C            F                    Am  
I never thought I'd die alone  
                 F                    C  
I laughed the loudest who'd have known?  
                 F                    Am  
I trace the cord back to the wall  
                 F                    C  
No wonder it was never plugged in at all  
                 F                    Am  
I took my time, I hurried up  
                 F                    C  
The choice was mine I didn't think enough  
                 F                    Am  
I'm too depressed to go on  
                 F                    C  
You'll be sorry when I'm gone

[chorus]

C            Dm                    Am  
I never conquered, rarely came  
                 F                    C  
16 just held such better days  
                 Dm                    Am  
Days when I still felt alive  
                 F                    C  
We couldn't wait to get outside  
                 Dm                    Am  
The world was wide, too late to try  
                 F                    C  
The tour was over we'd survived  
                 Dm                    Am  
I couldn't wait till I got home  
                 F                    C  
To pass the time in my room alone

[verse]

I never thought I'd die alone  
Another six months I'll be unknown  
Give all my things to all my friends  
You'll never step foot in my room again  
You'll close it off, board it up  
Remember the time that I spilled the cup  
Of apple juice in the hall  
Please tell mom this is not her fault

[chorus]

I never conquered, rarely came  
16 just held such better days  
Days when I still felt alive  
We couldn't wait to get outside  
The world was wide, too late to try  
The tour was over we'd survived  
I couldn't wait till I got home  
To pass the time in my room alone

[chorus]

I never conquered, rarely came  
tomorrow holds such better days  
Days when I can still feel alive  
When I can't wait to get outside  
The world is wide, the time goes by  
The tour is over, I've survived  
I can't wait till I get home  
To pass the time in my room alone

## Die Ärzte - Für Uns

[verse]

Wenn du dieses Lied hörst ist das ganze schon lang her

ich schrieb es nur für dich, auch für mich

den ich sicher irgendwann ganz genau wie dich verlier

[pre-chorus]

G a  
Vielleicht bringt das Lied mich mal zur Vernunft  
F G  
nichts auf dieser Welt geschieht ohne Grund  
G a  
Vielleicht ist das Lied mein Abschiedsgeschenk  
F G  
an das tollste Mädchen an das ich gerade denk

[chorus]

G a  
Vielleicht ist es für uns das Beste  
G a  
wenn wir uns ne Weile nicht sehen  
G a  
dein Anblick gibt mir noch den Rest denn  
F G  
du bist so wunderschön

Ich weiß du bist ehrlich und dass es nicht immer einfach war  
und für keinen von uns beiden das letzte Mal vollkommen klar  
doch ich hoff du weißt das vernünftig sein nicht einfach ist  
wie kann ich vernünftig sein wo ich dich doch total vermiss

Klar hab ich Angst davor dich wiederzusehn  
doch nichts wünsch ich mir mehr        wohoho

Vielleicht ist es für uns das Beste  
wenn wir uns ne Weile nicht sehen  
dein Anblick gibt mir noch den Rest denn  
du bist so wunderschön  
Vielleicht ist es für uns das Beste  
vielleicht ging es wirklich nicht mehr  
doch die Sehnsucht nach dir halt ich fest auch  
wenn es wehtut ich liebe dich noch viel zu sehr

Eigentlich weiss ich schon es ist vorbei  
doch ich mach mich nicht von der Hoffnung frei  
vielleicht bin ich auch nur ein Masochist  
das ändert nichts daran wie schön du bist

## Leonard Cohen - Field Commander Cohen

Field Commander Cohen, he was our most important spy.  
Wounded in the line of duty,  
parachuting acid into diplomatic cocktail parties,  
urging Fidel Castro to abandon fields and castles.  
Leave it all and like a man,  
come back to nothing special,  
such as waiting rooms and ticket lines,  
silver bullet suicides,  
and messianic ocean tides,  
and racial roller-coaster rides  
and other forms of boredom advertised as poetry.

# Depeche Mode - Blasphemous Rumours

[Verse 1 and 2]

F#m

Girl of sixteen whole life ahead of her,  
Slashed her wrists, bored with life.  
Didn't succeed, thank the Lord,

Bm            C#            F#m  
for small mercies.

F#m

Fighting back the tears, mother reads the note again,  
Sixteen candles burn in her mind.

She takes the blame, it's always the same,

Bm F#m  
she goes down on her knees and prays.

[Chorus]

D A/C#  
I don't want to start any blasphemous rumours, but I  
Bm7 D  
think that God's got a sick sense of humour, and  
E9sus4 D  
when I die, I expect to find Him laughing.

[End Chorus]

[Verses 3 and 4 same as 1 and 2. Words below.]

Girl of eighteen, fell in love with everything,  
Found new life in Jesus Christ.  
Hit by a car, ended up  
On a life support machine.

Summer's day, as she passed away,  
Birds were singing in the summer sky.

Then came the rain, and once again,  
a tear fell from her mother's eye.

[Chorus over and over again until fade]

You've been talking but believe me, if it's true, you do not know.  
This boy loves without a reason, I'm prepared to let you go.

[Chorus]

G        B7                    Em            G        B7                    Em  
Do you really want to hurt me, do you really want to make me cry?  
C            G                    Am            B  
Precious kisses words that burn me, lovers never ask you why.

[Bridge]

C                    D                    C            D  
If it's love, you want from me, then take it away.  
C                    D                    C            D  
Everything's not what you see, it's over again.

## Peter Tosh - Johnny B. Goode

Em D

Deep down in Jamaica close to Mandeville  
Back up in the woods on top of a hill  
There stood an old hut made of earth and wood  
Where lived a country boy named Johnny B Goode

He never learned to read and a write so well  
But he could play his guitar like ringing a bell yell

CHORUS

He used to carry his guitar in a gunny sack  
Sitting in a tree in the railroad track  
Old engineer in the train sitting in the shade  
Strummin' with the rhythm that them drivers made

People passing by would stop and say  
Oh my oh my what the boy can play

CHORUS

Mama said son you gotta be a man  
You gotta be the leader of a reggae band  
People coming in from miles around  
To hear you play until the sun goes down

Boy someday your name will be in the lights  
Saying Johnny B Goode tonight

Halleluja, der Turm stürzt ein.

Der Pepsodent von Ju-Es-Ah  
ist ein cooler Loser seiner Macht.  
Glänzend, doch schon rostzerfressen  
fliegt er durch den Wilden Westen.  
Ach, wo ist noch Platz für mich

Hörst du es flüstern im Land?  
Old Shatterhand und Nietzsche tot,

im Kaufhof klaut Gott sein Brot.  
Siehst du die Schrift an der Wand?

Refrain:

Russe in Beton und Stahl,  
müde alles Material.  
Hörst du das Flüstern im Land?  
Jesus kommt trotz Pillenknick,  
Flöte hat mit Faust gekickt.  
Die Postbeamten tragen schwarz,  
´ne Tonne Öl kost´ tausend Mark.  
Siehst du die Schrift an der Wand?

He who seeks of only vanity  
And no love for humanity  
Shall fade away, fade away

He who checks for only wealth  
And not for his physical health  
Shall fade away, fade away

Though some believe in diamonds and pearl  
And feel like they're on top of the world  
They shall fade away, hear what I say

The rich is getting richer every day  
And the little that the poor man got  
It shall be taken away  
Do you hear what I say? Yeah, hear what I say

The man who worships silver and gold  
Shall surely, surely, surely lose his own soul  
Then fade away

One who's always acting smart  
And don't carry no love in his heart

Shall fade away

God is here and there and everywhere  
And He knows when you play the game unfair  
So people beware, or else you fade away!  
Hey, beware! Or dare you fade away?  
You gotta fade, gotta fade, gotta fade now

Mußt' ich so alt werden, um dieses erleben zu dürfen,

Ah, ich muß erst mal 'ne Zigarette rauchen.  
Ja, steck' Dir eine an, mein Schatz - 's tut Dir gut.

## America - Horse With No Name

Em D6/9  
On the first part of the journey  
Em D6/9  
I was lookin at all the life  
Em D6/9  
There were plants and birds and rocks and things  
Em D6/9  
There were sand and hills and rings

Em D6/9  
The first thing I met was a fly with a buzz  
Em D6/9  
and the sky with no clouds  
Em D6/9  
the heat was hot and the ground was dry  
Em D6/9  
but the air was full of sound

Em9 Dmaj9  
I've been through the desert on a horse with no name  
Em9 Dmaj9  
it felt good to be out of the rain  
Em9 Dmaj9  
in the desert you can remember your name  
Em9 Dmaj9  
'cause there ain't no one for to give you no pain  
Em9 Dmaj9  
La la la la lala la lala  
Em9 Dmaj9  
la la la

Em D6/9  
After two days in the desert sun  
Em D6/9  
my skin began to turn red  
Em D6/9  
After three days in the desert fun

Em D6/9  
I was looking at a river bed  
Em D6/9  
And the story it told of a river that flowed  
Em D6/9  
made me sad to think it was dead

Em9 Dmaj9  
I've been through the desert on a horse with no name  
Em9 Dmaj9  
it felt good to be out of the rain  
Em9 Dmaj9  
in the desert you can remember your name  
Em9 Dmaj9  
'cause there ain't no one for to give you no pain  
Em9 Dmaj9  
la la la la lala la lala  
Em9 Dmaj9  
la la la

After nine days I let the horse run free  
'cause the desert had turned to sea  
there were plants and birds and rocks and things  
there were sand and hills and rings  
The ocean is a desert with it's life underground  
and the perfect disguise above  
Under the cities lies a heart made of ground  
but the humans will give no love

I've been through the desert on a horse with no name  
it felt good to be out of the rain  
in the desert you can remember your name  
'cause there ain't no one for to give you no pain  
la la la la lala la lala

## Johnny Cash - Man In Black

G G G G

G G  
Well, you wonder why I always dress in black,  
G A  
Why you never see bright colors on my back,  
C G C G  
And why does my appearance seem to have a somber tone.  
A7 D7  
Well, there's a reason for the things that I have on.

G G  
I wear the black for the poor and the beaten down,  
G A  
Livin' in the hopeless, hungry side of town,  
C G C G  
I wear it for the prisoner who has long paid for his crime,  
A7 D7  
But is there because he's a victim of the times.

G G  
I wear the black for those who never read,  
G A  
Or listened to the words that Jesus said,  
C G C G  
About the road to happiness through love and charity,  
A7 D7  
Why, you'd think He's talking straight to you and me.

G G  
Well, we're doin' mighty fine, I do suppose,  
G A  
In our streak of lightnin' cars and fancy clothes,  
C G C G  
But just so we're reminded of the ones who are held back,  
A7 D7  
Up front there ought 'a be a Man In Black.

G G  
I wear it for the sick and lonely old,  
G A  
For the reckless ones whose bad trip left them cold,  
C G C G  
I wear the black in mournin' for the lives that could have been,  
A7 D7  
Each week we lose a hundred fine young men.

G G  
And, I wear it for the thousands who have died,  
G A  
Believen' that the Lord is on their side,  
C G C G  
I wear it for another hundred thousand who have died,  
A7 D7  
Believen' that we all were on their side.

G G  
Well, there's things that never will be right I know,  
G A  
And things need changin' everywhere you go,  
C G C G  
But 'til we start to make a move to make a few things right,  
A7 D7  
You'll never see me wear a suit of white.

G G  
Oh, I'd love to wear a rainbow every day,  
G A  
And tell the world that everything's ok,  
C G C G  
But I'll try to carry off a little darkness on my back,  
A7 D7  
Till things are brighter, I'm the Man In Black

G                                  D                                  Em

C D G

[Verse]

Some are like water, some are like the heat  
Some are a melody and some are the beat  
Sooner or later they all will be gone  
Why don't they stay young?

It's so hard to get old without a cause  
I don't want to perish like a fading horse  
Years like diamonds in the sun  
And diamonds are forever

## Leonard Cohen - Story Of Isaac

[Intro]

Am

[Verses]

Am F  
The door it opened slowly,  
Am F  
my father he came in,  
G F E  
I was nine years old.  
Am F  
And he stood so tall above me,  
Am F  
his blue eyes they were shining  
G F E  
and his voice was very cold.  
C  
He said, "I've had a vision  
  
and you know I'm strong and holy,  
D C B  
I must do what I've been told."  
F Bb  
So he started up the mountain,  
F Bb  
I was running, he was walking,  
F G A Am  
and his axe was made of gold.  
  
Am F  
Well, the trees they got much smaller,  
Am F  
the lake a lady's mirror,  
G F E

we stopped to drink some wine.

Am F

Then he threw the bottle over,

Am F

broke a minute later

G F E

and he put his hand on mine.

C

Thought I saw an eagle

but it might have been a vulture,

D C B

I never could decide.

F Bb

Then my father built an altar,

F Bb

he looked once behind his shoulder,

F G A Am

he knew I would not hide.

Am F

You who build the altars now

Am F

to sacrifice these children,

G F E

you must not do it anymore.

Am F

A scheme is not a vision

Am F

and you never have been tempted

G F E

by a demon or a god.

C

You who stand above them now,

your hatchets blunt and bloody,

D C B

you were not there before,

F Bb

when I lay upon a mountain

F Bb  
and my father's hand was trembling  
F G A Am  
with the beauty of the word.

Am F  
And if you call me brother now,  
Am F  
forgive me if I inquire,

G F E  
"Just according to whose plan?"  
Am F  
When it all comes down to dust  
Am F

I will kill you if I must,  
G F E  
I will help you if I can.  
C  
When it all comes down to dust

I will help you if I must,  
D C B  
I will kill you if I can.

F Bb  
And mercy on our uniform,  
F Bb  
man of peace or man of war,  
F G A Am  
the peacock spreads his fan.

## Alphaville - Summer in Berlin

[Intro]

2 x Gm Dm F C

4 x D A

Gm Dm  
This day's an invitation  
F C  
And it's just for you  
Gm Dm  
You've got a reservation  
F C  
For the 17th of June  
D A  
Open your eyes  
D A  
And let the sun break in for a while  
D A  
There may be something  
D A  
That you've never seen inside

Feel how your heart beats  
Like a heavy machine  
The sound of the traffic  
Is like a silent dream  
The dust in the park  
The exhaust from the cars  
Ascends in that heated afternoon  
You touch a sweaty body!

Gm Dm F C  
Summer in Berlin, it's alright, (it's alright)  
Gm Dm  
The day feels so tired  
F  
From the lead in the air

C  
And the fire in the skies  
Gm                  Dm                  F  
Life seemed to be a fault of grace  
                  C  
But it's ok  
                  Gm  
To gave you a kiss  
          Dm                  F          C  
In the middle of the crossroads

You touch a sweaty body!

Summer in Berlin, it's alright  
The heat of the sun  
Which is stored in the pavement  
Feels so fine  
Here stands the innocent  
and there it comes oh so wild  
That's when you're longing  
For a summer by the wall

Summer in Berlin, it's alright

There's something wrong with you  
Tell me  
Baby are your troubles dead?  
You look back  
You should be glad  
Don't be mad  
I must be glad  
And sit down  
And let me kiss your lovely mouth

F Bb  
Didn't I do it baby?  
Didn't I do right?  
Why you wanna leave me baby?  
They say I didn't treat you right

Bb Am Gm (cut time)  
So much to mean to me  
That you don't know  
Talk to me  
What it is  
That you've done  
To make me
