Johnny Cash - Ghost Riders In The Sky

Am C
An old cowboy went riding out one dark and windy day
Am C
Upon a ridge he rested as he went along his way
Am
When all at once a mighty herd of red eyed cows he saw
F Dm Am
A-plowing through the ragged sky and up the cloudy draw

Am C
Their brands were still on fire and their hooves were made of steel
Am C
Their horns were black and shiny and their hot breath he could feel
Am
A bolt of fear went through him as they thundered through the sky
F Dm Am
For he saw the Riders coming hard and he heard their mournful cry

Am C
Yippie yi Ohhhhh
C Am
Yippie yi yaaaaay
F Dm Am
Ghost Riders in the sky

Am C
Their faces gaunt, their eyes were blurred, their shirts all
soaked with sweat
Am C
He's riding hard to catch that herd, but he ain't caught 'em yet
Am
'Cause they've got to ride forever on that range up in the sky
F
On horses snorting fire
Dm Am
As they ride on hear their cry

Am C
As the riders loped on by him he heard one call his name
Am C
If you want to save your soul from Hell a-riding on our range
Am

Then cowboy change your ways today or with us you will ride
F Dm Am
Trying to catch the Devil's herd, across these endless skies

Am C
Yippie yi Ohhhhh
C Am
Yippie yi Yaaaaay

Kim Carnes - Bette Davis Eyes

[Intro]

F Am G x4

[Verse 1]

Her hair is Harlowe gold, her lips a sweet surprise
 Her hands are never cold, she's got Bette Davis eyes
 She'll turn the music on you
 You won't have to think twice
 She's pure as New York snow, she's got Bette Davis eyes

[Chorus 1]

And she'll tease you, she'll unease you,
 All the better just to please you,
 She's precocious, and she knows just what it takes
 to make a pro blush
 She's got Greta Garbo's standoff sighs
 She's got Bette Davis eyes

[Verse 2]

She'll let you take her home, you whet her appetite
 She'll lay you on her throne, she's got Bette Davis eyes
 She'll take a tumble on you
 Roll you like you were dice,
 Until you come up blue, she's got Bette Davis eyes

[Chorus 2]

She'll expose you, when she snows you

Off your feet with the crumbs she throws you

Peter Tosh - Johnny B. Goode

Em D

Deep down in Jamaica close to Mandeville
Back up in the woods on top of a hill
There stood an old hut made of earth and wood
Where lived a country boy named Johnny B Goode

He never learned to read and a write so well
But he could play his guitar like ringing a bell yell

CHORUS

He used to carry his guitar in a gunny sack
Sitting in a tree in the railroad track
Old engineer in the train sitting in the shade
Strummin' with the rhythm that them drivers made

People passing by would stop and say
Oh my oh my what the boy can play

CHORUS

Mama said son you gotta be a man
You gotta be the leader of a reggae band
People coming in from miles around
To hear you play until the sun goes down

Boy someday your name will be in the lights
Saying Johnny B Goode tonight

He who seeks of only vanity
And no love for humanity
Shall fade away, fade away

He who checks for only wealth
And not for his physical health
Shall fade away, fade away

Though some believe in diamonds and pearl
And feel like they're on top of the world
They shall fade away, hear what I say

The rich is getting richer every day
And the little that the poor man got
It shall be taken away
Do you hear what I say? Yeah, hear what I say

The man who worships silver and gold
Shall surely, surely lose his own soul
Then fade away

One who's always acting smart
And don't carry no love in his heart
Shall fade away

God is here and there and everywhere
And He knows when you play the game unfair
So people beware, or else you fade away!

Hey, beware! Or dare you fade away?
You gotta fade, gotta fade, gotta fade now

The Night lyrics

So many things we have

why don't you stay with me tonight?

I'm trying to discover you

together again for all the night.

There's something going on right now

feelin' happy

feel the moon.

Let's get closer

baby

'cause we're dance and dance.

All my friends are talking to me

what's this love I see.

I know you can make it right. I'm still waiting now

Waiting for the love I need.

If you want me too there's something don't understand.

I don't know.

So many things we have

why don't you stay with me tonight? . . .

To the lake, the ancient lake, baby

The snake is long, seven miles

Ride the snake...he's old, and his skin is cold

He took a face from the ancient gallery

And he walked on down the hall

He went into the room where his sister lived, and...then he

Paid a visit to his brother, and then he

He walked on down the hall, and

And he came to a door...and he looked inside

Father, yes son, I want to kill you

Mother...I want to...fuck you

[verse]

Bei Finsterwalde sagt man
Leben noch Freunde, die halten aus
Die sagen, sie bleiben dabei
Trotz Finsterwalde haben sie Träume
Hell wie der Himmel, dort selten ist
Hinter dem Feld, nach dem Spiel
Gehört der Abend den Gardinen
Und der Wald schweigt sich aus
Und dann ist irgendwann Ruhe

[chorus]

Und wenn alles wieder schiefgeht
Geht die Sonne trotzdem auf
Auf dem brachgelegten Acker
Wo die Krähen Urlaub machen

[verse]

Was ist die Großstadt gegen die Freunde?
Bei Finsterwalde leben noch drei
Halten sich wacker auf dem Parkplatz
Und sehen den Autos Richtung Süden nach

[chorus]

Und wenn alles wieder schiefgeht
Geht die Sonne trotzdem auf
Auf dem brachgelegten Acker
Wo die Krähen Urlaub machen

Rockwell - Somebody's Watching Me

[Intro]

C#m, A B (x8)

[Verse 1]

C#m F#m/A
I'm just an average man, with an average life,
C#m A B
I work from nine to five, hey, hell, I pay the price.
C#m F#m/A
But all I want is to be left alone, in my average home,
C#m A B
But why do I always feel, like I'm in the Twilight Zone?

[Chorus 1:]

C#m F#m/A C#m
I always feel like, somebody's watchin' me,
A A/B
And I have no privacy.
C#m F#m/A C#m
I always feel like, somebody's watchin' me,
A B
Tell me; is it just a dream?

[Verse 2:]

C#m F#m/A
When I come home at night,
C#m A B
I bolt the door real tight.
C#m A B
People call me on the phone, I'm trying to a-void,
C#m A B
Well, can the people on TV see me, or am I just para-noid?

C#m F#m/A
When I'm in the shower, I'm a-fraid to wash my hair,

C#m A B
 'Cos I might open my eyes and find someone standing there.
 C#m F#m/A
 People say I'm crazy; just a little touched,
 C#m A B
 But maybe showers remind me of Psycho too much, that's why;

[Chorus 2:]

C#m F#m/A C#m
 I always feel like, somebody's watchin' me,
 A A/B
 And I have no privacy.
 C#m F#m/A C#m
 I always feel like, somebody's watchin' me,
 A B
 Who's playing tricks on me?

[Interlude:]

C#m, A B (x4)

[Break:]

C#m C#sus C#m A
 C#m C#sus C#m A B
 C#m B
 I don't know any more; are the neighbours watching me?
 C#m A B
 Well, is the mailman watching me?
 C#m F#m/A
 And I don't feel safe any more, oh, what a mess!
 C#m A A/B
 I wonder who's watching me now? Who? The IR-S?

[Chorus 3:]

C#m F#m/A C#m
 I always feel like, somebody's watchin' me,

A A/B
And I have no privacy.
C#m F#m/A C#m
 I always feel like, somebody's watchin' me,
 A B
Tell me; is it just a dream?

[Chorus 4:]

C#m F#m/A C#m
 I always feel like, somebody's watchin' me,
 A A/B
And I have no privacy.
C#m F#m/A C#m
 I always feel like, somebody's watchin' me,

Erobique - Wann Strahlst Du?

[verse]

Am D
Ich liebe die Träumer, die Aufbruchsgeister,
G F#m Em D
die überall Samen erkennen,
C Bm Am
die Fehlschläge nicht zu ernst nehmen
G6 D
und immer das Gute benennen.

Nicht die, die die Zukunft auswendig kennen,
Begeisterung als Naivität anschauen
und dir ihre altbekannten Ängste
als Ratschläge verpackt um die Ohren hauen.

[chorus]

Ich schulde dem Leben das Leuchten in meinen Augen.
Am D
Wann strahlst du?
Bm Em
Ich schulde dem Leben das Leuchten in meinen Augen.
C D E
Wann strahlst du?

[verse]

Ich liebe die, die jeden Einfall ausprobieren,
der Erfahrung ein Schnippchen schlagen,
zwischen Misserfolgen heil hindurchschlängeln
und deren Augen leuchten, wenn sie fragen.

Nicht die, die denken: es lohnt sich doch nicht,
die alles schon immer gewusst haben,
die sagen: wozu? es macht doch keinen Unterschied,
und ihre Neugier mit Erfahrungen begraben.

[chorus]

Ich schulde dem Leben das Leuchten in meinen Augen.
Wann strahlst du?
Ich schulde dem Leben das Leuchten in meinen Augen.
Wann strahlst du?

Leonard Cohen - Avalanche

[Intro]

Em

[Verse 1]

Em C/G Em

I stepped into an avalanche,

D/F# Em

it covered up my soul;

C/G

When I am not this hunchback that you see,

Em D/F# Em

I sleep beneath a golden hill.

G D/F#

You who wish to conquer pain,

Em C/G B7/F#

you must learn, learn to serve me well.

[Verse 2]

You strike my side by accident

As you go down for your gold.

The cripple here that you clothe and feed

Is neither starved nor cold;

He does not ask for your company,

Not at the centre, the centre of the world.

[Verse 3]

When I am on a pedestal,

You did not raise me there.

Your laws do not compel me

To kneel grotesque and bare.

I myself am the pedestal

For this ugly hump at which you stare.

[Verse 4]

ou who wish to conquer pain,

You must learn what makes me kind;

The crumbs of love that you offer me,

They're the crumbs I've left behind.

Your pain is no credential here,

It's just the shadow, shadow of my wound.

[Verse 5]

I have begun to long for you,
I who have no greed;
I have begun to ask for you,
I who have no need.
You say you've gone away from me,
But I can feel you when you breathe.

[Verse 6]

Do not dress in those rags for me,
I know you are not poor;
And don't love me quite so fiercely now
When you know that you are not sure,
It is your turn, beloved,
And it is your flesh that I wear.

Elton John - Your Song

[Intro]

D G A G

[Verse]

D G A F#m
It's a little bit funny, this feeling inside
Bm Bm/A Bm/Ab G
I'm not one of those who can easily hide
D A F# Bm
I don't have much money, but, boy if I did
D Em7 G A
I'd buy a big house where we both could live

I know it's not much but it's the best I can do

My gift is my song, and this one's for you

[Chorus]

And you can tell everybody this is your song

It may be quite simple but now that it's done

How wonderful life is while you're in the world

Wu Tang Clan - C.R.E.A.M.

[Intro]

Em C
 Cash rules everything around me, C.R.E.A.M.
 D G D
 Get the money, dollar dollar bill, y'all

[Verse 1: Raekwon]

Em C D
 I grew up on the crime side, the New York Times side
 G D
 Stayin' alive was no jive
 Em C
 Had secondhands, Mom's bounced on old man
 D G D
 So then we moved to Shaolin land
 Em C
 A young youth, yo, rockin' the gold tooth, 'Lo goose
 D G D
 Only way I be gettin' the G off was drug loot
 Em C
 And let's start it like this, son
 D
 Rollin' with this one and that one
 G D
 Pullin' out gats for fun
 Em C D
 But it was just a dream for the teen who was a fiend
 G D
 Started smokin' woolas at 16
 Em C D
 And runnin' up in gates, doin' hits for high stakes
 G D
 Makin' my way on fire escapes
 Em C
 No question I would speed for cracks and weed
 D G D
 The combination made my eyes bleed
 Em C D
 No question I would flow off and try to get the dough all
 G D

Stickin' up white boys in ball courts
Em C D
My life got no better, same damn 'Lo sweater
G D
Times is rough and tough like leather
Em C
Figured out I went the wrong route
D G D
So I got with a sick-ass clique and went all out
Em C
Catchin' keys from 'cross seas
D G D
Rollin' in MPV's, every week we made forty G's
Em C D
Yo, people, respect mine, or here go the TEC-9
G D
Ch-chick-POW! Move from the gate now!

[Hook: Method Man]

Em C
Cash rules everything around me
D
C.R.E.A.M., get the money
G D
Dollar dollar bill, y'all
Em C
Cash rules everything around me
D
C.R.E.A.M., get the money
G D
Dollar dollar bill, y'all

[Verse 2: Inspectah Deck]

Em C
It's been twenty-two long hard years, I'm still strugglin'
D G D Em
Survival got me buggin', but I'm alive on arrival
C
I peep at the shape of the streets
D G D
And stay awake to the ways of the world 'cause shit is deep
Em C
A man with a dream with plans to make cream
D G D Em

Which failed; I went to jail at the age of fifteen
 Em C D
 A young buck sellin' drugs and such, who never had much
 G D
 Tryin' to get a clutch at what I could not
 Em C
 The court played me short, now I face incarceration
 D G D
 Pacin', goin' upstate's my destination
 Em C
 Handcuffed in the back of a bus, forty of us
 D G D
 Life as a shorty shouldn't be so rough
 Em C
 But as the world turned I learned life is hell
 D G D
 Livin' in the world no different from a cell
 Em C
 Every day I escape from Jakes givin' chase
 D G D
 Sellin' base, smokin' bones in the staircase
 Em C
 Though I don't know why I chose to smoke sess
 D G D
 I guess that's the time when I'm not depressed
 Em C
 But I'm still depressed, and I ask: what's it worth?
 D G D
 Ready to give up so I seek the old Earth
 Em C
 Who explained workin' hard may help you maintain
 D G D
 To learn to overcome the heartaches and pain
 Em C
 We got stick-up kids, corrupt cops, and crack rocks
 D G D
 And stray shots, all on the block that stays hot
 Em C
 Leave it up to me while I be livin' proof
 D G D
 To kick the truth to the young black youth
 Em C
 But shorty's runnin' wild, smokin' sess, drinkin' beer
 D G D

And ain't tryin' to hear what I'm kickin' in his ear

Em C D

Neglected for now, but yo, it gots to be accepted

G D

That what? That life is hectic

But even then I knew I'd find a much better place,

either with or without you.

F G
The five years we have had, had been such good times,

F G
I still love you.

But now I think its time I live my life on my own,

I guess it's just what I must do

Blink 182 - Adams Song

[verse]

C F Am
 I never thought I'd die alone
 F C
 I laughed the loudest who'd have known?
 F Am
 I trace the cord back to the wall
 F C
 No wonder it was never plugged in at all
 F Am
 I took my time, I hurried up
 F C
 The choice was mine I didn't think enough
 F Am
 I'm too depressed to go on
 F C
 You'll be sorry when I'm gone

[chorus]

C Dm Am
 I never conquered, rarely came
 F C
 16 just held such better days
 Dm Am
 Days when I still felt alive
 F C
 We couldn't wait to get outside
 Dm Am
 The world was wide, too late to try
 F C
 The tour was over we'd survived
 Dm Am
 I couldn't wait till I got home
 F C
 To pass the time in my room alone

[verse]

I never thought I'd die alone
 Another six months I'll be unknown
 Give all my things to all my friends

You'll never step foot in my room again
You'll close it off, board it up
Remember the time that I spilled the cup
Of apple juice in the hall
Please tell mom this is not her fault

[chorus]

I never conquered, rarely came
16 just held such better days
Days when I still felt alive
We couldn't wait to get outside
The world was wide, too late to try
The tour was over we'd survived
I couldn't wait till I got home
To pass the time in my room alone

[chorus]

I never conquered, rarely came
tomorrow holds such better days
Days when I can still feel alive
When I can't wait to get outside
The world is wide, the time goes by
The tour is over, I've survived
I can't wait till I get home
To pass the time in my room alone

But me and my old lady

So I wrote to the paper,
took out a personal ad
And though I'm nobody's poet,
I thought it wasn't half bad.

Yes, I like piña coladas
and getting caught in the rain
I'm not much into health food,
I am into champagne

I've got to meet you by tomorrow noon
and cut through all this red tape
At a bar called O'Malley's
where we'll plan our escape.

Johnny Cash - Man In Black

G G G G

G G
Well, you wonder why I always dress in black,
G A
Why you never see bright colors on my back,
C G C G
And why does my appearance seem to have a somber tone.
A7 D7
Well, there's a reason for the things that I have on.

G G
I wear the black for the poor and the beaten down,
G A
Livin' in the hopeless, hungry side of town,
C G C G
I wear it for the prisoner who has long paid for his crime,
A7 D7
But is there because he's a victim of the times.

G G
I wear the black for those who never read,
G A
Or listened to the words that Jesus said,
C G C G
About the road to happiness through love and charity,
A7 D7
Why, you'd think He's talking straight to you and me.

G G
Well, we're doin' mighty fine, I do suppose,
G A
In our streak of lightnin' cars and fancy clothes,
C G C G
But just so we're reminded of the ones who are held back,
A7 D7
Up front there ought 'a be a Man In Black.

G G
I wear it for the sick and lonely old,
G A
For the reckless ones whose bad trip left them cold,

C G C G
I wear the black in mournin' for the lives that could have been,
A7 D7
Each week we lose a hundred fine young men.

G G
And, I wear it for the thousands who have died,
G A
Believen' that the Lord is on their side,
C G C G
I wear it for another hundred thousand who have died,
A7 D7
Believen' that we all were on their side.

G G
Well, there's things that never will be right I know,
G A
And things need changin' everywhere you go,
C G C G
But 'til we start to make a move to make a few things right,
A7 D7
You'll never see me wear a suit of white.

G G
Oh, I'd love to wear a rainbow every day,
G A
And tell the world that everything's ok,
C G C G
But I'll try to carry off a little darkness on my back,
A7 D7
Till things are brighter, I'm the Man In Black

[Verse]

And Jesus was a sailor when he walked upon the water

And he spent a long time watching from his lonely wooden tower

And when he knew for certain only drowning men could see him

He said: "All men will be sailors then until the sea shall free them"

But he himself was broken long before the sky would open

Forsaken, almost human, he sank beneath your wisdom

Like a stone

[Chorus]

And you want to travel with him, and you want to travel blind

And you think maybe you'll trust him for he's touched your perfect body

With his mind

[Verse]

Now Suzanne takes your hand, and she leads you to the river

She is wearing rags and feathers from the Salvation Army counter

And the sun pours down like honey on Our Lady of the Harbour

And she shows you where to look among the garbage and the flowers
There are heroes in the seaweed, there are children in the morning
They are leaning out for love, and they will lean that way forever
While Suzanne holds the mirror

[Chorus]

And you want to travel with her, and you want to travel blind
And you know that you can trust her for she's touched your perfect body
With her mind

Leonard Cohen - Story Of Isaac

[intro]

Am

[verse]

Am F

The door it opened slowly,

Am F

my father he came in,

G F E

I was nine years old.

Am F

And he stood so tall above me,

Am F

his blue eyes they were shining

G F E

and his voice was very cold.

C

He said, "I've had a vision

and you know I'm strong and holy,

D C B

I must do what I've been told."

F Bb

So he started up the mountain,

F Bb

I was running, he was walking,

F G A Am

and his axe was made of gold.

[verse]

Well, the trees they got much smaller,

the lake a lady's mirror,

we stopped to drink some wine.

Then he threw the bottle over,

broke a minute later

and he put his hand on mine.

Thought I saw an eagle

but it might have been a vulture,

I never could decide.

Then my father built an altar,

he looked once behind his shoulder,

he knew I would not hide.

[verse]

You who build the altars now
to sacrifice these children,
you must not do it anymore.
A scheme is not a vision
and you never have been tempted
by a demon or a god.
You who stand above them now,
your hatchets blunt and bloody,
you were not there before,
when I lay upon a mountain
and my father's hand was trembling
with the beauty of the word.

[verse]

And if you call me brother now,
forgive me if I inquire,
"Just according to whose plan?"
When it all comes down to dust
I will kill you if I must,
I will help you if I can.
When it all comes down to dust
I will help you if I must,
I will kill you if I can.
And mercy on our uniform,
man of peace or man of war,
the peacock spreads his fan.

Fugees - Ready Or Not

 Now that I escape, sleepwalker awake
 F#
 Those who could relate know the world ain't cake
 G
 Jail bars ain't golden gates
 D
 Those who fake, they break,
 F#
 When they meet their 400 pound mate

Bm
 If I could rule the world.....

Ready or not, here I come, you can't hide
 Gonna find you and take it slowly
 Ready or not, here I come, you can't hide
 Gonna find you and make you want me

Now that I escape, sleepwalker awake
 Those who could relate know the world ain't cake
 Jail bars ain't golden gates
 Those who fake, they break
 When they meet their 400-pound mate
 If I could rule the world
 Everyone would have a gun in the ghetto of course
 When giddyuping on their horse
 I kick a rhyme drinking moonshine
 I pour a sip on the concrete, for the deceased
 But no don't weep, Wyclef's in a state of sleep
 Thinking bout the robbery that I did last week
 Money in the bag, banker looked like a drag
 I want to play with pelicans from here to Baghdad
 Gun blast, think fast, I think I'm hit
 My girl pinched my hips to see if I still exist
 I think not, I'll send a letter to my friends
 A Born Again hooligan only to be king again

Ready or not, here I come, you can't hide
Gonna find you and take it slowly
Ready or not, here I come, you can't hide
Gonna find you and make you want me

I play my enemies like a game of chess, where I rest
No stress, if you don't smoke sess, lest
I must confess, my destiny's manifest
In some Goretex and sweats I make treks like I'm homeless
Rap orgies with Porgy and Bess
Capture your bounty like Elliot Ness, yes
Bless you if you represent the Fu
But I'll hex you with some witch's brew
If you're doo-doo, voodoo
I can do what you do, easy, believe me
Fronting niggas give me hee-bee-gee-bees
So while you're imitating Al Capone, I'll be Nina Simone
And defecating on your microphone

Ready or not, here I come, you can't hide
Gonna find you and take it slowly

You can't run away
From these styles I got, oh baby, hey baby
Cause I got a lot, oh yeah
And anywhere you go
My whole crew's gonna know baby, hey baby
You can't hide from the block, oh no
Ready or not, refugees taking over
The Buffalo Soldier, dreadlock Rasta
On the twelfth hour, fly by in my bomber
Crews run for cover, now they're under pushing up flowers
Superfly true lies, do or die
Toss me high ? only puff la
With my crew from lock high
I refugee from Guantanamo Bay
Dance around the border like I'm Cassius Clay

America - Horse With No Name

Em D6/9
On the first part of the journey
Em D6/9
I was lookin at all the life
Em D6/9
There were plants and birds and rocks and things
Em D6/9
There were sand and hills and rings

Em D6/9
The first thing I met was a fly with a buzz
Em D6/9
and the sky with no clouds
Em D6/9
the heat was hot and the ground was dry
Em D6/9
but the air was full of sound

Em9 Dmaj9
I've been through the desert on a horse with no name
Em9 Dmaj9
it felt good to be out of the rain
Em9 Dmaj9
in the desert you can remember your name
Em9 Dmaj9
'cause there ain't no one for to give you no pain
Em9 Dmaj9
La la la la lala la lala
Em9 Dmaj9
la la la

Em D6/9
After two days in the desert sun
Em D6/9
my skin began to turn red
Em D6/9
After three days in the desert fun
Em D6/9
I was looking at a river bed
Em D6/9
And the story it told of a river that flowed
Em D6/9

made me sad to think it was dead

Em9 Dmaj9
I've been through the desert on a horse with no name
Em9 Dmaj9
it felt good to be out of the rain
Em9 Dmaj9
in the desert you can remember your name
Em9 Dmaj9
'cause there ain't no one for to give you no pain
Em9 Dmaj9
la la la la lala la lala
Em9 Dmaj9
la la la

After nine days I let the horse run free
'cause the desert had turned to sea
there were plants and birds and rocks and things
there were sand and hills and rings
The ocean is a desert with it's life underground
and the perfect disguise above
Under the cities lies a heart made of ground
but the humans will give no love

I've been through the desert on a horse with no name
it felt good to be out of the rain
in the desert you can remember your name
'cause there ain't no one for to give you no pain
la la la la lala la lala

 Sitting in the sandpit, life is a short trip

 Praising our leaders, we're getting in tune

 The music's played by the madman

[Verse]

Some are like water, some are like the heat
Some are a melody and some are the beat
Sooner or later they all will be gone
Why don't they stay young?

It's so hard to get old without a cause
I don't want to perish like a fading horse
Years like diamonds in the sun
And diamonds are forever

You help me to forget to play my role
You take my self, you take my self control

I must believe in something, so I'll make myself believe it

One more Radar Love gone!

then I know how much you want me, that
you can't hide

Alphaville - Summer in Berlin

[Intro]

2 x Gm Dm F C

4 x D A

Gm Dm

This day's an invitation

F C

And it's just for you

Gm Dm

You've got a reservation

F C

For the 17th of June

D A

Open your eyes

D

A

And let the sun break in for a while

D A

There may be something

D

A

That you've never seen inside

Feel how your heart beats

Like a heavy machine

The sound of the traffic

Is like a silent dream

The dust in the park

The exhaust from the cars

Ascends in that heated afternoon

You touch a sweaty body!

Gm Dm F C

Summer in Berlin, it's alright, (it's alright)

Gm Dm

The day feels so tired

F

From the lead in the air

C

And the fire in the skies

Gm Dm F

Life seemed to be a fault of grace

C

But it's ok

Gm

To gave you a kiss

Dm

F

C

In the middle of the crossroads

[Solo]

2 x Gm Dm F C

4 x D A

Feel how your heart beats

Like a heavy machine

The sound of the traffic

Is like a silent dream

The dust in the park

The exhaust from the cars

Ascends in that heated afternoon

You touch a sweaty body!

Summer in Berlin, it's alright

The heat of the sun

Which is stored in the pavement

Feels so fine

Here stands the innocent

and there it comes oh so wild

That's when you're longing

For a summer by the wall

Summer in Berlin, it's alright

Summer in Berlin, it's ok

Lionel Richie - All Night Long

People dancing, all in the streets,
See the rhythm flow, in their feet.
Life is cool, wild and sweet;
let the music play on.
Feel it in your heart and feel it in your soul;
Let the music take control.

Were going to; party, Niming,
Fiesta, forever;
Come on and sing my song.
