## Johnny Cash - Ghost Riders In The Sky

Am C  
An old cowboy went riding out one dark and windy day  
Am C  
Upon a ridge he rested as he went along his way  
Am  
When all at once a mighty herd of red eyed cows he saw  
F Dm Am  
A-plowing through the ragged sky and up the cloudy draw  
  
Am C  
Their brands were still on fire and their hooves were made of steel  
Am C  
Their horns were black and shiny and their hot breath he could feel  
Am  
A bolt of fear went through him as they thundered through the sky  
F Dm Am  
For he saw the Riders coming hard and he heard their mournful cry  
  
Am C  
Yippie yi Ohhhhh  
C Am  
Yippie yi yaaaaay  
F Dm Am  
Ghost Riders in the sky  
  
Am C  
Their faces gaunt, their eyes were blurred, their shirts all  
soaked with sweat  
Am C  
He's riding hard to catch that herd, but he ain't caught 'em yet  
Am  
'Cause they've got to ride forever on that range up in the sky  
F  
On horses snorting fire  
Dm Am  
As they ride on hear their cry  
  
Am C  
As the riders loped on by him he heard one call his name  
Am C  
If you want to save your soul from Hell a-riding on our range  
Am  
Then cowboy change your ways today or with us you will ride  
F Dm Am

Trying to catch the Devil's herd, across these endless skies

Yippie yi Ohhhhh

Yippie yi Yaaaaay

[Verse 1]

Her hair is Harlowe gold, her lips a sweet surprise  
 Her hands are never cold, she's got Bette Davis eyes  
 She'll turn the music on you  
 You won't have to think twice  
 She's pure as New York snow, she's got Bette Davis eyes

[Chorus 1]

And she'll tease you, she'll unease you,  
 All the better just to please you,  
 She's precocious, and she knows just what it takes  
 to make a pro blush  
 She's got Greta Garbo's standoff sighs  
 She's got Bette Davis eyes

[Verse 2]

She'll let you take her home, you whet her appetite  
 She'll lay you on her throne, she's got Bette Davis eyes  
 She'll take a tumble on you  
 Roll you like you were dice,  
 Until you come up blue, she's got Bette Davis eyes

## Peter Tosh - Johnny B. Goode

Em D

Deep down in Jamaica close to Mandeville  
Back up in the woods on top of a hill  
There stood an old hut made of earth and wood  
Where lived a country boy named Johnny B Goode

He never learned to read and a write so well  
But he could play his guitar like ringing a bell yell

### CHORUS

He used to carry his guitar in a gunny sack  
Sitting in a tree in the railroad track  
Old engineer in the train sitting in the shade  
Strummin' with the rhythm that them drivers made

People passing by would stop and say  
Oh my oh my what the boy can play

### CHORUS

Mama said son you gotta be a man  
You gotta be the leader of a reggae band  
People coming in from miles around  
To hear you play until the sun goes down

Boy someday your name will be in the lights  
Saying Johnny B Goode tonight

He who seeks of only vanity  
And no love for humanity  
Shall fade away, fade away

He who checks for only wealth  
And not for his physical health  
Shall fade away, fade away

Though some believe in diamonds and pearl  
And feel like they're on top of the world  
They shall fade away, hear what I say

The rich is getting richer every day  
And the little that the poor man got  
It shall be taken away  
Do you hear what I say? Yeah, hear what I say

The man who worships silver and gold  
Shall surely, surely, surely lose his own soul  
Then fade away

One who's always acting smart  
And don't carry no love in his heart  
Shall fade away

God is here and there and everywhere  
And He knows when you play the game unfair  
So people beware, or else you fade away!  
Hey, beware! Or dare you fade away?  
You gotta fade, gotta fade, gotta fade now

The Night lyrics

So many things we have

why don't you stay with me tonight?

I'm trying to discover you

together again for all the night.

There's something going on right now

feelin' happy

feel the moon.

Let's get closer

baby

'cause we're dance and dance.

All my friends are talking to me

what's this love I see.

I know you can make it right. I'm still waiting now

Waiting for the love I need.

If you want me too there's something don't understand.

I don't know.

So many things we have

why don't you stay with me tonight? . . .

There's danger on the edge of town

Ride the kings highway, baby

Weird scenes inside the gold mine

Ride the highway west, baby

Ride the snake, ride the snake

To the lake, the ancient lake, baby

The snake is long, seven miles

Ride the snake...he's old, and his skin is cold

The killer awoke before dawn, he put his boots on

He took a face from the ancient gallery

And he walked on down the hall

He went into the room where his sister lived, and...then he

Paid a visit to his brother, and then he

He walked on down the hall, and

And he came to a door...and he looked inside

Father, yes son, I want to kill you

Mother...I want to...fuck you

[verse]

Bei Finsterwalde sagt man

Leben noch Freunde, die halten aus

Die sagen, sie bleiben dabei

Trotz Finsterwalde haben sie Träume

Hell wie der Himmel, dort selten ist

Hinter dem Feld, nach dem Spiel

Gehört der Abend den Gardinen

Und der Wald schweigt sich aus

Und dann ist irgendwann Ruhe

[chorus]

Und wenn alles wieder schiefgeht

Geht die Sonne trotzdem auf

Auf dem brachgelegten Acker

Wo die Krähen Urlaub machen

[verse]

Was ist die Großstadt gegen die Freunde?

Bei Finsterwalde leben noch drei

Halten sich wacker auf dem Parkplatz  
Und sehen den Autos Richtung Süden nach

[chorus]

Und wenn alles wieder schiefgeht  
Geht die Sonne trotzdem auf  
Auf dem brachgelegten Acker  
Wo die Krähen Urlaub machen

## Rockwell - Somebody's Watching Me

[Intro]

C#m, A B (x8)

[Verse 1]

C#m F#m/A  
I'm just an average man, with an average life,  
C#m A B  
I work from nine to five, hey, hell, I pay the price.  
C#m F#m/A  
But all I want is to be left alone, in my average home,  
C#m A B  
But why do I always feel, like I'm in the Twilight Zone?

[Chorus 1:]

C#m F#m/A C#m  
I always feel like, somebody's watchin' me,  
A A/B  
And I have no privacy.  
C#m F#m/A C#m  
I always feel like, somebody's watchin' me,  
A B  
Tell me; is it just a dream?

[Verse 2:]

C#m F#m/A  
When I come home at night,  
C#m A B  
I bolt the door real tight.  
C#m A B  
People call me on the phone, I'm trying to a-void,  
C#m A B  
Well, can the people on TV see me, or am I just para-noid?  
  
C#m F#m/A  
When I'm in the shower, I'm a-fraid to wash my hair,  
C#m A B  
'Cos I might open my eyes and find someone standing there.

C#m F#m/A  
 People say I'm crazy; just a little touched,  
 C#m A B  
 But maybe showers remind me of Psycho too much, that's why;

[Chorus 2:]

C#m F#m/A C#m  
 I always feel like, somebody's watchin' me,  
 A A/B  
 And I have no privacy.  
 C#m F#m/A C#m  
 I always feel like, somebody's watchin' me,  
 A B  
 Who's playing tricks on me?

[Interlude:]

C#m, A B (x4)

[Break:]

C#m C#sus C#m A  
 C#m C#sus C#m A B  
 C#m B  
 I don't know any more; are the neighbours watching me?  
 C#m A B  
 Well, is the mailman watching me?  
 C#m F#m/A  
 And I don't feel safe any more, oh, what a mess!  
 C#m A A/B  
 I wonder who's watching me now? Who? The IR-S?

[Chorus 3:]

C#m F#m/A C#m  
 I always feel like, somebody's watchin' me,  
 A A/B  
 And I have no privacy.  
 C#m F#m/A C#m  
 I always feel like, somebody's watchin' me,

A B  
Tell me; is it just a dream?

[Chorus 4:]

C#m F#m/A C#m  
I always feel like, somebody's watchin' me,  
A A/B

And I have no privacy.

C#m F#m/A C#m  
I always feel like, somebody's watchin' me,  
A B

Who's playing tricks on me?

## TLC - Waterfalls

D A C G

D A  
 A lonely mother gazing out of her window  
 C G  
 Staring at a son that she just can't touch  
 D A  
 If at any time he's in a jam, she'll be by his side  
 C G  
 But he doesn't realize he hurts her so much

D A  
 But all the praying just ain't helping at all  
 C G  
 'cause he can't seem to keep his self out of trouble  
 D A  
 So he goes out and he makes his money the best way he knows how  
 C G  
 Another body laying cold in the gutter

Listen to me

D A  
 Don't go chasing waterfalls  
 C  
 Please stick to the rivers  
 G  
 And the lakes that you're used to  
 D  
 I know that you're gonna have it your way  
 A  
 Or nothing at all  
 C G  
 But I think you're moving too fast

D A  
 Little precious has a natural obsession  
 C G  
 For temptation but he just can't see  
 D A  
 She gives him loving that his body can't handle  
 C G  
 But all he can say is "baby it's good to me"

One day he goes and takes a glimpse in the mirror

But he doesn't recognize his own face

D                                                  A  
His health is fading and he doesn't know why

But too many storms have come and gone

C

Leavin' a trace of not one God-given ray  
Is it because my life is ten shades of gray?

G

I pray all ten fade away  
Seldom praise Him for the sunny days

D

And like His promise is true

A

Only my faith can undo  
The many chances I blew

C

To bring my life to anew  
Clear blue and unconditional skies

G

Have dried the tears from my eyes  
No more lonely cries

D

My only bleedin' hope  
Is for the folk who can't cope

A

With such an endurin' pain  
That it keeps 'em in the pourin' rain

C

Who's to blame for tootin' 'caine into your own vein?

G

What a shame you shoot and aim for someone else's brain

D

You claim the insane and name this day in time

A

For fallin' prey to crime  
I say the system got you victim to your own mind

In hopes of comin' true believe in yourself the rest is up to me and you

 goldene Kälberherden Tag und Nacht.

 Helmut kauft sich Koks im Park.  
 H  
 Siehst du die Schrift an der Wand?

Refrain:

A  
 Der Turm stürzt ein.  
 Der Turm stürzt ein.  
 C#m  
 Halleluja, der Turm stürzt ein.

Der Pepsodent von Ju-Es-Ah  
 ist ein cooler Loser seiner Macht.  
 Glänzend, doch schon rostzerfressen  
 fliegt er durch den Wilden Westen.  
 Ach, wo ist noch Platz für mich  
 oder ein Dach für dich?  
 Hörst du es flüstern im Land?  
 Old Shatterhand und Nietzsche tot,  
 im Kaufhof klaut Gott sein Brot.  
 Siehst du die Schrift an der Wand?

Refrain:

Russe in Beton und Stahl,  
 müde alles Material.

Hörst du das Flüstern im Land?  
Jesus kommt trotz Pillenknick,  
Flöte hat mit Faust gekickt.  
Die Postbeamten tragen schwarz,  
'ne Tonne Öl kost' tausend Mark.  
Siehst du die Schrift an der Wand?

## Erobique - Wann Strahlst Du?

Wann strahlst du?

[verse]

Ich liebe die, die jeden Einfall ausprobieren,  
der Erfahrung ein Schnippchen schlagen,  
zwischen Misserfolgen heil hindurchschlängeln  
und deren Augen leuchten, wenn sie fragen.

Nicht die, die denken: es lohnt sich doch nicht,  
die alles schon immer gewusst haben,  
die sagen: wozu? es macht doch keinen Unterschied,  
und ihre Neugier mit Erfahrungen begraben.

Ich schulde dem Leben das Leuchten in meinen Augen.

## Leonard Cohen - Avalanche

[Intro]

Em

[Verse 1]

Em C/G Em

I stepped into an avalanche,

D/F# Em

it covered up my soul;

C/G

When I am not this hunchback that you see,

Em D/F# Em

I sleep beneath a golden hill.

G D/F#

You who wish to conquer pain,

Em C/G B7/F#

you must learn, learn to serve me well.

[Verse 2]

You strike my side by accident

As you go down for your gold.

The cripple here that you clothe and feed

Is neither starved nor cold;

He does not ask for your company,

Not at the centre, the centre of the world.

[Verse 3]

When I am on a pedestal,

You did not raise me there.

Your laws do not compel me

To kneel grotesque and bare.

I myself am the pedestal

For this ugly hump at which you stare.

[Verse 4]

You who wish to conquer pain,

You must learn what makes me kind;

The crumbs of love that you offer me,

They're the crumbs I've left behind.

Your pain is no credential here,

It's just the shadow, shadow of my wound.

[Verse 5]

I have begun to long for you,

I who have no greed;

I have begun to ask for you,  
I who have no need.  
You say you've gone away from me,  
But I can feel you when you breathe.

[Verse 6]

Do not dress in those rags for me,  
I know you are not poor;  
And don't love me quite so fiercely now  
When you know that you are not sure,  
It is your turn, beloved,  
And it is your flesh that I wear.

[Outro]

## Falco - Der Kommissar

[Verse 1]

Two, three, four, eins, zwei, drei  
 Es is nichts dabei  
 Wenn ich euch erzaehl' die Geschicht'  
 Nichts desto trotz, ich bin es schon gewohnt  
 Im tv-funk da laeuft es nicht, jah  
 Sie war so jung, das Herz so rein und weiss  
 Und jede Nacht hat ihren Preis  
 Sie sagt: "Sugar sweet, jah'got me rapp'in to the heat!"  
 Ich verstehe sie ist heiss  
 Sie sagt: "Babe you know, I miss my Funky friends"  
 Sie meint, Jack und Jill  
 Mein Funkverstaendnis reicht zur Not  
 Ich ueberreiss' was sie jetzt will  
 Ich ueberlege bei mir, ihre Nas'n spricht dafuer  
 Waehrend dessen ich noch rauch'  
 Die "special places" sind ihr wohlbekannt  
 Ich mein', sie faehrt ja U-bahn auch dort singen's:

[Hook]

Drah di net um - oh, oh, oh  
 schau,schau) Der Kommissar geht um - oh, oh, oh  
 Er wird dich anschauen, und du weisst warum

Die Lebenslust bringt dich um  
Alles klar Herr Kommissar?

[Verse 2]

(Hey man, wanna buy some stuff man?  
Did you ever rap that thing Jack, so rap it to the beat)  
Wir treffen Jill und Joe und dessen Bruder Hip,  
Und auch den Rest der coolen gang  
Sie rappen hin, sie rappen her  
Dazwischen kratzen's ab die Waend'  
Dieser Fall ist klar lieber Herr Kommissar  
Auch wenn sie anderer Meinung sind  
Den Schnee auf dem wir alle talwaerts fahr'n  
Kennt heute jedes Kind

[Verse 1: Raekwon]

Em C D  
I grew up on the crime side, the New York Times side  
G D  
Stayin' alive was no jive  
Em C  
Had secondhands, Mom's bounced on old man  
D G D  
So then we moved to Shaolin land  
Em C  
A young youth, yo, rockin' the gold tooth, 'Lo goose

Only way I be gettin' the G off was drug loot  
Em C  
And let's start it like this, son

Rollin' with this one and that one  
G D  
Pullin' out gats for fun  
Em C D  
But it was just a dream for the teen who was a fiend  
G D  
Started smokin' woolas at 16  
Em C D  
And runnin' up in gates, doin' hits for high stakes  
G D  
Makin' my way on fire escapes  
Em C  
No question I would speed for cracks and weed  
D G D  
The combination made my eyes bleed  
Em C D  
No question I would flow off and try to get the dough all  
G D  
Stickin' up white boys in ball courts  
Em C D

My life got no better, same damn 'Lo sweater

 Times is rough and tough like leather  
 Em                                    C  
 Figured out I went the wrong route

 So I got with a sick-ass clique and went all out  
 Em                                    C  
 Catchin' keys from 'cross seas

 Rollin' in MPV's, every week we made forty G's

 It's been twenty-two long hard years, I'm still strugglin'  
 D                                    G                                    D                                    Em  
 Survival got me buggin', but I'm alive on arrival  
                     C  
 I peep at the shape of the streets  
                     D                                    G                                    D  
 And stay awake to the ways of the world 'cause shit is deep  
 Em                                    C  
 A man with a dream with plans to make cream  
                     D                                    G                                    D                                    Em  
 Which failed; I went to jail at the age of fifteen  
                     Em                                    C                                    D  
 A young buck sellin' drugs and such, who never had much  
                     G                                    D

Tryin' to get a clutch at what I could not  
 Em C  
 The court played me short, now I face incarceration  
 D G D  
 Pacin', goin' upstate's my destination  
 Em C  
 Handcuffed in the back of a bus, forty of us  
 D G D  
 Life as a shorty shouldn't be so rough  
 Em C  
 But as the world turned I learned life is hell  
 D G D  
 Livin' in the world no different from a cell  
 Em C  
 Every day I escape from Jakes givin' chase  
 D G D  
 Sellin' base, smokin' bones in the staircase  
 Em C  
 Though I don't know why I chose to smoke sess  
 D G D  
 I guess that's the time when I'm not depressed  
 Em C  
 But I'm still depressed, and I ask: what's it worth?  
 D G D  
 Ready to give up so I seek the old Earth  
 Em C  
 Who explained workin' hard may help you maintain  
 D G D  
 To learn to overcome the heartaches and pain  
 Em C  
 We got stick-up kids, corrupt cops, and crack rocks  
 D G D  
 And stray shots, all on the block that stays hot  
 Em C  
 Leave it up to me while I be livin' proof  
 D G D  
 To kick the truth to the young black youth  
 Em C  
 But shorty's runnin' wild, smokin' sess, drinkin' beer  
 D G D  
 And ain't tryin' to hear what I'm kickin' in his ear

## Depeche Mode - Blasphemous Rumours

[Verse 1 and 2]

F#m

Girl of sixteen whole life ahead of her,  
Slashed her wrists, bored with life.  
Didn't succeed, thank the Lord,

Bm C# F#m  
for small mercies.

F#m

Fighting back the tears, mother reads the note again,  
Sixteen candles burn in her mind.  
She takes the blame, it's always the same,

Bm F#m  
she goes down on her knees and prays.

[Chorus]

D A/C#  
I don't want to start any blasphemous rumours, but I  
Bm7 D  
think that God's got a sick sense of humour, and  
E9sus4 D  
when I die, I expect to find Him laughing.

[End Chorus]

[Verses 3 and 4 same as 1 and 2. Words below.]

Girl of eighteen, fell in love with everything,  
Found new life in Jesus Christ.  
Hit by a car, ended up  
On a life support machine.

Summer's day, as she passed away,  
Birds were singing in the summer sky.  
Then came the rain, and once again,  
a tear fell from her mother's eye.

[Chorus over and over again until fade]

Chords:

F | Am G F | Dm7 | C | G Dm7 C | Gm7

F | Am G F | Dm7 | C | Em F C |

F      Am G F  
 I was tired of my lady,  
 Gm7      C      E D C  
 We'd been together too long.  
 Dm7      F      Am G F  
 Like a worn out recording,  
 Gm7      C      E D C  
 of a favorite song.

Dm7      F      Am G F  
 So while she lay there sleepin'  
 Gm7      C      E D C  
 I read the paper in bed  
 Dm7      F      Am G F  
 And in the personal columns  
 Gm7      C      E D C  
 There was this letter i read

F      Am G F  
 If you like piña coladas  
 Gm7      C      E D C  
 and gettin' caught in the rain  
 Dm7      F      Am G F  
 if you're not into yoga  
 Gm7      C      E D C  
 if you have half a brain

Dm7      F      Am G F  
 if you like makin' love at midnight  
 Gm7      C      E D C  
 in the dunes of a cape  
 Dm7      F      Am G F  
 then I'm the love that you've looked for  
 Gm7      C      E F C  
 write to me and escape.

F | Am G F | Dm7 | C | G Dm7 C | Gm7

F | Am G F | Dm7 | C | Em F C |

I didn't think about my lady,  
 I know that sounds kind of mean  
 But me and my old lady  
 had fallen into the same old dull routine

So I wrote to the paper,  
 took out a personal ad  
 And though I'm nobody's poet,  
 I thought it wasn't half bad.

Yes, I like piña coladas  
 and getting caught in the rain  
 I'm not much into health food,  
 I am into champagne

I've got to meet you by tomorrow noon  
 and cut through all this red tape  
 At a bar called O'Malley's  
 where we'll plan our escape.

F | Am G F | Dm7 | C | G Dm7 C | Gm7  
 F | Am G F | Dm7 | C | Em F C |

So I waited with high hopes  
 and she walked in the place

Dm7                  F          Am G F  
I knew her smile in an instant,  
          Gm7                  C          E D C  
I knew the curve of her face

          Dm7                  F          Am G F  
It was my own lovely lady  
          Gm7                  C          E D C  
and she said,

## Johnny Cash - Man In Black

G G G G

G G  
 Well, you wonder why I always dress in black,  
 G A  
 Why you never see bright colors on my back,  
 C G C G  
 And why does my appearance seem to have a somber tone.  
 A7 D7  
 Well, there's a reason for the things that I have on.

G G  
 I wear the black for the poor and the beaten down,  
 G A  
 Livin' in the hopeless, hungry side of town,  
 C G C G  
 I wear it for the prisoner who has long paid for his crime,  
 A7 D7  
 But is there because he's a victim of the times.

G G  
 I wear the black for those who never read,  
 G A  
 Or listened to the words that Jesus said,  
 C G C G  
 About the road to happiness through love and charity,  
 A7 D7  
 Why, you'd think He's talking straight to you and me.

G G  
 Well, we're doin' mighty fine, I do suppose,  
 G A  
 In our streak of lightnin' cars and fancy clothes,  
 C G C G  
 But just so we're reminded of the ones who are held back,  
 A7 D7  
 Up front there ought 'a be a Man In Black.

G G  
 I wear it for the sick and lonely old,  
 G A  
 For the reckless ones whose bad trip left them cold,  
 C G C G  
 I wear the black in mournin' for the lives that could have been,

A7 D7  
Each week we lose a hundred fine young men.

G G  
And, I wear it for the thousands who have died,  
G A  
Believen' that the Lord is on their side,  
C G C G  
I wear it for another hundred thousand who have died,  
A7 D7  
Believen' that we all were on their side.

G G  
Well, there's things that never will be right I know,  
G A  
And things need changin' everywhere you go,  
C G C G  
But 'til we start to make a move to make a few things right,  
A7 D7  
You'll never see me wear a suit of white.

G G  
Oh, I'd love to wear a rainbow every day,  
G A  
And tell the world that everything's ok,  
C G C G  
But I'll try to carry off a little darkness on my back,  
A7 D7  
Till things are brighter, I'm the Man In Black

## Leonard Cohen - Suzanne

[Verse]

E

Suzanne takes you down to her place near the river

F#m

You can hear the boats go by, you can spend the night beside her

E

And you know that she's half-crazy, but that's why you wanna be there

G#m

A

And she feeds you tea and oranges that come all the way from China

E

F#m

And just when you mean to tell her that you have no love to give her

E

F#m

Then she gets you on her wavelength, and she lets the river answer

E

That you've always been her lover

[Chorus 1]

G#m

A

And you want to travel with her, and you want to travel blind

E

F#m

And you know she will trust you for you've touched her perfect body

E

With your mind

[Verse]

And Jesus was a sailor when he walked upon the water

And he spent a long time watching from his lonely wooden tower

And when he knew for certain only drowning men could see him

He said: "All men will be sailors then until the sea shall free them"

But he himself was broken long before the sky would open

Forsaken, almost human, he sank beneath your wisdom

Like a stone

[Chorus]

And you want to travel with him, and you want to travel blind

And you think maybe you'll trust him for he's touched your perfect body

With his mind

[Verse]

Now Suzanne takes your hand, and she leads you to the river

She is wearing rags and feathers from the Salvation Army counter

And the sun pours down like honey on Our Lady of the Harbour

And she shows you where to look among the garbage and the flowers

There are heroes in the seaweed, there are children in the morning

They are leaning out for love, and they will lean that way forever  
While Suzanne holds the mirror

[Chorus]

And you want to travel with her, and you want to travel blind  
And you know that you can trust her for she's touched your perfect body  
With her mind

## Leonard Cohen - Story Of Isaac

The door it opened slowly,

Am

G

F

E

I was nine years old.

Am

F

And he stood so tall above me,

Am

F

his blue eyes they were shining

G

F

E

and his voice was very cold.

C

He said, "I've had a vision

and you know I'm strong and holy,

D

C

B

I must do what I've been told."

F

Bb

So he started up the mountain,

F

Bb

I was running, he was walking,

F

G

A

Am

and his axe was made of gold.

[verse]

Well, the trees they got much smaller,

the lake a lady's mirror,

we stopped to drink some wine.

Then he threw the bottle over,

broke a minute later

and he put his hand on mine.

Thought I saw an eagle

but it might have been a vulture,

I never could decide.

Then my father built an altar,

he looked once behind his shoulder,

he knew I would not hide.

[verse]

You who build the altars now  
to sacrifice these children,  
you must not do it anymore.  
A scheme is not a vision  
and you never have been tempted  
by a demon or a god.  
You who stand above them now,  
your hatchets blunt and bloody,  
you were not there before,  
when I lay upon a mountain  
and my father's hand was trembling  
with the beauty of the word.

[verse]

And if you call me brother now,  
forgive me if I inquire,  
"Just according to whose plan?"  
When it all comes down to dust  
I will kill you if I must,  
I will help you if I can.  
When it all comes down to dust  
I will help you if I must,  
I will kill you if I can.  
And mercy on our uniform,  
man of peace or man of war,  
the peacock spreads his fan.

 Ready or not, here I come, you can't hide  
 Gonna find you and take it slowly  
 Ready or not, here I come, you can't hide  
 Gonna find you and make you want me  
  
 Now that I escape, sleepwalker awake  
 Those who could relate know the world ain't cake  
 Jail bars ain't golden gates  
 Those who fake, they break  
 When they meet their 400-pound mate  
 If I could rule the world  
 Everyone would have a gun in the ghetto of course  
 When giddyuping on their horse  
 I kick a rhyme drinking moonshine  
 I pour a sip on the concrete, for the deceased  
 But no don't weep, Wyclef's in a state of sleep  
 Thinking bout the robbery that I did last week  
 Money in the bag, banker looked like a drag  
 I want to play with pelicans from here to Baghdad  
 Gun blast, think fast, I think I'm hit  
 My girl pinched my hips to see if I still exist  
 I think not, I'll send a letter to my friends  
 A Born Again hooligan only to be king again  
  
 Ready or not, here I come, you can't hide

Gonna find you and take it slowly  
Ready or not, here I come, you can't hide  
Gonna find you and make you want me

I play my enemies like a game of chess, where I rest  
No stress, if you don't smoke sess, lest  
I must confess, my destiny's manifest  
In some Goretex and sweats I make treks like I'm homeless  
Rap orgies with Porgy and Bess  
Capture your bounty like Elliot Ness, yes  
Bless you if you represent the Fu  
But I'll hex you with some witch's brew  
If you're doo-doo, voodoo  
I can do what you do, easy, believe me  
Fronting niggas give me hee-bee-gee-bees  
So while you're imitating Al Capone, I'll be Nina Simone  
And defecating on your microphone

Ready or not, here I come, you can't hide  
Gonna find you and take it slowly

You can't run away  
From these styles I got, oh baby, hey baby  
Cause I got a lot, oh yeah  
And anywhere you go  
My whole crew's gonna know baby, hey baby  
You can't hide from the block, oh no  
Ready or not, refugees taking over  
The Buffalo Soldier, dreadlock Rasta  
On the twelfth hour, fly by in my bomber  
Crews run for cover, now they're under pushing up flowers  
Superfly true lies, do or die  
Toss me high ? only puff la  
With my crew from lock high  
I refugee from Guantanamo Bay  
Dance around the border like I'm Cassius Clay

[bridge]

Klar hab ich Angst davor dich wiederzusehn  
doch nichts wünsch ich mir mehr        wohoho

[chorus]

Vielleicht ist es für uns das Beste  
wenn wir uns ne Weile nicht sehen  
dein Anblick gibt mir noch den Rest denn  
du bist so wunderschön  
Vielleicht ist es für uns das Beste  
vielleicht ging es wirklich nicht mehr  
doch die Sehnsucht nach dir halt ich fest auch  
wenn es wehtut ich liebe dich noch viel zu sehr

[pre-chorus]

Eigentlich weiss ich schon es ist vorbei  
doch ich mach mich nicht von der Hoffnung frei  
vielleicht bin ich auch nur ein Masochist  
das ändert nichts daran wie schön du bist

[chorus]

Vielleicht ist es wirklich das Beste  
wenn wir uns ne Weile nicht sehen  
dein Anblick gibt mir noch den Rest denn  
du bist so wunderschön  
Vielleicht ist es für uns das Beste  
vielleicht ging es wirklich nicht mehr  
doch die Sehnsucht nach dir halt ich fest auch  
wenn es wehtut ich liebe dich noch viel zu sehr

## America - Horse With No Name

Em D6/9  
 On the first part of the journey  
 Em D6/9  
 I was lookin at all the life  
 Em D6/9  
 There were plants and birds and rocks and things  
 Em D6/9  
 There were sand and hills and rings  
  
 Em D6/9  
 The first thing I met was a fly with a buzz  
 Em D6/9  
 and the sky with no clouds  
 Em D6/9  
 the heat was hot and the ground was dry  
 Em D6/9  
 but the air was full of sound  
  
 Em9 Dmaj9  
 I've been through the desert on a horse with no name  
 Em9 Dmaj9  
 it felt good to be out of the rain  
 Em9 Dmaj9  
 in the desert you can remember your name  
 Em9 Dmaj9  
 'cause there ain't no one for to give you no pain  
 Em9 Dmaj9  
 La la la la lala la lala  
 Em9 Dmaj9  
 la la la  
  
 Em D6/9  
 After two days in the desert sun  
 Em D6/9  
 my skin began to turn red  
 Em D6/9  
 After three days in the desert fun  
 Em D6/9  
 I was looking at a river bed  
 Em D6/9  
 And the story it told of a river that flowed  
 Em D6/9  
 made me sad to think it was dead

Em9 Dmaj9  
I've been through the desert on a horse with no name  
Em9 Dmaj9  
it felt good to be out of the rain  
Em9 Dmaj9  
in the desert you can remember your name  
Em9 Dmaj9  
'cause there ain't no one for to give you no pain  
Em9 Dmaj9  
la la la la lala la lala  
Em9 Dmaj9  
la la la

After nine days I let the horse run free  
'cause the desert had turned to sea  
there were plants and birds and rocks and things  
there were sand and hills and rings  
The ocean is a desert with it's life underground  
and the perfect disguise above  
Under the cities lies a heart made of ground  
but the humans will give no love

I've been through the desert on a horse with no name  
it felt good to be out of the rain  
in the desert you can remember your name  
'cause there ain't no one for to give you no pain  
la la la la lala la lala  
la la la

## Alphaville - Forever Young

[Verse]

G D Em  
 Lets start in style, let's dance for a while  
 C D  
 Heaven can wait we're only watching the skies  
 Em C  
 Hoping for the best, but expecting the worst  
 D  
 Are you gonna drop the bomb or not?

G D Em  
 Let us stay young or let us live forever  
 C D  
 We don't have the power, but we never say never  
 Em C  
 Sitting in the sandpit, life is a short trip  
 D  
 The music's for the sadman

G D Em  
 Can you imagine when this race is won  
 C D  
 Turn out all the faces into the sun  
 Em C  
 Praising our leaders, we're getting in tune  
 D  
 The music's played by the madman

[Chorus]

G D  
 Forever Young  
 Em C  
 I want to be Forever Young  
 D Em  
 Do you really want to live forever?  
 C D  
 Forever, you'll never  
 G D  
 Forever Young

Em C  
I want to be Forever Young  
D Em  
Do you really want to live forever?  
C D G  
Forever Young.

[Verse]

Some are like water, some are like the heat  
Some are a melody and some are the beat  
Sooner or later they all will be gone  
Why don't they stay young?

It's so hard to get old without a cause  
I don't want to perish like a fading horse  
Years like diamonds in the sun  
And diamonds are forever

## Laura Branigan - Self Control

[Intro]

F#m, C#m

F#m C#m  
Oh, the night is my world  
F#m C#m  
City light painted girl  
E Bm  
In the day nothing matters  
D A  
It's the night time that flatters

In the night, no control  
Through the wall something's breaking  
Wearing white as you're walkin'  
Down the street of my soul

F#m C#m  
You take my self, you take my self control  
F#m C#m  
You got me livin' only for the night  
E Bm  
Before the morning comes, the story's told  
D A  
You take my self, you take my self control

Another night, another day goes by  
I never stop myself to wonder why  
You help me to forget to play my role  
You take my self, you take my self control

F#m C#m F#m  
I, I live among the creatures of the night  
C#m E  
I haven't got the will to try and fight  
Bm D  
Against a new tomorrow, so I guess I'll just believe it  
A

That tomorrow never comes

A safe night, I'm living in the forest of my dream

I know the night is not as it would seem

I must believe in something, so I'll make myself believe it

That this night will never go

F#m C#m F#m C#m

Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh-oh-oh

And I'm sure I've had enough.

She sends her comfort,

Comin' in from above.

Don't need a letter at all.

We've got a thing that's called Radar Love,

We've got a line in the sky.

Radar Love.

[verse]

No more speed, I'm almost there,  
Gotta keep cool now, gotta take care.  
Last car to pass, here I go,  
And the line of cars drove down real slow.

And the radio played that forgotten song,  
Brenda Lee's "Coming On Strong".  
And the newsman sang his same song,  
One more Radar Love gone!

Like it's only you and me,  
Geeze, you're something to see.

This day's an invitation

F C

And it's just for you

There may be something

A

That you've never seen inside

Feel how your heart beats

Like a heavy machine

The sound of the traffic

Is like a silent dream

The dust in the park

The exhaust from the cars

Ascends in that heated afternoon

You touch a sweaty body!

Gm Dm F C

Summer in Berlin, it's alright, (it's alright)

Gm Dm

The day feels so tired

F

From the lead in the air

C

And the fire in the skies

Gm Dm F

Life seemed to be a fault of grace

But it's ok

Gm

To gave you a kiss

 In the middle of the crossroads

[Solo]

2 x Gm Dm F C

4 x D A

Feel how your heart beats  
 Like a heavy machine  
 The sound of the traffic  
 Is like a silent dream  
 The dust in the park  
 The exhaust from the cars  
 Ascends in that heated afternoon  
 You touch a sweaty body!

Summer in Berlin, it's alright  
 The heat of the sun  
 Which is stored in the pavement  
 Feels so fine  
 Here stands the innocent  
 and there it comes oh so wild  
 That's when you're longing  
 For a summer by the wall

Summer in Berlin, it's alright  
 Summer in Berlin, it's ok
