G D Em
Lets start in style, let's dance for a while
C D
Heaven can wait we're only watching the skies
Em C
Hoping for the best,but expecting the worst
D
Are you gonna drop the bomb or not?

Let us stay young or let us live forever
We dont have the power, but we never say never
Sitting in the sandpit, life is a short trip
The music's for the sadman

Can you imagine when this race is won
Turn out all the faces into the sun
Praising our leaders, we're getting in tune
The music's played by the madman

G D
Forever Young
Em C
I want to be Forever Young
D Em
Do you really want to live forever?
C D
Forever, you'll never
G D
Forever Young
Em C
I want to be Forever Young
D Em
Do you really want to live forever?
C D G
Forever Young.

[Verse]

Some are like water, some are like the heat
Some are a melody and some are the beat
Sooner or later they all will be gone
Why don't they stay young?

It's so hard to get old without a cause
I don't want to perish like a fading horse
Years like diamonds in the sun
And diamonds are forever

Alphaville - Summer in Berlin

[verse]

Gm Dm
This day's an invitation
F C
And it's just for you
Gm Dm
You've got a reservation
F C
For the 17th of June
D A
Open your eyes
 D A
And let the sun break in for a while
D A
There may be something
 D A
That you've never seen inside

[verse]

Feel how your heart beats
Like a heavy machine
The sound of the traffic
Is like a silent dream
The dust in the park
The exhaust from the cars
Ascends in that heated afternoon
You touch a sweaty body!

[chorus]

Gm Dm F C
Summer in Berlin, it's alright, (it's alright)
Gm Dm
The day feels so tired
 F
From the lead in the air
 C
And the fire in the skies
Gm Dm F
Life seemed to be a fault of grace
 C
But it's ok
 Gm
To gave you a kiss
 Dm F C
In the middle of the crossroads

[verse]

Feel how your heart beats
Like a heavy machine
The sound of the traffic
Is like a silent dream
The dust in the park
The exhaust from the cars
Ascends in that heated afternoon
You touch a sweaty body!

[chorus]

Summer in Berlin, it's alright
The heat of the sun
Which is stored in the pavement
Feels so fine
Here stands the innocent
and there it comes oh so wild
That's when you're longing
For a summer by the wall
Summer in Berlin, it's alright
Summer in Berlin, it's ok

America - Horse With No Name

Em D6/9
On the first part of the journey
Em D6/9
I was lookin at all the life
Em D6/9
There were plants and birds and rocks and things
Em D6/9
There were sand and hills and rings

Em D6/9
The first thing I met was a fly with a buzz
Em D6/9
and the sky with no clouds
Em D6/9
the heat was hot and the ground was dry
Em D6/9
but the air was full of sound

Em9 Dmaj9
I've been through the desert on a horse with no name
Em9 Dmaj9
it felt good to be out of the rain
Em9 Dmaj9
in the desert you can remember your name
Em9 Dmaj9
'cause there ain't no one for to give you no pain
Em9 Dmaj9
La la la la lala la lala
Em9 Dmaj9
la la la

Em D6/9
After two days in the desert sun
Em D6/9
my skin began to turn red
Em D6/9
After three days in the desert fun
Em D6/9
I was looking at a river bed
Em D6/9
And the story it told of a river that flowed
Em D6/9
made me sad to think it was dead

Em9 Dmaj9
I've been through the desert on a horse with no name
Em9 Dmaj9
it felt good to be out of the rain
Em9 Dmaj9
in the desert you can remember your name
Em9 Dmaj9
'cause there ain't no one for to give you no pain
Em9 Dmaj9
la la la la lala la lala
Em9 Dmaj9
la la la

After nine days I let the horse run free
'cause the desert had turned to sea
there were plants and birds and rocks and things
there were sand and hills and rings
The ocean is a desert with it's life underground
and the perfect disguise above
Under the cities lies a heart made of ground
but the humans will give no love

I've been through the desert on a horse with no name
it felt good to be out of the rain
in the desert you can remember your name
'cause there ain't no one for to give you no pain
la la la la lala la lala
la la la

Arcade Fire - The Suburbs

[Verse]

C Am E G
In the suburbs, I I learned to drive
 C Am
And you told me we'd never survive,
E G
grab your mother's keys, we're leaving

You always seemed so sure, that
one day we'd be fighting
In a suburban war, your part of
town against mine
I saw you standing on the opposite shore,
but by the time the first bombs fell
We were already bored,
we were already, already bored

[Chorus]

C Am
Sometimes I can't believe it,
E D
I'm moving past the feeling
C Am
Sometimes I can't believe it,
E D
I'm moving past the feeling
C Am E G
Again

[Verse]

The kids wanna be so hard,
but in my dreams we're still screaming
And running through the yard,
when all of the walls that they built
In the seventies finally fall,
and all of the houses they built
In the seventies finally fall,
meant nothing at all, meant nothing at all,
it meant nothing

[Chorus]

Sometimes I can't believe it,
I'm moving past the feeling
Sometimes I can't believe it,
I'm moving past the feeling
And into the night

[Verse]

So can you understand,
why I want a daughter
While I'm still young,
I wanna hold her hand and show her some beauty
Before all this damage is done,
but if it's too much to ask
If it's too much to ask,
then send me a son
Under the overpass,
in the parking lot we're still waiting
It's already passed,
so move your feet from hot pavement
And into the grass,
'cause it's already past,
it's already, already past

[Chorus]

Sometimes I can't believe it,
I'm moving past the feeling
Sometimes I can't believe it,
I'm moving past the feeling
Again, I'm moving past the feeling
I'm moving past the feeling

[Outro]

In my dreams
We're still screaming (3x)

Baby Huey - Hard Times

C

People all around me and they're all in fear

They don't seem to want me but they won't admit

C-Dm Am

I must be some kind of creature up here having fits

Am

From my party house, I'm afraid to come outside

Although I'm filled with love I'm afraid they'll hurt my pride

So I play the part I feel they want of me

Am

And I pull the shades so I won't see them seein' me

C

Havin' hard times in this crazy town

From my party house I feel like meetin' others

C

Familiar faces, creed and race, a brother

Dm

But to my surprise I find a man corrupt

Although he be my brother, he wants to hold me up

Havin' hard times, there's no love to be found
C Dm Am C
Havin' hard times, in this crazy town

So many hard times...
Sleepin' on motel floors
Knockin' on my brother's door
Eatin' Spam and Oreos and drinkin' Thunderbird baby

And from my party house, from my party house

Another six months I'll be unknown
Give all my things to all my friends

You'll close it off, board it up
Remember the time that I spilled the cup
Of apple juice in the hall
Please tell mom this is not her fault

G A E

I'm on the road again.

E

Well I'm so tired of cryin' but I'm out, on the road again

G A E

I'm on the road again.

E

I ain't got no woman,

G A E

just to call my special friend.

You know the first time I traveled out, in the rain and snow,
in the rain and snow.

You know the first time I traveled out, in the rain and snow,
in the rain and snow.

I didn't have no payroll, not even no place to go.

And my dear mother left me when I was quite young,
when I was quite young.

And my dear mother left me when I was quite young,
when I was quite young.

She said "Lord have mercy, on my wicked son."

Take a hint from me mama please, don't you cry no more
don't you cry no more.

Take a hint from me mama please, don't you cry no more
don't you cry no more.

Cause it's soon one morning, down the road I'm gone.

And I'm going to leave the city, got to go away
got to go away

And I'm going to leave the city
got to go away
got to go away

All this fussing and fighting, man I sure can't stay.
But I ain't going down that long and lonesome road
all by myself.
But I ain't going down that long and lonesome road
all by myself.
I can't carry you baby,
gonna carry somebody else.

Counting Crows - Mr. Jones

[Intro]

Am F Dm G

Sha la la la la la la la

Am F G G

uh huh...

[Verse 1] Am F Dm G

I was down at the New Amsterdam
staring at this yellow-haired girl
Mr. Jones strikes up a conversation
with this black-haired flamenco dancer
She dances while his father plays
guitar. She's suddenly beautiful
We all want something beautiful,
I wish I was beautiful

So come dance this silence

Sha la la la la la la la

yeah uh huh...

Cut up, Maria! Show me some
of them Spanish dances
Pass me a bottle, Mr. Jones
Believe in me. Help me believe in anything
'Cause I want to be someone who believes

[Chorus 1] C F G

Mr. Jones and me tell each other fairy tales
Stare at the beautiful women
"She's looking at you. Ah, no, no, she's looking at me."
Smiling in the bright lights, coming through in stereo
When everybody loves you, you can never be lonely

[Verse 2]

I will paint my picture. Paint myself
in blue and red and black and gray
All of the beautiful colors are
very, very meaningful
(you know) Gray is my favorite color
I felt so symbolic yesterday
If I knew Picasso I would buy myself
a gray guitar and play

[Chorus 2]

Mr. Jones and me look into the future
Stare at the beautiful women
"She's looking at you. Uh, I don't think so.
She's looking at me."
Standing in the spotlight
I bought myself a gray guitar
When everybody loves me,
I will never be lonely

[Bridge]

Am Fmaj7
I will never be lonely
Am G
I will never gonna be lonely

[Verse 3]

I want to be a lion. Everybody wants to pass as cats
We All want to be big, big stars, but we got different reasons for that.
Believe in me because I don't believe in anything
And I want to be someone to believe, to believe, to believe.

[Chorus 3]

Mr. Jones and me stumbling
through the barrio
Yeah we stare at the beautiful women
"She's perfect for you, man,
there's got to be somebody for me."
I want to be Bob Dylan
Mr. Jones wishes he was someone
just a little more funky
When everybody loves you, son,
that's just about as funky as you can be.

Mr. Jones and me staring at the video
When I look at the television,
I want to see me staring right back at me.
We all want to be big stars,
but we don't know why, and we don't know how.
But when everybody loves me,
I'm going to be just about as happy as I can be.

C D C D
If it's love, you want from me, then take it away.

Die Ärzte - Ich weiß nicht ob es Liebe ist

C Am
Vor zwei Wochen hab' ich Dich zum ersten Mal gesehen.
C Am
Du warst so betrunken, Du konntest kaum noch stehen.
Dm
Aus Mitleid hab' ich Dich nach Haus gebracht.
Fm G
Du sagtest zärtlich: "Mein Schatz, gute Nacht."

C Am
Mein Schatz, hast Du gesagt - vielleicht war es nur ein Scherz.
C Am
Amors Pfeil durchbohrte mein Herz.
Dm
Jetzt weiß ich nicht, was ich denken soll.
Fm G
Ist es wirklich Liebe, oder find' ich Dich nur toll?

Am Dm
Ich weiß nicht, ob es Liebe ist,

wenn man nicht mehr trinkt und isst.
Am Dm
Wenn man an eine denkt und eine andere küsst -
E7 Am
Ich weiß nicht, ob das Liebe ist.. wuohoho...

Am Dm E7

C Am
Am nächsten Tag habe ich Dich besucht.
C Am
Als das Bier alle war, hast Du laut geflucht.
Dm
Du lagst auf dem Bett und warst ziemlich breit,
Fm G
aber immerhin waren wir allein zu zweit.

Bm F#
ready or not here i come you cant hide
G D F#
im gonna find you and take it slowly.....
Bm F#
Ready or not, here I come, you can't hide
G D F#
Gonna find you and make you want me

[verse]

Now that I escape, sleepwalker awake
Those who could relate know the world ain't cake
Jail bars ain't golden gates
Those who fake, they break
When they meet their 400-pound mate
If I could rule the world
Everyone would have a gun in the ghetto of course
When giddyuping on their horse
I kick a rhyme drinking moonshine
I pour a sip on the concrete, for the deceased
But no don't weep, Wyclef's in a state of sleep
Thinking bout the robbery that I did last week
Money in the bag, banker looked like a drag
I want to play with pelicans from here to Baghdad
Gun blast, think fast, I think I'm hit
My girl pinched my hips to see if I still exist
I think not, I'll send a letter to my friends
A Born Again hooligan only to be king again

[chorus]

[verse]

I play my enemies like a game of chess, where I rest
No stress, if you don't smoke sess, lest
I must confess, my destiny's manifest
In some Goretex and sweats I make treks like I'm homeless
Rap orgies with Porgy and Bess
Capture your bounty like Elliot Ness, yes
Bless you if you represent the Fu
But I'll hex you with some witch's brew
If you're doo-doo, voodoo
I can do what you do, easy, believe me
Fronting niggas give me hee-bee-gee-bees
So while you're imitating Al Capone, I'll be Nina Simone
And defecating on your microphone

[chorus]

[verse]

You can't run away
From these styles I got, oh baby, hey baby
Cause I got a lot, oh yeah
And anywhere you go
My whole crew's gonna know baby, hey baby
You can't hide from the block, oh no
Ready or not, refugees taking over
The Buffalo Soldier, dreadlock Rasta
On the twelfth hour, fly by in my bomber
Crews run for cover, now they're under pushing up flowers
Superfly true lies, do or die
Toss me high ? only puff la
With my crew from lock high
I refugee from Guantanamo Bay
Dance around the border like I'm Cassius Clay

Johnny Cash - Man In Black

G G G G

G G
Well, you wonder why I always dress in black,
G A
Why you never see bright colors on my back,
C G C G
And why does my appearance seem to have a somber tone.
A7 D7
Well, there's a reason for the things that I have on.

G G
I wear the black for the poor and the beaten down,
G A
Livin' in the hopeless, hungry side of town,
C G C G
I wear it for the prisoner who has long paid for his crime,
A7 D7
But is there because he's a victim of the times.

G G
I wear the black for those who never read,
G A
Or listened to the words that Jesus said,
C G C G
About the road to happiness through love and charity,
A7 D7
Why, you'd think He's talking straight to you and me.

G G
Well, we're doin' mighty fine, I do suppose,
G A
In our streak of lightnin' cars and fancy clothes,
C G C G
But just so we're reminded of the ones who are held back,
A7 D7
Up front there ought 'a be a Man In Black.

G G
 I wear it for the sick and lonely old,
 G A
 For the reckless ones whose bad trip left them cold,
 C G C G
 I wear the black in mournin' for the lives that could have been,
 A7 D7
 Each week we lose a hundred fine young men.

G G
 And, I wear it for the thousands who have died,
 G A
 Believen' that the Lord is on their side,
 C G C G
 I wear it for another hundred thousand who have died,
 A7 D7
 Believen' that we all were on their side.

G G
 Well, there's things that never will be right I know,
 G A
 And things need changin' everywhere you go,
 C G C G
 But 'til we start to make a move to make a few things right,
 A7 D7
 You'll never see me wear a suit of white.

G G
 Oh, I'd love to wear a rainbow every day,
 G A
 And tell the world that everything's ok,
 C G C G
 But I'll try to carry off a little darkness on my back,
 A7 D7
 Till things are brighter, I'm the Man In Black

And not for his physical health

Shall fade away, fade away

Though some believe in diamonds and pearl

And feel like they're on top of the world

They shall fade away, hear what I say

The rich is getting richer every day

And the little that the poor man got

It shall be taken away

Do you hear what I say? Yeah, hear what I say

The man who worships silver and gold

Shall surely, surely, surely lose his own soul

Then fade away

One who's always acting smart

And don't carry no love in his heart

Shall fade away

God is here and there and everywhere

And He knows when you play the game unfair

So people beware, or else you fade away!

Hey, beware! Or dare you fade away?

You gotta fade, gotta fade, gotta fade now

Kim Carnes - Bette Davis Eyes

[Intro]

F Am G x4

[Verse 1]

Her hair is Harlowe gold, her lips a sweet surprise
Her hands are never cold, she's got Bette Davis eyes
She'll turn the music on you
You won't have to think twice
She's pure as New York snow, she's got Bette Davis eyes

[Chorus 1]

And she'll tease you, she'll unease you,
All the better just to please you,
She's precocious, and she knows just what it takes
to make a pro blush
She's got Greta Garbo's standoff sighs
She's got Bette Davis eyes

[Verse 2]

She'll let you take her home, you whet her appetite
She'll lay you on her throne, she's got Bette Davis eyes
She'll take a tumble on you
Roll you like you were dice,
Until you come up blue, she's got Bette Davis eyes

Laura Branigan - Self Control

[Intro]

F#m, C#m

 F#m C#m
Oh, the night is my world
 F#m C#m
City light painted girl
 E Bm
In the day nothing matters
 D A
It's the night time that flatters

In the night, no control
Through the wall something's breaking
Wearing white as you're walkin'
Down the street of my soul

F#m C#m
You take my self, you take my self control
F#m C#m
You got me livin' only for the night
E Bm
Before the morning comes, the story's told
D A
You take my self, you take my self control

Another night, another day goes by
I never stop myself to wonder why
You help me to forget to play my role
You take my self, you take my self control

F#m C#m F#m
I, I live among the creatures of the night
 C#m E
I haven't got the will to try and fight
 Bm D
Against a new tomorrow, so I guess I'll just believe it

That tomorrow never comes

A safe night, I'm living in the forest of my dream
I know the night is not as it would seem
I must believe in something, so I'll make myself believe it
That this night will never go

Leonard Cohen - Avalanche

[Intro]

Em

[Verse 1]

Em C/G Em

I stepped into an avalanche,

D/F# Em

it covered up my soul;

C/G

When I am not this hunchback that you see,

Em D/F# Em

I sleep beneath a golden hill.

G D/F#

You who wish to conquer pain,

Em C/G B7/F#

you must learn, learn to serve me well.

[Verse 2]

You strike my side by accident

As you go down for your gold.

The cripple here that you clothe and feed

Is neither starved nor cold;

He does not ask for your company,

Not at the centre, the centre of the world.

[Verse 3]

When I am on a pedestal,

You did not raise me there.

Your laws do not compel me

To kneel grotesque and bare.

I myself am the pedestal

For this ugly hump at which you stare.

[Verse 4]

ou who wish to conquer pain,

You must learn what makes me kind;

The crumbs of love that you offer me,

They're the crumbs I've left behind.

Your pain is no credential here,

It's just the shadow, shadow of my wound.

[Verse 5]

I have begun to long for you,
I who have no greed;
I have begun to ask for you,
I who have no need.
You say you've gone away from me,
But I can feel you when you breathe.

[Verse 6]

Do not dress in those rags for me,
I know you are not poor;
And don't love me quite so fiercely now
When you know that you are not sure,
It is your turn, beloved,
And it is your flesh that I wear.

[verse]

Yes you who must leave everything
that you cannot control
It begins with your family,
but soon it comes round to your soul
Well I've been where you're hanging
I think I can see how you're pinned
When you're not feeling holy
your loneliness says that you've sinned

[bridge]

[verse]

They lay down beside me
I made my confession to them
They touched both my eyes
and I touched the dew on their hem
If your life is a leaf that the
seasons tear off and condemn
They will bind you with love that is
graceful and green as a stem

[bridge]

[verse]

When I left they were sleeping
I hope you run into them soon
Dont turn on the lights you can
read their address by the moon
And you won't make me jealous if
I hear that they sweetened your night

Leonard Cohen - Story Of Isaac

[intro]

Am

[verse]

Am F

The door it opened slowly,

Am F

my father he came in,

G F E

I was nine years old.

Am F

And he stood so tall above me,

Am F

his blue eyes they were shining

G F E

and his voice was very cold.

C

He said, "I've had a vision

and you know I'm strong and holy,

D C B

I must do what I've been told."

F Bb

So he started up the mountain,

F Bb

I was running, he was walking,

F G A Am

and his axe was made of gold.

[verse]

Well, the trees they got much smaller,
the lake a lady's mirror,
we stopped to drink some wine.
Then he threw the bottle over,
broke a minute later
and he put his hand on mine.
Thought I saw an eagle
but it might have been a vulture,
I never could decide.
Then my father built an altar,
he looked once behind his shoulder,
he knew I would not hide.

[verse]

You who build the altars now
to sacrifice these children,
you must not do it anymore.
A scheme is not a vision
and you never have been tempted
by a demon or a god.
You who stand above them now,
your hatchets blunt and bloody,
you were not there before,
when I lay upon a mountain
and my father's hand was trembling
with the beauty of the word.

[verse]

And if you call me brother now,
forgive me if I inquire,
"Just according to whose plan?"
When it all comes down to dust
I will kill you if I must,
I will help you if I can.
When it all comes down to dust
I will help you if I must,
I will kill you if I can.
And mercy on our uniform,
man of peace or man of war,
the peacock spreads his fan.

Leonard Cohen - Suzanne

[Verse]

E

Suzanne takes you down
to her place near the river

F#m

You can hear the boats go by,
you can spend the night beside her

E

And you know that she's half-crazy,
but that's why you wanna be there

G#m

And she feeds you tea and oranges

A

that come all the way from China

E

And just when you mean to tell her

F#m

that you have no love to give her

E

Then she gets you on her wavelength,

F#m

and she lets the river answer

E

That you've always been her lover

[Chorus 1]

G#m

And you want to travel with her,

A

and you want to travel blind

E

And you know she will trust you

F#m

for you've touched her perfect body

E

With your mind

[Verse]

And Jesus was a sailor
when he walked upon the water
And he spent a long time watching
from his lonely wooden tower
And when he knew for certain
only drowning men could see him
He said: "All men will be sailors
then until the sea shall free them"
But he himself was broken
long before the sky would open
Forsaken, almost human,
he sank beneath your wisdom
Like a stone

[Chorus]

[Verse]

Now Suzanne takes your hand,
and she leads you to the river
She is wearing rags and feathers
from the Salvation Army counter
And the sun pours down like honey
on Our Lady of the Harbour
And she shows you where to look
among the garbage and the flowers
There are heroes in the seaweed,
there are children in the morning
They are leaning out for love,
and they will lean that way forever
While Suzanne holds the mirror

[Chorus]

So might as well, you be dead.

[Verse]

Let the dead bury the dead, now,
And who is to be fed, be fed.
I ain't got no time to waste on you, no, no,
I'm a livin' man; I got work to do, right now.

This man, and that man, yes, they are the same man.
You taught us this, just as well,
That the rich man Heaven, is the poor man's Hell.
You must see want I fe;

[Bridge]

Com'a, com'a funeral; Natty no go,
No one burial, yet you want I;
Com'a, com'a funeral, make your friend come claim say;

Peter Tosh - Johnny B. Goode

Em D

Deep down in Jamaica close to Mandeville
Back up in the woods on top of a hill
There stood an old hut made of earth and wood
Where lived a country boy named Johnny B Goode

He never learned to read and a write so well
But he could play his guitar like ringing a bell yell

CHORUS

He used to carry his guitar in a gunny sack
Sitting in a tree in the railroad track
Old engineer in the train sitting in the shade
Strummin' with the rhythm that them drivers made

People passing by would stop and say
Oh my oh my what the boy can play

CHORUS

Mama said son you gotta be a man
You gotta be the leader of a reggae band
People coming in from miles around
To hear you play until the sun goes down

Boy someday your name will be in the lights
Saying Johnny B Goode tonight

Quetschenpaua - Ufo

h - A - G - F

G - C - G - D - G - D - C

Neulich landete ein Ufo in Berlin
in Kreuzberg auf dem Heinrichplatz
Im Ufo waren viele bunte Wesen drin,
die sprangen raus mit einem Satz
Hallo wir komm'n vom Stern Autonomia
und wir ham gehört, hier ist es nett
Also ham wir gedacht, wir bleiben ein paar Tage hier
und fliegen dann mit unserm Teil
...wieder weg
Ja, ja, badabadadeidei...

Erst wars ja so en bisschen komisch so die Situation,
doch dann kamen 2 beherzte Punks
Die sagten Hey von eurem Stern da kennen wir ja nix von,
gibts da auch Pogo oder Militanz?
Pogo logo sagt ein Wesen ziemlich schnell,
doch dann kam das große nanu
Weil der ganze Platz war von Bullen umstellt
und alle fragten sich, was nun tun?
Badabadadeidei...

Paar Leute buddelten gleich Steine aus
und and're nahmen sich nen Stuhl
Doch die Wesen holten bloß ein kleines Schaltpult raus
und meinten zu uns, be cool
Dann gab es einen Blitz und die Bullen war'n weg,
ich sag, mit diesem Trick werdet ihr berühmt
Da sagen die, das war kein Trick,
wir ham eure Bullen nur mal eben nach Charlottenburg gebeamt
Badabadadeidei...

Der, Weltraum, unendliche Weiten
Oh die Erde, unheimliche Zeiten
Jaja, der Weltraum, unendliche Weiten
Die Erde, unheimliche Zeiten

Natürlich hat es die Geschichte so nie gegeben,
und das wäre auch ziemlich blöd
Von wegen Ufos die einfach durch die Gegend fliegen
und auf dem Heini landen abgedreht
Trotzdem hab ich die Geschichte so 'nen bisschen lieb,
weil sie mich wiederum in neue Träume trieb
Ist Autonomia auch bloß ein Stern, hab ich den so scheiße gern
Ahh, badabadadeidei...

Der Weltraum, unendliche Weiten
Die Erde, unheimliche Zeiten
Der Weltraum, unendliche Weiten
Die Erde, unheimliche Zeiten
Der Weltraum, unendlich
Die Erde, unheimlich

[Verse 2]

Night - swimming...
deserves a quiet night. I'm
not sure all these people under-
stand. It's not like years
ago. The fear of getting
caught, of recklessness and
water. They cannot see me
naked. These things they go
away, replaced by every(day).

[Verse 3]

-day. Night - swimming...
remembering that night. Sep-
tember's coming soon. I'm
pining for the moon. And
what if there were two side by
side in orbit around the fairest
sun? That bright, tight for-
ever drum cannot describe night-
swimming.

[Verse 4]

You, I thought I knew you.
You, I can-not judge.
You, I thought you knew me. This one's
laughing quiet-ly under-
neath my breath. Night-

[Intro]

C#m, A B (x8)

[Verse 1]

C#m F#m/A

I'm just an average man, with an average life,

C#m A B

I work from nine to five, hey, hell, I pay the price.

C#m F#m/A

But all I want is to be left alone, in my average home,

C#m A B

But why do I always feel, like I'm in the Twilight Zone?

[Chorus 1]

C#m F#m/A C#m

I always feel like, somebody's watchin' me,

A A/B

And I have no privacy.

C#m F#m/A C#m

I always feel like, somebody's watchin' me,

A B

Tell me; is it just a dream?

[Verse 2]

When I come home at night,

I bolt the door real tight.

People call me on the phone, I'm trying to a-void,

Well, can the people on TV see me, or am I just para-noid?

When I'm in the shower, I'm a-fraid to wash my hair,

'Cos I might open my eyes and find someone standing there.

People say I'm crazy; just a little touched,

But maybe showers remind me of Psycho too much, that's why;

[Chorus 2]

I always feel like, somebody's watchin' me,

And I have no privacy.

I always feel like, somebody's watchin' me,

Who's playing tricks on me?

To get my fair share of abuse
Singing, "We're gonna vent our frustration
If we don't we're gonna blow a 50-amp fuse"
Sing it to me now...

[chorus]

I went down to the Chelsea drugstore
To get your prescription filled
I was standing in line with Mr. Jimmy
And man, did he look pretty ill
We decided that we would have a soda
My favorite flavor, cherry red
I sung my song to Mr. Jimmy
Yeah, and he said one word to me, and that was "dead"
I said to him

[chorus]

You get what you need--yeah, oh baby!
Oh yeah!

I saw her today at the reception
In her glass was a bleeding man
She was practiced at the art of deception
Well I could tell by her blood-stained hands

If you like piña coladas

[verse]

I didn't think about my lady,
I know that sounds kind of mean
But me and my old lady
had fallen into the same old dull routine

So I wrote to the paper,
took out a personal ad
And though I'm nobody's poet,
I thought it wasn't half bad.

[verse]

Yes, I like piña coladas
and getting caught in the rain
I'm not much into health food,
I am into champagne

I've got to meet you by tomorrow noon
and cut through all this red tape
At a bar called O'Malley's
where we'll plan our escape.

A brave new world has dawned upon the human race,
where words are meaningless and everything's surreal.
Gonna have to reach my friends to find out how I feel.

And if I taste the honey is it really sweet
and do I eat it with my hands or with my feet?
Does anybody really listen when I speak

[Verse]

We just poked a little...empty pie,
for the fun that people had at night,
Late at night don't need host - tility,
timid smile, and pause to free,
I don't care about their... different thoughts,
Different thoughts are good for me,
Up in arms and chaste the whole,
all God's children took their toll!

[Chorus]

[Verse]

Cup of tea, take time to think, yeah,
time to risk a life, a life, a life,
Sweet and handsome, soft and porky,
you pig out 'til you've seen the light,
Pig out 'til you've seen the light!

[Verse]

Half the people... read the papers,
read them ...good and well,
Pretty people, nervous people,
people have got to sell, news you have to sell!

[Verse 2]

Spanish weeks in my disco casino
The freedom fighters died upon the hill
They sang the red flag, they wore the black one
But after they died it was Mockingbird Hill
Back home the buses went up in flashes
The Irish tomb was drenched in blood
Spanish bombs shatter the hotels
y señorita's rose was nipped in the bud

[Chorus]

[Verse 3]

The hillsides ring with "Free the people"
Or can I hear the echo from the days of '39?
With trenches full of poets, the ragged army
Fixin' bayonets to fight the other line
Spanish bombs rock the province
I'm hearing music from another time
Spanish bombs on the Costa Brava
I'm flying in on a DC 10 tonight

He took a face from the ancient gallery
And he walked on down the hall
He went into the room where his sister lived, and...then he
Paid a visit to his brother, and then he
He walked on down the hall, and
And he came to a door...and he looked inside
Father, yes son, I want to kill you
Mother...I want to...fuck you

C'mon baby, take a chance with us (3x)

Moving legs in footless tights

I like to get a few drinks down
The floor gets packed the bar gets full
I don't like life when things get dull

The hen party have saved the night
And freed themselves from drunken stags
Having fun and dancing in
A circle round their leather bags

It's time to leave this paradise
Hope the chip shop isn't closed

Standing in someone else's spew
Wish I had lipstick on my shirt
Instead of piss stains on my shoes

[verse]

I seen a rainbow yesterday
But too many storms have come and gone
Leavin' a trace of not one God-given ray
Is it because my life is ten shades of gray?
I pray all ten fade away
Seldom praise Him for the sunny days

And like His promise is true
Only my faith can undo
The many chances I blew
To bring my life to anew
Clear blue and unconditional skies
Have dried the tears from my eyes
No more lonely cries

My only bleedin' hope
Is for the folk who can't cope
With such an endurin' pain
That it keeps 'em in the pourin' rain
Who's to blame for tootin' 'caine into your own vein?
What a shame you shoot and aim for someone else's brain
You claim the insane and name this day in time
For fallin' prey to crime
I say the system got you victim to your own mind
Dreams are hopeless aspirations
In hopes of comin' true believe in yourself
the rest is up to me and you

Wu Tang Clan - C.R.E.A.M.

Em C D G D - Changes

[Intro]

Cash rules everything around me, C.R.E.A.M.

Get the money, dollar dollar bill, y'all

[Verse 1: Raekwon]

I grew up on the crime side, the New York Times side

Stayin' alive was no jive

Had secondhands, Mom's bounced on old man

So then we moved to Shaolin land

A young youth, yo, rockin' the gold tooth, 'Lo goose

Only way I be gettin' the G off was drug loot

And let's start it like this, son

Rollin' with this one and that one

Pullin' out gats for fun

But it was just a dream for the teen who was a fiend

Started smokin' woolas at 16

And runnin' up in gates, doin' hits for high stakes

Makin' my way on fire escapes

No question I would speed for cracks and weed

The combination made my eyes bleed

No question I would flow off and try to get the dough all

Stickin' up white boys in ball courts

My life got no better, same damn 'Lo sweater

Times is rough and tough like leather

Figured out I went the wrong route

So I got with a sick-ass clique and went all out

Catchin' keys from 'cross seas

Rollin' in MPV's, every week we made forty G's

Yo, people, respect mine, or here go the TEC-9

Ch-chick-POW! Move from the gate now!

[Hook: Method Man]

Cash rules everything around me

C.R.E.A.M., get the money

Dollar dollar bill, y'all

Cash rules everything around me

C.R.E.A.M., get the money

Dollar dollar bill, y'all

[Verse 2: Inspectah Deck]

It's been twenty-two long hard years, I'm still strugglin'
Survival got me buggin', but I'm alive on arrival
I peep at the shape of the streets
And stay awake to the ways of the world 'cause shit is deep
A man with a dream with plans to make cream
Which failed; I went to jail at the age of fifteen
A young buck sellin' drugs and such, who never had much
Tryin' to get a clutch at what I could not
The court played me short, now I face incarceration
Pacin', goin' upstate's my destination
Handcuffed in the back of a bus, forty of us
Life as a shorty shouldn't be so rough
But as the world turned I learned life is hell
Livin' in the world no different from a cell
Every day I escape from Jakes givin' chase
Sellin' base, smokin' bones in the staircase
Though I don't know why I chose to smoke sess
I guess that's the time when I'm not depressed
But I'm still depressed, and I ask: what's it worth?
Ready to give up so I seek the old Earth
Who explained workin' hard may help you maintain
To learn to overcome the heartaches and pain
We got stick-up kids, corrupt cops, and crack rocks
And stray shots, all on the block that stays hot
Leave it up to me while I be livin' proof
To kick the truth to the young black youth
But shorty's runnin' wild, smokin' sess, drinkin' beer
And ain't tryin' to hear what I'm kickin' in his ear
Neglected for now, but yo, it gots to be accepted
That what? That life is hectic
