G Bm  
The silicon chip inside her head

And nobody's gonna go to school today, she's gonna  
C D

I wanna shoot, Oo-oo-oo-oo-oooh,  
(N.C.) G Bm C D D C C  
The whole day down.

[verse]The Telex machine is kept so clean,  
And it types to a waiting world,  
And Mother feels so shocked; Father's world is rocked,  
And their thoughts turn to their own little girl.  
Sweet sixteen ain't that peachy keen,  
No, it ain't so neat to admit defeat,  
They can see no reasons cos there are no reasons  
What reasons do you need?

[chorus]

Tell me why I don't like Mondays,  
Tell me why I don't like Mondays,  
Tell me why I don't like Mondays,  
I wanna shoot, Oo-oo-oo-oo-ooh,  
The whole day down, down, down, shoot it all down...

[verse]

And all the Playing's stopped in the playground, now.  
She wants to play with her toys a while.  
And school's out early and soon we'll be learning  
And the lesson today is how to die.

C

And then the bullhorn crackles, and the captain tackles,

With the problems and the how's and why's  
And he can see no reasons, cos there are no reasons  
What reason do you need to die, die? Ooohh

[first verse]

[Chorus]

Tell me why I don't like Mondays,  
Tell me why I don't like Mondays,  
Tell me why I don't like, I don't like,  
(tell me why) I don't like Mondays  
Tell me why, I don't like, I don't like  
(tell me why) I don't like Mondays,  
Tell me why I don't like Mondays,  
I want to shoot, Oo-oo-oo-oo-ooh...  
The. Whole. Day. Down...

## Falco - Der Kommissar

[Verse 1]

Two, three, four, eins, zwei, drei  
Es is nichts dabei  
Wenn ich euch erzähl' die Geschichte'  
Nichts desto trotz, ich bin es schon gewohnt  
Im tv-funk da laeuft es nicht, jah  
Sie war so jung, das Herz so rein und weiss  
Und jede Nacht hat ihren Preis  
Sie sagt: "Sugar sweet, jah'got me rapp'in to the heat!"  
Ich verstehe sie ist heiss  
Sie sagt: "Babe you know, I miss my Funky friends"  
Sie meint, Jack und Jill  
Mein Funkverstaendnis reicht zur Not  
Ich ueberreiss' was sie jetzt will  
Ich ueberlege bei mir, ihre Nas'n spricht dafuer  
Waehrend dessen ich noch rauch'  
Die "special places" sind ihr wohlbekannt  
Ich mein', sie faehrt ja U-bahn auch dort singen's:

[Hook]

D Am  
 Draht dich net um - oh, oh, oh  
 D Am  
 schau, schau) Der Kommissar geht um - oh, oh, oh  
 C D  
 Er wird dich anschauen, und du weisst warum  
 Am G Em  
 Die Lebenslust bringt dich um  
 Alles klar Herr Kommissar?

[Verse 2]

(Hey man, wanna buy some stuff man?  
 Did you ever rap that thing Jack, so rap it to the beat)  
 Wir treffen Jill und Joe und dessen Bruder Hip,  
 Und auch den Rest der coolen gang  
 Sie rappen hin, sie rappen her  
 Dazwischen kratzen's ab die Waend'  
 Dieser Fall ist klar lieber Herr Kommissar  
 Auch wenn sie anderer Meinung sind  
 Den Schnee auf dem wir alle talwaerts fahr'n  
 Kennt heute jedes Kind  
 Jetzt das Kinderlied

E                A        D

[bridge]

D    E

[verse]

Yes you who must leave everything  
that you cannot control  
It begins with your family,  
but soon it comes round to your soul  
Well I've been where you're hanging  
I think I can see how you're pinned  
When you're not feeling holy  
your loneliness says that you've sinned

[bridge]

[verse]

They lay down beside me  
I made my confession to them  
They touched both my eyes  
and I touched the dew on their hem  
If your life is a leaf that the  
seasons tear off and condemn  
They will bind you with love that is  
graceful and green as a stem

[bridge]

[verse]

When I left they were sleeping  
I hope you run into them soon  
Dont turn on the lights you can  
read their address by the moon  
And you won't make me jealous if  
I hear that they sweetened your night

[bridge]

[outro] (2x)

          A                  D  
We weren't lovers like that and  
          A                  E                  A  
besides it would still be all right

Fliegen über Wälder  
Verbrennen unsere Felder

From the pain you drive in-to the heart of me.

The love we share, seems to,  
Go no-where.  
And I've lost my light,  
For I toss and turn; I can't sleep at night.

[Chorus]

E G  
Once I ran to you, now I run from you,

[Verse 2]

Now I know, I've got to;  
Run a-way, I've got to;  
Get A-way.  
You don't really want any more from me.

To make things right,  
You need some-one to hold you tight.  
And you think love is to pray,  
But I'm sorry, I don't pray that way.

[Chorus]

Once I ran to you, now I run from you,  
This tainted love you've given,  
I give you all a boy could give you.  
Take my tears and that's not nearly...  
All, Tainted love, oh, oh, oh,  
Tainted love.

## Leonard Cohen - Suzanne

[Verse]

E

Suzanne takes you down  
to her place near the river

F#m

You can hear the boats go by,  
you can spend the night beside her

E

And you know that she's half-crazy,  
but that's why you wanna be there

G#m

And she feeds you tea and oranges

A

that come all the way from China

E

And just when you mean to tell her

F#m

that you have no love to give her

E

Then she gets you on her wavelength,

F#m

and she lets the river answer

E

That you've always been her lover

[Chorus 1]

G#m

And you want to travel with her,

A

and you want to travel blind

E

And you know she will trust you

F#m

for you've touched her perfect body

E

With your mind

[Verse]

And Jesus was a sailor  
when he walked upon the water  
And he spent a long time watching  
from his lonely wooden tower  
And when he knew for certain  
only drowning men could see him  
He said: "All men will be sailors  
then until the sea shall free them"  
But he himself was broken  
long before the sky would open  
Forsaken, almost human,  
he sank beneath your wisdom  
Like a stone

[Chorus]

[Verse]

Now Suzanne takes your hand,  
and she leads you to the river  
She is wearing rags and feathers  
from the Salvation Army counter  
And the sun pours down like honey  
on Our Lady of the Harbour  
And she shows you where to look  
among the garbage and the flowers  
There are heroes in the seaweed,  
there are children in the morning  
They are leaning out for love,  
and they will lean that way forever  
While Suzanne holds the mirror

[Chorus]

## Tom Waits - I Don't Wanna Grow Up

[Verse]

Well, when I'm lying in my bed at night I don't wanna grow up  
Nothing ever seems to turn out right, I don't wanna grow up  
How do you move in a world of fog that's always changing things  
Makes me wish that I could be a do-og

[Verse]

Well, when I see the price that you pay I don't wanna grow up  
I don't ever wanna be that way, I don't wanna grow up  
Seems like folks turn into things they never want to be  
The only thing to live for is toda-ay

[Verse]

I'm gonna put a hole in my TV set, I don't wanna grow up  
Open up the medicine chest and I don't wanna grow up

[Chorus]

I don't wanna have to shout it out  
I don't want my hair to fall out  
I don't wanna be filled with doubt  
I don't wanna be a good boy scout  
I don't wanna hafta learn to count  
I don't want to have the biggest amount  
No, I don't want to grow up

[Verse]

Well, when I see my parents fight I don't want to grow up  
They all go out and drinkin' all night and I don't wanna grow up  
I'd rather stay here in my room Nothing out there but sad and gloom  
I don't wanna live in a big ol' tomb on Grand Street

[Verse]

When I see the 5 o'clock news                      I don't wanna grow up  
Comb their hair and shine their shoes, I don't wanna grow up

[Chorus]

Stay around in my ol' hometown  
I don't wanna put no money down  
I don't wanna get a big ol' loan  
Work them fingers to the bone  
I don't wanna float on a broom  
Fall in love get married then boom  
how the hell did it get here so soon  
No, I don't want to grow up

Him: Well there's something I never

I was falling deep, deeply in love with you, and  
I never told you til just now.

## Peter Tosh - Johnny B. Goode

Em D

Deep down in Jamaica close to Mandeville  
Back up in the woods on top of a hill  
There stood an old hut made of earth and wood  
Where lived a country boy named Johnny B Goode

He never learned to read and a write so well  
But he could play his guitar like ringing a bell yell

CHORUS

He used to carry his guitar in a gunny sack  
Sitting in a tree in the railroad track  
Old engineer in the train sitting in the shade  
Strummin' with the rhythm that them drivers made

People passing by would stop and say  
Oh my oh my what the boy can play

CHORUS

Mama said son you gotta be a man  
You gotta be the leader of a reggae band  
People coming in from miles around  
To hear you play until the sun goes down

Boy someday your name will be in the lights  
Saying Johnny B Goode tonight

Bei Finsterwalde sagt man  
Leben noch Freunde, die halten aus  
Die sagen, sie bleiben dabei  
Trotz Finsterwalde haben sie Träume  
Hell wie der Himmel, dort selten ist  
Hinter dem Feld, nach dem Spiel  
Gehört der Abend den Gardinen  
Und der Wald schweigt sich aus  
Und dann ist irgendwann Ruhe

Und wenn alles wieder schiefgeht  
Geht die Sonne trotzdem auf  
Auf dem brachgelegten Acker  
Wo die Krähen Urlaub machen

[verse]

Was ist die Großstadt gegen die Freunde?  
Bei Finsterwalde leben noch drei  
Halten sich wacker auf dem Parkplatz  
Und sehen den Autos Richtung Süden nach

Und wenn alles wieder schiefgeht  
Geht die Sonne trotzdem auf  
Auf dem brachgelegten Acker  
Wo die Krähen Urlaub machen

## Counting Crows - Mr. Jones

[Intro]

Am F Dm G

Sha la la la la la la la

Am F G G

uh huh...

[Verse 1] Am F Dm G

I was down at the New Amsterdam  
staring at this yellow-haired girl  
Mr. Jones strikes up a conversation  
with this black-haired flamenco dancer  
She dances while his father plays  
guitar. She's suddenly beautiful  
We all want something beautiful,  
I wish I was beautiful

So come dance this silence

Sha la la la la la la la

yeah uh huh...

Cut up, Maria! Show me some  
of them Spanish dances  
Pass me a bottle, Mr. Jones  
Believe in me. Help me believe in anything  
'Cause I want to be someone who believes

[Chorus 1] C F G

Mr. Jones and me tell each other fairy tales  
Stare at the beautiful women  
"She's looking at you. Ah, no, no, she's looking at me."  
Smiling in the bright lights, coming through in stereo  
When everybody loves you, you can never be lonely

[Verse 2]

I will paint my picture. Paint myself  
in blue and red and black and gray  
All of the beautiful colors are  
very, very meaningful  
(you know) Gray is my favorite color  
I felt so symbolic yesterday  
If I knew Picasso I would buy myself  
a gray guitar and play

[Chorus 2]

Mr. Jones and me look into the future  
Stare at the beautiful women  
"She's looking at you. Uh, I don't think so.  
She's looking at me."  
Standing in the spotlight  
I bought myself a gray guitar  
When everybody loves me,  
I will never be lonely

[Bridge]

Am Fmaj7  
I will never be lonely  
Am G  
I will never gonna be lonely

[Verse 3]

I want to be a lion. Everybody wants to pass as cats  
We All want to be big, big stars, but we got different reasons for that.  
Believe in me because I don't believe in anything  
And I want to be someone to believe, to believe, to believe.

[Chorus 3]

Mr. Jones and me stumbling  
through the barrio  
Yeah we stare at the beautiful women  
"She's perfect for you, man,  
there's got to be somebody for me."  
I want to be Bob Dylan  
Mr. Jones wishes he was someone  
just a little more funky  
When everybody loves you, son,  
that's just about as funky as you can be.

Mr. Jones and me staring at the video  
When I look at the television,  
I want to see me staring right back at me.  
We all want to be big stars,  
but we don't know why, and we don't know how.  
But when everybody loves me,  
I'm going to be just about as happy as I can be.

[Verse]

Now we know the truth, yes, we do,  
Find you wearing the boot.  
Of taking people's business on your head, yeah,  
So might as well, you be dead.

[Chorus]

Them want I, them want I, be com'a them funeral.  
Them claim say, them claim say; they are the General.  
Them want I, them want I, be com'a them funeral.

[Interlude]

[Verse]

Let the dead bury the dead, now,  
And who is to be fed, be fed.  
I ain't got no time to waste on you, no, no,  
I'm a livin' man; I got work to do, right now.

This man, and that man, yes, they are the same man.  
You taught us this, just as well,  
That the rich man Heaven, is the poor man's Hell.  
You must see want I fe;

[Bridge]

Com'a, com'a funeral; Natty no go,  
No one burial, yet you want I;  
Com'a, com'a funeral, make your friend come claim say;  
You are the geni.

D7

At the Locarno

When my feet go through the door

I know what my right arm is for

Buy a drink and pull a chair

Up to the edge of the dance floor

Bouncers bouncing through the night

Trying to stop or start a fight

I sit and watch the flashing lights

Moving legs in footless tights

[chorus]

I go out on Friday night

And I come home on Saturday morning

E

And I come home on Saturday morning

[verse]

I like to venture into town  
I like to get a few drinks down  
The floor gets packed the bar gets full  
I don't like life when things get dull

The hen party have saved the night  
And freed themselves from drunken stags  
Having fun and dancing in  
A circle round their leather bags

[chorus]

[verse]

But two o'clock has come again  
It's time to leave this paradise  
Hope the chip shop isn't closed  
Cos' their pies are really nice

I'll eat in the taxi queue  
Standing in someone else's spew  
Wish I had lipstick on my shirt  
Instead of piss stains on my shoes

[chorus] (2x)

Spanish weeks in my disco casino  
The freedom fighters died upon the hill

Spanish bombs shatter the hotels

The hillsides ring with "Free the people"  
Or can I hear the echo from the days of '39?  
With trenches full of poets, the ragged army  
Fixin' bayonets to fight the other line  
Spanish bombs rock the province  
I'm hearing music from another time  
Spanish bombs on the Costa Brava  
I'm flying in on a DC 10 tonight

### Anfangsriff

Meine Freundin und ihr Freund haben es gut gemeint,  
als sie meinten, sie tät mich mal besuchen.  
Und als sie's mir gestand, an einem Imbißstand,  
meinte ich noch, wir könnt's ja mal versuchen.

Und im Leben geht's oft her wie in einem Film von Rohmer.  
Und um das alles zu begreifen  
wird man was man furchtbar haßt, nämlich Cineast,  
zum Kenner dieser fürchterlichen Streifen.

just to call my special friend.

You know the first time I traveled out, in the rain and snow,

You know the first time I traveled out, in the rain and snow,

I didn't have no payroll, not even no place to go.

And my dear mother left me when I was quite young,  
when I was quite young.

And my dear mother left me when I was quite young,  
when I was quite young.

She said "Lord have mercy, on my wicked son."

Take a hint from me mama please, don't you cry no more  
don't you cry no more.

Take a hint from me mama please, don't you cry no more  
don't you cry no more.

Cause it's soon one morning, down the road I'm gone.

And I'm going to leave the city, got to go away  
got to go away

And I'm going to leave the city  
got to go away  
got to go away

All this fussing and fighting, man I sure can't stay.  
But I ain't going down that long and lonesome road  
all by myself.  
But I ain't going down that long and lonesome road  
all by myself.  
I can't carry you baby,  
gonna carry somebody else.

[Verse]

          Eb,          Gb,          Eb,          Gb  
Now I'm a seasick sailor on a ship of noise  
          Eb,          Gb,          Eb,          Gb  
I got my maps all backwards and my instincts poisoned  
          Eb,          Gb,          Eb,          Gb  
In a truth blown gutter full of wasted years  
          Eb,          Gb,          Eb,          Gb  
Like blown out speakers ringing... my ears

[Chorus]

          Db,          F  
Oh it's nausea, oh nausea, and we're gone  
Eb, Gb, Eb, Gb

          Db,          F  
It's nausea, oh nausea, and we're gone  
Eb, Gb, Eb, Gb

[Verse]

          Eb,          Gb,          Eb,          Gb  
Now I'm a straight line walker with a black-out room  
          Eb,          Gb,          Eb,          Gb  
I push a shopping cart over in an Aztec ruin  
          Eb,          Gb,          Eb,          Gb  
With my minion fingers working for some god  
          Eb,          Gb,          Eb,          Gb  
Who could see his own reflection in a parking lot

Chorus (0:58)

Interlude (1:15)

(guitar: 1:32) Db, F, Eb, Gb, Eb, Gb x2

Now I'm a preist teenager on a tower of dust  
          Eb,          Gb,          Eb,          Gb  
I'm a dead generator in a cloud of exhaust  
          Eb,          Gb,          Eb,          Gb  
I eat alone in the desert with skulls for my pets  
          Eb,          Gb,          Eb,          Gb  
I rate the days 1 to 10 with led cigarettes

## The Doors - The End

[chorus] (D - C changes)

This is the end

Beautiful friend

This is the end

My only friend, the end

C G D (repeat these changes)

Of our elaborate plans, the end

Of everything that stands, the end

No safety or surprise, the end

I'll never look into your eyes...again

C D

Can you picture what will be

G7 D

So limitless and free

C D G D

Desperately in need...of some...strangers hand

C D

In a...desperate land

[verse] (D - C changes)

Lost in a romance... wilderness of pain

And all the children are insane

All the children are insane

Waiting for the summer rain, yeah

(D all along)

There's danger on the edge of town

Ride the kings highway, baby

Weird scenes inside the gold mine

Ride the highway west, baby

Ride the snake, ride the snake

To the lake, the ancient lake, baby

The snake is long, seven miles

Ride the snake...he's old, and his skin is cold

The west is the best (2x)

Get here, and we'll do the rest

[verse]

The blue bus is calling us (2x)  
Driver, where you've taken us

The killer awoke before dawn, he put his boots on  
He took a face from the ancient gallery  
And he walked on down the hall  
He went into the room where his sister lived, and...then he  
Paid a visit to his brother, and then he  
He walked on down the hall, and  
And he came to a door...and he looked inside  
Father, yes son, I want to kill you  
Mother...I want to...fuck you

C'mon baby, take a chance with us (3x)

[verse]

And meet me at the back of the blue bus  
Doing a blue rock  
On a blue bus  
Doing a blue rock  
C'mon, yeah

[chorus]

This is the end  
Beautiful friend  
This is the end  
My only friend, the end  
It hurts to set you free  
But you'll never follow me  
The end of laughter and soft lies  
The end of nights we tried to die  
This is the end

## Arcade Fire - The Suburbs

[Verse]

C                      Am E                      G  
In the suburbs, I      I learned to drive  
                         C                      Am  
And you told me we'd never survive,  
E                      G  
grab your mother's keys, we're leaving

You always seemed so sure, that  
one day we'd be fighting  
In a suburban war, your part of  
town against mine  
I saw you standing on the opposite shore,  
but by the time the first bombs fell  
We were already bored,  
we were already, already bored

[Chorus]

C                      Am  
Sometimes I can't believe it,  
E                      D  
I'm moving past the feeling  
C                      Am  
Sometimes I can't believe it,  
E                      D  
I'm moving past the feeling  
C      Am E G  
Again

[Verse]

The kids wanna be so hard,  
but in my dreams we're still screaming  
And running through the yard,  
when all of the walls that they built  
In the seventies finally fall,  
and all of the houses they built  
In the seventies finally fall,  
meant nothing at all, meant nothing at all,  
it meant nothing

[Chorus]

Sometimes I can't believe it,  
I'm moving past the feeling  
Sometimes I can't believe it,  
I'm moving past the feeling  
And into the night

[Verse]

So can you understand,  
why I want a daughter  
While I'm still young,  
I wanna hold her hand and show her some beauty  
Before all this damage is done,  
but if it's too much to ask  
If it's too much to ask,  
then send me a son  
Under the overpass,  
in the parking lot we're still waiting  
It's already passed,  
so move your feet from hot pavement  
And into the grass,  
'cause it's already past,  
it's already, already past

[Chorus]

Sometimes I can't believe it,  
I'm moving past the feeling  
Sometimes I can't believe it,  
I'm moving past the feeling  
Again, I'm moving past the feeling  
I'm moving past the feeling

[Outro]

In my dreams  
We're still screaming (3x)

[Intro]

Cash rules everything around me, C.R.E.A.M.

Get the money, dollar dollar bill, y'all

[Verse 1: Raekwon]

I grew up on the crime side, the New York Times side

Stayin' alive was no jive

Had secondhands, Mom's bounced on old man

So then we moved to Shaolin land

A young youth, yo, rockin' the gold tooth, 'Lo goose

Only way I be gettin' the G off was drug loot

And let's start it like this, son

Rollin' with this one and that one

Pullin' out gats for fun

But it was just a dream for the teen who was a fiend

Started smokin' woolas at 16

And runnin' up in gates, doin' hits for high stakes

Makin' my way on fire escapes

No question I would speed for cracks and weed

The combination made my eyes bleed

No question I would flow off and try to get the dough all

Stickin' up white boys in ball courts

My life got no better, same damn 'Lo sweater

Times is rough and tough like leather

Figured out I went the wrong route

So I got with a sick-ass clique and went all out

Catchin' keys from 'cross seas

Rollin' in MPV's, every week we made forty G's

Yo, people, respect mine, or here go the TEC-9

Ch-chick-POW! Move from the gate now!

[Hook: Method Man]

Cash rules everything around me

C.R.E.A.M., get the money

Dollar dollar bill, y'all

Cash rules everything around me

C.R.E.A.M., get the money

Dollar dollar bill, y'all

[Verse 2: Inspectah Deck]

It's been twenty-two long hard years, I'm still strugglin'  
Survival got me buggin', but I'm alive on arrival  
I peep at the shape of the streets  
And stay awake to the ways of the world 'cause shit is deep  
A man with a dream with plans to make cream  
Which failed; I went to jail at the age of fifteen  
A young buck sellin' drugs and such, who never had much  
Tryin' to get a clutch at what I could not  
The court played me short, now I face incarceration  
Pacin', goin' upstate's my destination  
Handcuffed in the back of a bus, forty of us  
Life as a shorty shouldn't be so rough  
But as the world turned I learned life is hell  
Livin' in the world no different from a cell  
Every day I escape from Jakes givin' chase  
Sellin' base, smokin' bones in the staircase  
Though I don't know why I chose to smoke sess  
I guess that's the time when I'm not depressed  
But I'm still depressed, and I ask: what's it worth?  
Ready to give up so I seek the old Earth  
Who explained workin' hard may help you maintain  
To learn to overcome the heartaches and pain  
We got stick-up kids, corrupt cops, and crack rocks  
And stray shots, all on the block that stays hot  
Leave it up to me while I be livin' proof  
To kick the truth to the young black youth  
But shorty's runnin' wild, smokin' sess, drinkin' beer  
And ain't tryin' to hear what I'm kickin' in his ear  
Neglected for now, but yo, it gots to be accepted  
That what? That life is hectic

Old Shatterhand und Nietzsche tot,  
im Kaufhof klaut Gott sein Brot.  
Siehst du die Schrift an der Wand?

Refrain:

Russe in Beton und Stahl,

Another six months I'll be unknown

Remember the time that I spilled the cup  
Of apple juice in the hall  
Please tell mom this is not her fault

Days when I can still feel alive  
When I can't wait to get outside  
The world is wide, the time goes by  
The tour is over, I've survived  
I can't wait till I get home

## Leonard Cohen - Avalanche

[Intro]

Em

[Verse 1]

Em                      C/G                      Em

I stepped into an avalanche,

D/F#      Em

it covered up my soul;

C/G

When I am not this hunchback that you see,

Em                      D/F#                      Em

I sleep beneath a golden hill.

G                      D/F#

You who wish to conquer pain,

Em

C/G

B7/F#

you must learn, learn to serve me well.

[Verse 2]

You strike my side by accident

As you go down for your gold.

The cripple here that you clothe and feed

Is neither starved nor cold;

He does not ask for your company,

Not at the centre, the centre of the world.

[Verse 3]

When I am on a pedestal,

You did not raise me there.

Your laws do not compel me

To kneel grotesque and bare.

I myself am the pedestal

For this ugly hump at which you stare.

[Verse 4]

ou who wish to conquer pain,

You must learn what makes me kind;

The crumbs of love that you offer me,

They're the crumbs I've left behind.

Your pain is no credential here,

It's just the shadow, shadow of my wound.

[Verse 5]

I have begun to long for you,  
I who have no greed;  
I have begun to ask for you,  
I who have no need.  
You say you've gone away from me,  
But I can feel you when you breathe.

[Verse 6]

Do not dress in those rags for me,  
I know you are not poor;  
And don't love me quite so fiercely now  
When you know that you are not sure,  
It is your turn, beloved,  
And it is your flesh that I wear.

[Outro]

## Rockwell - Somebody's Watching Me

[Intro]

C#m, A B (x8)

[Verse 1]

C#m F#m/A

I'm just an average man, with an average life,

C#m A B

I work from nine to five, hey, hell, I pay the price.

C#m F#m/A

But all I want is to be left alone, in my average home,

C#m A B

But why do I always feel, like I'm in the Twilight Zone?

[Chorus 1]

C#m F#m/A C#m

I always feel like, somebody's watchin' me,

A A/B

And I have no privacy.

C#m F#m/A C#m

I always feel like, somebody's watchin' me,

A B

Tell me; is it just a dream?

[Verse 2]

When I come home at night,

I bolt the door real tight.

People call me on the phone, I'm trying to a-void,

Well, can the people on TV see me, or am I just para-noid?

When I'm in the shower, I'm a-fraid to wash my hair,

'Cos I might open my eyes and find someone standing there.

People say I'm crazy; just a little touched,

But maybe showers remind me of Psycho too much, that's why;

[Chorus 2]

I always feel like, somebody's watchin' me,

And I have no privacy.

I always feel like, somebody's watchin' me,

Who's playing tricks on me?

[Interlude]

C#m, A B (x4)

[Break]

C#m C#sus C#m A

C#m C#sus C#m A B

C#m B

I don't know any more; are the neighbours watching me?

C#m A B

Well, is the mailman watching me?

C#m F#m/A

And I don't feel safe any more, oh, what a mess!

C#m A A/B

I wonder who's watching me now? Who? The IR-S?

[Chorus]

I always feel like, somebody's watchin' me,

And I have no privacy.

I always feel like, somebody's watchin' me,

Tell me; is it just a dream?

[Chorus]

I always feel like, somebody's watchin' me,

And I have no privacy.

I always feel like, somebody's watchin' me,

Who's playing tricks on me?

## Johnny Cash - Man In Black

G G G G

G G  
Well, you wonder why I always dress in black,  
G A  
Why you never see bright colors on my back,  
C G C G  
And why does my appearance seem to have a somber tone.  
A7 D7  
Well, there's a reason for the things that I have on.

G G  
I wear the black for the poor and the beaten down,  
G A  
Livin' in the hopeless, hungry side of town,  
C G C G  
I wear it for the prisoner who has long paid for his crime,  
A7 D7  
But is there because he's a victim of the times.

G G  
I wear the black for those who never read,  
G A  
Or listened to the words that Jesus said,  
C G C G  
About the road to happiness through love and charity,  
A7 D7  
Why, you'd think He's talking straight to you and me.

G G  
Well, we're doin' mighty fine, I do suppose,  
G A  
In our streak of lightnin' cars and fancy clothes,  
C G C G  
But just so we're reminded of the ones who are held back,  
A7 D7  
Up front there ought 'a be a Man In Black.

G G  
 I wear it for the sick and lonely old,  
 G A  
 For the reckless ones whose bad trip left them cold,  
 C G C G  
 I wear the black in mournin' for the lives that could have been,  
 A7 D7  
 Each week we lose a hundred fine young men.

G G  
 And, I wear it for the thousands who have died,  
 G A  
 Believen' that the Lord is on their side,  
 C G C G  
 I wear it for another hundred thousand who have died,  
 A7 D7  
 Believen' that we all were on their side.

G G  
 Well, there's things that never will be right I know,  
 G A  
 And things need changin' everywhere you go,  
 C G C G  
 But 'til we start to make a move to make a few things right,  
 A7 D7  
 You'll never see me wear a suit of white.

G G  
 Oh, I'd love to wear a rainbow every day,  
 G A  
 And tell the world that everything's ok,  
 C G C G  
 But I'll try to carry off a little darkness on my back,  
 A7 D7  
 Till things are brighter, I'm the Man In Black

No more speed, I'm almost there,  
Gotta keep cool now, gotta take care.  
Last car to pass, here I go,  
And the line of cars drove down real slow.

And the radio played that forgotten song,  
Brenda Lee's "Coming On Strong".  
And the newsman sang his same song,  
One more Radar Love gone!

## Kim Carnes - Bette Davis Eyes

[Intro]

F Am G x4

[Verse 1]

Her hair is Harlowe gold, her lips a sweet surprise  
Her hands are never cold, she's got Bette Davis eyes  
She'll turn the music on you  
You won't have to think twice  
She's pure as New York snow, she's got Bette Davis eyes

[Chorus 1]

And she'll tease you, she'll unease you,  
All the better just to please you,  
She's precocious, and she knows just what it takes  
to make a pro blush  
She's got Greta Garbo's standoff sighs  
She's got Bette Davis eyes

[Verse 2]

She'll let you take her home, you whet her appetite  
She'll lay you on her throne, she's got Bette Davis eyes  
She'll take a tumble on you  
Roll you like you were dice,  
Until you come up blue, she's got Bette Davis eyes

it's getting out of hand  
On the tenth floor, down the back stairs,

Lights are flashing, cars are crashing,  
getting frequent now  
I've got the spirit, lose the feeling,  
let it out somehow

[verse]

What means to you, what means to me, and we  
will meet again  
I'm watching you, I'm watching her, I'll take no pity  
from you friends  
Who is right, who can tell, and who gives  
a damn right now  
Until the spirit new sensation takes hold,

Until the spirit new sensation takes hold,

And I went down to the demonstration  
To get my fair share of abuse  
Singing, "We're gonna vent our frustration  
If we don't we're gonna blow a 50-amp fuse"  
Sing it to me now...

[chorus]

I went down to the Chelsea drugstore  
To get your prescription filled  
I was standing in line with Mr. Jimmy  
And man, did he look pretty ill  
We decided that we would have a soda  
My favorite flavor, cherry red  
I sung my song to Mr. Jimmy  
Yeah, and he said one word to me, and that was "dead"  
I said to him

[chorus]

You get what you need--yeah, oh baby!  
Oh yeah!

I saw her today at the reception  
In her glass was a bleeding man  
She was practiced at the art of deception  
Well I could tell by her blood-stained hands

## Leonard Cohen - Story Of Isaac

my father he came in,

G

I was nine years old.

Am

F

And he stood so tall above me,

Am

his blue eyes they were shining

G

F

and his voice was very cold.

C

He said, "I've had a vision

and you know I'm strong and holy,

D

C

B

I must do what I've been told."

F

Bb

So he started up the mountain,

F

Bb

I was running, he was walking,

F

G

A

Am

and his axe was made of gold.

[verse]

Well, the trees they got much smaller,  
the lake a lady's mirror,  
we stopped to drink some wine.  
Then he threw the bottle over,  
broke a minute later  
and he put his hand on mine.  
Thought I saw an eagle  
but it might have been a vulture,  
I never could decide.  
Then my father built an altar,  
he looked once behind his shoulder,  
he knew I would not hide.

[verse]

You who build the altars now  
to sacrifice these children,  
you must not do it anymore.  
A scheme is not a vision  
and you never have been tempted  
by a demon or a god.  
You who stand above them now,  
your hatchets blunt and bloody,  
you were not there before,  
when I lay upon a mountain  
and my father's hand was trembling  
with the beauty of the word.

[verse]

And if you call me brother now,  
forgive me if I inquire,  
"Just according to whose plan?"  
When it all comes down to dust  
I will kill you if I must,  
I will help you if I can.  
When it all comes down to dust  
I will help you if I must,  
I will kill you if I can.  
And mercy on our uniform,

## The Cure - Close To me

[Verse]

B

I've waited hours for this

I've made myself so sick

Abmin

I wish I'd stayed

F#

asleep today

B

I never thought this day would end

Abmin

I never thought tonight could ever be

F#

this close to me

[Verse]

B

Just try to see in the dark

just try to make it work

Abmin

F#

to feel the fear before you're here

B

I make the shapes come much too close

I pull my eyes out

Abmin

F#

hold my breath and wait until I shake...

[Bridge]

E

But if I had your faith

B

then I could make it safe and clean

E

If only I was sure

B

that my head on the door was a dream

[Instrumental]

[first Verse]

[Bridge]

E

But if I had your face

B

then I could make it safe and clean

E

if only I was sure that my head on the door

[verse]

Ich liebe die, die jeden Einfall ausprobieren,  
der Erfahrung ein Schnippchen schlagen,  
zwischen Misserfolgen heil hindurchschlängeln  
und deren Augen leuchten, wenn sie fragen.

Nicht die, die denken: es lohnt sich doch nicht,  
die alles schon immer gewusst haben,  
die sagen: wozu? es macht doch keinen Unterschied,  
und ihre Neugier mit Erfahrungen begraben.

[verse]

Woke up this morning and my head was in a daze.  
A brave new world has dawned upon the human race,  
where words are meaningless and everything's surreal.  
Gonna have to reach my friends to find out how I feel.

And if I taste the honey is it really sweet  
and do I eat it with my hands or with my feet?  
Does anybody really listen when I speak  
or will I have to say it all again next week?

Would you open your arms out to me  
We can make love not war  
And live at peace with our hearts

I didn't think about my lady,

But me and my old lady  
had fallen into the same old dull routine

So I wrote to the paper,  
took out a personal ad  
And though I'm nobody's poet,  
I thought it wasn't half bad.

[verse]

Yes, I like piña coladas  
and getting caught in the rain  
I'm not much into health food,  
I am into champagne

I've got to meet you by tomorrow noon  
and cut through all this red tape  
At a bar called O'Malley's  
where we'll plan our escape.

Now that I escape, sleepwalker awake  
Those who could relate know the world ain't cake  
Jail bars ain't golden gates  
Those who fake, they break  
When they meet their 400-pound mate  
If I could rule the world  
Everyone would have a gun in the ghetto of course  
When giddyuping on their horse  
I kick a rhyme drinking moonshine  
I pour a sip on the concrete, for the deceased  
But no don't weep, Wyclef's in a state of sleep  
Thinking bout the robbery that I did last week  
Money in the bag, banker looked like a drag  
I want to play with pelicans from here to Baghdad  
Gun blast, think fast, I think I'm hit  
My girl pinched my hips to see if I still exist  
I think not, I'll send a letter to my friends  
A Born Again hooligan only to be king again

Rap orgies with Porgy and Bess  
Capture your bounty like Elliot Ness, yes  
Bless you if you represent the Fu  
But I'll hex you with some witch's brew  
If you're doo-doo, voodoo  
I can do what you do, easy, believe me  
Fronting niggas give me hee-bee-gee-bees  
So while you're imitating Al Capone, I'll be Nina Simone

Ready or not, refugees taking over  
The Buffalo Soldier, dreadlock Rasta  
On the twelfth hour, fly by in my bomber  
Crews run for cover, now they're under pushing up flowers  
Superfly true lies, do or die  
Toss me high ? only puff la

## Nancy Sinatra - Summerwine

[Female]

Am G  
Strawberries, cherries and an angel's kiss in spring.  
Am G  
My summer wine is really made from all these things.

[Male]

Am G  
I walked in town on silver spurs that jingled too.  
Am G  
A song that I had only sang to just a few.  
Dm Am  
She saw my silver spurs and said let's pass some time.  
Dm Am  
And I will give to you summer wine.

My eyes grew heavy and my lips they could not speak.

I tried to get up but I couldn't find my feet.  
Dm Am  
She reassured me with an unfamiliar line.  
Dm Am  
And then she gave to me more summer wine.

## Quetschenpaua - Ufo

h - A - G - F

G - C - G - D - G - D -C

Neulich landete ein Ufo in Berlin  
in Kreuzberg auf dem Heinrichplatz  
Im Ufo waren viele bunte Wesen drin,  
die sprangen raus mit einem Satz  
Hallo wir komm'n vom Stern Autonomia  
und wir ham gehört, hier ist es nett  
Also ham wir gedacht, wir bleiben ein paar Tage hier  
und fliegen dann mit unserm Teil  
...wieder weg  
Ja, ja, badabadadeidei...

Erst wars ja so en bisschen komisch so die Situation,  
doch dann kamen 2 beherzte Punks  
Die sagten Hey von eurem Stern da kennen wir ja nix von,  
gibts da auch Pogo oder Militanz?  
Pogo logo sagt ein Wesen ziemlich schnell,  
doch dann kam das große nanu  
Weil der ganze Platz war von Bullen umstellt  
und alle fragten sich, was nun tun?  
Badabadadeidei...

Paar Leute buddelten gleich Steine aus  
und and're nahmen sich nen Stuhl  
Doch die Wesen holten bloß ein kleines Schaltpult raus  
und meinten zu uns, be cool  
Dann gab es einen Blitz und die Bullen war'n weg,  
ich sag, mit diesem Trick werdet ihr berühmt  
Da sagen die, das war kein Trick,  
wir ham eure Bullen nur mal eben nach Charlottenburg gebeamt  
Badabadadeidei...

Der, Weltraum, unendliche Weiten  
Oh die Erde, unheimliche Zeiten  
Jaja, der Weltraum, unendliche Weiten  
Die Erde, unheimliche Zeiten

Natürlich hat es die Geschichte so nie gegeben,  
und das wäre auch ziemlich blöd  
Von wegen Ufos die einfach durch die Gegend fliegen  
und auf dem Heini landen abgedreht  
Trotzdem hab ich die Geschichte so 'nen bisschen lieb,  
weil sie mich wiederum in neue Träume trieb  
Ist Autonomia auch bloß ein Stern, hab ich den so scheiße gern  
Ahh, badabadadeidei...

Der Weltraum, unendliche Weiten  
Die Erde, unheimliche Zeiten  
Der Weltraum, unendliche Weiten  
Die Erde, unheimliche Zeiten  
Der Weltraum, unendlich  
Die Erde, unheimlich

Late at night don't need host - tility,  
timid smile, and pause to free,  
I don't care about their... different thoughts,  
Different thoughts are good for me,  
Up in arms and chaste the whole,  
all God's children took their toll!

## America - Horse With No Name

Em D6/9  
On the first part of the journey  
Em D6/9  
I was lookin at all the life  
Em D6/9  
There were plants and birds and rocks and things  
Em D6/9  
There were sand and hills and rings  
  
Em D6/9  
The first thing I met was a fly with a buzz  
Em D6/9  
and the sky with no clouds  
Em D6/9  
the heat was hot and the ground was dry  
Em D6/9  
but the air was full of sound  
  
Em9 Dmaj9  
I've been through the desert on a horse with no name  
Em9 Dmaj9  
it felt good to be out of the rain  
Em9 Dmaj9  
in the desert you can remember your name  
Em9 Dmaj9  
'cause there ain't no one for to give you no pain  
Em9 Dmaj9  
La la la la lala la lala  
Em9 Dmaj9  
la la la

Em D6/9  
After two days in the desert sun  
Em D6/9  
my skin began to turn red  
Em D6/9  
After three days in the desert fun  
Em D6/9  
I was looking at a river bed  
Em D6/9  
And the story it told of a river that flowed  
Em D6/9  
made me sad to think it was dead

Em9 Dmaj9  
I've been through the desert on a horse with no name  
Em9 Dmaj9  
it felt good to be out of the rain  
Em9 Dmaj9  
in the desert you can remember your name  
Em9 Dmaj9  
'cause there ain't no one for to give you no pain  
Em9 Dmaj9  
la la la la lala la lala  
Em9 Dmaj9  
la la la

After nine days I let the horse run free  
'cause the desert had turned to sea  
there were plants and birds and rocks and things  
there were sand and hills and rings  
The ocean is a desert with it's life underground  
and the perfect disguise above  
Under the cities lies a heart made of ground  
but the humans will give no love

I've been through the desert on a horse with no name  
it felt good to be out of the rain  
in the desert you can remember your name

## Roberta Flack - The First Time Ever I Saw Your Face

C(2x) Dm G

          Dm          G          C  
The first time...ever I saw your face,  
Am7                  Em7          F  
I thought the sun rose...in your eyes.  
C                          G          C  
And the moon and stars...were the gifts you gave,  
          Bb                  C  
To the dark...and the endless sky, my love.

          Dm          G          C  
And the first time...ever I kissed your mouth,  
Am7                  Em7          F  
I felt the earth move...through my hands.  
C                          G          C  
Like the trembling heart...of a captive bird  
Bb                          C  
That was there...at my command.

          Dm          G          C  
And the first time...ever I laid with you,  
Am7                  Em7          F  
I felt your heart...so close to mine.  
          C          G          C  
And I know our joy...would fill the earth,  
          Bb                  C  
And last...till the end of time, my love.

Dm  Dm          C          G  C  
The first time...ever I saw...your...face.

Your...face

Y'all don't hear me?

[chorus] (2x)

Come on, come on

[verse]

I seen a rainbow yesterday  
But too many storms have come and gone  
Leavin' a trace of not one God-given ray  
Is it because my life is ten shades of gray?  
I pray all ten fade away  
Seldom praise Him for the sunny days

And like His promise is true  
Only my faith can undo  
The many chances I blew  
To bring my life to anew  
Clear blue and unconditional skies  
Have dried the tears from my eyes  
No more lonely cries

My only bleedin' hope  
Is for the folk who can't cope  
With such an endurin' pain  
That it keeps 'em in the pourin' rain  
Who's to blame for tootin' 'caine into your own vein?  
What a shame you shoot and aim for someone else's brain  
You claim the insane and name this day in time  
For fallin' prey to crime  
I say the system got you victim to your own mind  
Dreams are hopeless aspirations  
In hopes of comin' true believe in yourself  
the rest is up to me and you

[chorus] (2x)

Some are like water, some are like the heat  
Some are a melody and some are the beat  
Sooner or later they all will be gone  
Why don't they stay young?

It's so hard to get old without a cause  
I don't want to perish like a fading horse  
Years like diamonds in the sun  
And diamonds are forever

[Verse 2]

Night - swimming...  
deserves a quiet night. I'm  
not sure all these people under-  
stand. It's not like years  
ago. The fear of getting  
caught, of recklessness and  
water. They cannot see me  
naked. These things they go  
away, replaced by every(day).

[Verse 3]

-day. Night - swimming...  
remembering that night. Sep-  
tember's coming soon. I'm  
pining for the moon. And  
what if there were two side by  
side in orbit around the fairest  
sun? That bright, tight for-  
ever drum cannot describe night-  
swimming.

[Verse 4]

You, I thought I knew you.  
You, I can-not judge.  
You, I thought you knew me. This one's  
laughing quiet-ly under-  
neath my breath. Night-  
swimming.

[Interlude]

[Verse 5]

photograph re-flects every  
streetlight a reminder. Night-  
swimming de-serves a quiet  
night.  
de-serves a quiet  
night.

He who seeks of only vanity

And no love for humanity

Shall fade away, fade away

He who checks for only wealth

And not for his physical health

Shall fade away, fade away

Though some believe in diamonds and pearl

And feel like they're on top of the world

They shall fade away, hear what I say

The rich is getting richer every day

And the little that the poor man got

It shall be taken away

Do you hear what I say? Yeah, hear what I say

The man who worships silver and gold

Shall surely, surely, surely lose his own soul

Then fade away

One who's always acting smart

And don't carry no love in his heart

Shall fade away

God is here and there and everywhere

And He knows when you play the game unfair

So people beware, or else you fade away!

Hey, beware! Or dare you fade away?

You gotta fade, gotta fade, gotta fade now
