Dinge bleiben gleich. Sand, Sterne, Wellenrauschen, Windschütze und Steine. Dinge und deren fehlende Dynamik lehren uns wie gering Einfluß sein kann. Geringe Einflüsse bestätigen Sicherheit. Durch Änderung von Dingen darf keine Unsicherheit entstehen, denn

Dinge wiederholen sich. Burnende Lehmofen, Zelebrierung unpassender Anlässe, Orden und Uniformen, Logbücher. Dinge und deren Wiederholung lehren uns, sich einer Wichtigkeit beim erstmaligen Auftreten bewusst zu werden. Die Hoffnung, Dinge erhalten bei Wiederholung eine adäquate Anerkennung, ist naiv. Die Schlußfolgerung, Wiederholung zu unterlassen, wäre töricht, denn

Dinge entwickeln sich. Hackeball, Nahrungsaufnahmestilistiken, Kontaktwertschätzung - ob nun Sonne oder Mensch, Fischbrötchen, Rote Punkte am Horizont. Dinge und deren Entwicklung lehren uns, auch obgleich den Gefahren von Wiederholung und Stagnation, die für den Genuss wohl wichtigste Grundlage schätzen zu wissen: die Zeit.

Dinge werden gleich sein. Dinge werden sich wiederholen. Dinge werden sich verändern.

Keimzeit - Singapur

[Verse]

Em C D Bm

Wir legen ab und fahr'n nach Singapur
Mit 'nem Schiff aus schäbigem Holz
Auch wenn der Wind uns das Segel zerreißt
Wir müssen weiter, immer weiter, was soll's

Der Heizer aus China will nach Hause
Bläst der Wind nicht kriegt er viel zu tun
Unsere Weisheiten jagt er durch die Dampfmaschine
Ist gegen Pocken und Pest immun

Der Schiffskoch gebor'n in Sizilien
Hat längst die Weltrezeptur erkannt
Segelnd über die Meere
Trägt er die Botschaft in ein fernes Land

Der Steuermann nennt sich Napoleon
Gespalten brüllt er in die Nacht
Kommt er müde aus der Schlacht wieder zu sich
Wird das Steuer mit 'nem Strick fest gemacht

Und das Kommando führt ein deutscher Kapitän
Sein linkes Bein hat er im Krieg verlor'n
Lange schon keine Heimat mehr
Er will in Singapur ein Leben von vorn

Lorde - Royals

[Verse]

I've never seen a diamond in the flesh
I cut my teeth on wedding rings ... in the movies
And I'm not proud of my address - in the torn up town
No postcode envy

[Pre-Chorus]

But every song's like: gold teeth, grey goose, trippin' in the bathroom
Blood stains, ballgowns, trashin' the hotel room
We don't care - we're driving Cadillacs in our dreams
But everybody's like Cristal, Mayback, diamonds on your timepiece
Jet planes, islands, tigers on a gold leash
We don't care - we aren't caught up in your love affair

[Chorus]

And we'll never be royals - It don't run in our blood
That kind of lux just ain't for us
We crave a different kind of buzz
Let me be your ruler - you can call me Queen Bee
And baby I'll rule, I'll rule, I'll rule, I'll rule
Let me live that fantasy

[Verse]

D

My friends and I we've cracked the code

D

We count our dollars on the train to the party

D

And everyone who knows us knows that we're fine with this

We didn't come from money

[Pre-Chorus]

[Chorus]

[Bridge]

D

oh ooh oh ohh

C

We're bigger than we ever dreamed

G

And I'm in love with being queen (king)

D

oh ooh oh ohh

C

Life's a game without a care

G

We aren't caught up in your love affair

Element Of Crime - Schwere See

F#m Hm
Merkst Du denn wie weit der Horizont sich neigt
F#m
Das leise Zittern, wenn das Schiff ganz langsam in die Höhe steigt
Hm
Wie eine alte Frau, die sich mit Mühe aus deem Sessel hebt
F#m Hm
Wie alles um uns bebt und ächzt und stöhnt
F#m Hm
als ob es lebt

A D C#m
Schwere See, Schwere See, mein Herz
A D C#m
Schwere See, Schwere See, mein Herz

Der kleine Hund, den du neulich erst gefunden hast
In desssen Maul, das nie zu stopfen war
Ein jeder Käse, Fisch und Kuchen drückte
Der mit seiner Niedlichkeit das ganze Schiff entzückte
Der ging grade über Bord
Eben noch lustig
jetzt schon fort

Schwere See, Schwere See, mein Herz
Schwere See, Schwere See, mein Herz

Und während ich schon krank bin
Und den Fische was zu essen bringe
Nimsst du das Gabelfrühstück ein
Kaust krachend Brot und halbe Heringe
Trinkst Wein und lachst so laut
Als ob du's extra machst
Ist das so?
Tust du das?

Schwere See, Schwere See, mein Herz
Schwere See, Schwere See, mein Herz
Schwere See, Schwere See, mein Herz
Schwere See, Schwere See, mein Herz

Jetzt wirst auch du ganz blaß
Und du krallst dich in die reling
Dein Blick ist starr und deine Augen matt
Wer's einmal hat, dem geht es nie mehr aus den Knochen raus
Krall dich an mich und danke, daß du mir vertraust
Ich will dein fester Boden sein
Obwohl ich selber schwanke
Obwohl ich selber schwanke

Schwere See, Schwere See, mein Herz
Schwere See, Schwere See, mein Herz
Schwere See, Schwere See, mein Herz
Schwere See, Schwere See, mein Herz

F#m C#m D A

It ain't 2009 no more

Bm

Bm

Yeah, I know what's behind that door

[Verse 1]

Yeah, okay you gotta jump in to swim

Well, the light was dim in this life of sin

Now every day I wake up and breathe

I don't have it all but that's alright with me

Take it nice and easy, took a flight to see me

Send you back home with a light that's beamin'

The whole team 'bout to figure it out

We ice cold, that's what winter about

And sometimes, sometimes I wish I took a simpler route

Instead of havin' demons that's as big as my house, mhm

Have a ball with a dribble and bounce

'Cause the party ain't over 'til they're kickin' me out, yeah

Isn't it funny? We can make a lot of money

Buy a lot of things just to feel a lot of ugly

I was yay high and muddy

Lookin' for what was lookin' for me

[Chorus]

[Verse 2]

Yeah, they ask me what I'm smilin' for
Well, because I've never been this high before
It's like I never felt alive before
Mhmm, I'd rather have me peace of mind than war

See me and you, we ain't that different
I struck the fuck out and then I came back swingin'
Take my time to finish, mind my business
A life ain't a life 'til you live it

I was diggin' me a hole big enough to bury my soul
Weight of the world, I gotta carry my own
My own, with these songs I can carry you home
I'm right here when you scared and alone

And I ain't never in a hurry
You don't ever gotta worry
Even when it's 7:30 and the time is runnin' low
When your heart get cold

See what's behind all them unturned stones
And I'm a pro when it come to my job
But really I'm just tryna start believin' in God
Now when it gets hard
I don't panic, I don't sound the alarm

[Chorus] 2x

Minnie Riperton - Les Fleurs

[Verse 1]

Eb Db Cm B Db
Will somebody wear me to the fair?
Will a lady pin me in her hair?
Will a child find me by a stream?
Kiss my petals and weave me through a dream

For all of these simple things and much more a flower was born
It blooms to spread love and joy faith and hope to people forlorn
Inside every man lives the seed of a flower
If he looks within he finds beauty and power

[Chorus]

Eb Db
Ring all the bells sing and tell the people
Gb Ab
everywhere that the flower has come
Eb Db
Light up the sky with your prayers of gladness
Gb Ab
and rejoice for the darkness is gone
Eb Db
Throw off your fears let your heart beat freely
Gb Ab
at the sign that a new time is born

[Verse 2]

Mable Sadie gave me all your roses
Say my name yeah, yeah yeah mmmhmm
lookin for me take the breeze
Mable sadie give me all your roses

for all of these sins and so much more a flower was born
It blooms to spread love and joy faith and hope to people forlorn
Inside every man lives the seed of a flower
If he looks within he finds beauty and power

[Chorus]

Lenny Kravitz - Fields Of Joy

B A G#m G
Let's wander slowly through the fields
Slowly, slowly through the fields
I touch the leaves that touch the sky
Just you and I, through the fields of joy

All trouble slowly fades away
Slowly slowly fades away
I hold your hand inside my hand
Across the land - through fields of joy
The sound of music that we hear
The blend of colours in the air
All cities, mountains disappear from view
All truth and beauty near to me and you
With you through the fields
With you through the fields
With you through the fields
The fields of Joy

Let's wander slowly through the fields
Slowly, slowly through the fields
I know our love will never die
Just you and I
Through fields of Joy
Through fields of Joy

Let me mingle with the good people we meet
G Dm
Water rising up into the street

Unbind my feet

[Verse 1]

G
The apparition of these faces in the crowd
Dm
Petals on a wet black bough
G
Ezra Pound found the formula

Our houses are rectangular
Dm
But life is curved not angular

So when things start to strangular
G
Remember rain still falls on the halls of power
Dm
New babies being born every hour
G
And the eagle keeps watch on the old clock tower
Dm
Over me

[Chorus]

[Verse 2]

G

On the train I refrain

From sitting with heads and shoulders bowed

Dm

They told me time is of the essence

No wandering allowed

G

But then I saw a pretty girl

Whose features stood out in the crowd

Dm

Went ten minutes past my stop

Waiting for her to look around

G

I'm just another clown

Kicking around in Melbourne town

Dm

Cooling out, relaxing

Watching the world go 'round

G

So if you ever got the time

And you want to go drink some wine

Dm

I'd rather greet you with a smile

Than greet you with a frown

[Scat singing]

If you could read my mind love
What a tale my thoughts could tell
Just like an old time movie
'bout a ghost from a wishin' well

In a castle dark or a fortress strong
With chains upon my feet
But stories always end
And if you read between the lines
You'll know that I'm just tryin' to understand
The feelin's that you lack

I never thought I could feel this way
And I've got to say that I just don't get it
I don't know where we went wrong
But the feelin's gone
And I just can't get it back

A long, long time ago,
Am C Em D
I can still remember how that music used to make me smile
G D/F# Em7
And I knew if I had my chance,
Am C Em C D
That I could make those people dance and maybe they'd be happy for a while
Em Am Em Am
But February made me shiver, with every paper I'd deliver
C G/B Am C D
Bad news on the doorstep, I couldn't take one more step
G D/F# Em Am7 D
I can't remember if I cried when I read about his widowed bride
G D/F# Em
Something touched me deep inside
C D7 G
The day the music died

[Chorus] (always after verse)

G C G D
So bye, bye Miss American Pie
G C G D
Drove my Chevy to the levy but the levy was dry
G C G D
And them good old boys were drinkin' whiskey and rye
Em* A7* Em* D7
Singin' this will be the day that I die, this will be the day that I die

[Verse 2]

Did you write the book of love
And do you have faith in god above, if the bible tells you so?
Do you believe in rock and roll
Can music save your mortal soul and can you teach me how to dance real slow?
Well I know that you're in love with him 'cuz I saw you dancin' in the gym
You both kicked off your shoes, man I dig those rhythm and blues
I was a lonely teenage bronckin' buck with a pink carnation and a pickup truck
But I knew I was out of luck the day the music died, I started singin'

[Verse 3]

Now for ten years we've been on our own,
and moss grows fat on a rolling stone but that's not how it used to be
When the jester sang for the king and queen
in a coat he borrowed from James Dean in a voice that came from you and me
Oh, and while the king was looking down, the jester stole his thorny crown
The courtroom was adjourned, no verdict was returned
And while Lennon read a book on Marx, the quartet practiced in the park
And we sang dirges in the dark the day the music died, we were singin'

[Verse 4]

Helter skelter in a summer swelter
the birds flew off with a fallout shelter, eight miles high and fallin' fast
It landed foul on the grass
the players tried for a forward pass, with the jester on the sidelines in a cast
Now the half-time air was sweet perfume, while sergeants played a marching tune
We all got up to dance, but we never got the chance
'Cuz the players tried to take the field, the marching band refused to yield
Do you recall what was revealed the day the music died, we started singin'

[Verse 5]

And there we were all in one place,
a generation lost in space, with no time left to start again
So come on Jack be nimble, Jack be quick,
Jack Flash sat on a candle stick, 'cuz fire is the devil's only friend
And as I watched him on the stage, my hands were clenched in fists of rage
No angel born in Hell could break that Satan's spell
And as the flames climbed high into the night to light the sacrificial rite
I saw Satan laughing with delight the day the music died, he was singin'

[Verse 6]

I met a girl who sang the blues
And I asked her for some happy news, but she just smiled and turned away
I went down to the sacred store
Where I'd heard the music years before, but the man there said the music
wouldn't play
But in the streets the children screamed, the lovers cried and the poets dreamed
But not a word was spoken, the church bells all were broken
And the three men I admire most, the Father, Son, and the Holy Ghost
They caught the last train for the coast the day the music died,
And they were singin'

Robbie Williams - Angels

[Intro]

E

[Verse]

I sit and wait. Does an angel contemplate my fate.

And do they know the places

were we go when we're grey and old.

Cuz I have been told that salvation

lets their wings unfold.

So when I'm lying in my bed,

Thoughts running through my head,

And I feel that love is dead.

I'm loving angels instead.

[Chorus]

And through it all she offers me protection,

A lot love and affection, whether I'm right or wrong.

And down the waterfall wherever it may take me,

Biz Markie - Just A Friend

[Intro]

C

Have you ever met a girl that you tried to date

Dm

But a year to make love she wanted you to wait

Let me tell ya a story of my situation

G

I was talking to this girl from the U.S. nation

[Verse]

The way that I met her was on tour at a concert

She had long hair and a short miniskirt

I just got onstage dripping, pouring with sweat

I was walking through the crowd and guess who I met

I whispered in her ear, come to the picture booth

So I can ask you some questions to see if you are a hundred proof

I asked her her name, she said blah-blah-blah

She had 9/10 pants and a very big bra

I took a couple of flicks and she was enthused

I said, how do you like the show?

She said, I was very amused

I started throwing bass, she started throwing back mid-range

But when I sprung the question, she acted kind of strange

Then when I asked, do ya have a man, she tried to pretend

She said, no I dont, I only have a friend

Come on, Im not even goin for it

This is what Im goin sing

[Hook] 3x

C

Dm

You, you got what I need but you say hes just a friend

G

And you say hes just a friend, oh baby

[Verse]

So I took blah-blahs word for it at this time

I thought just havin a friend couldnt be no crime

cause I have friends and thats a fact

Like Agnes, Agatha, Germaine, and Jack

Forget about that, lets go into the story
About a girl named blah-blah-blah that adored me
So we started talking, gettin' familiar
Spending a lot of time so we can build a

Relationship or some understanding
How its gonna be in the future we was planning
Everything sounded so dandy and sweet
I had no idea I was in for a treat

After this was established, everything was cool
The tour was over and she went back to school
I called every day to see how she was doin'
Everytime that I called her it seemed something was brewin'

I called her on my dime, picked up, and then I called again
I said, yo, who was that? oh, hes just a friend
Dont gimme that, dont even gimme that
Just bust this

[Hook]

[Verse]

So I came to her college on a surprise visit
To see my girl that was so exquisite
It was a school day, I knew she was there
The first semester of the school year

I went to a gate to ask where was her dorm
This guy made me fill out a visitors form
He told me where it was and I was on my way
To see my baby doll, I was happy to say
I arrrived in front of the dormitory

Yo, could you tell me where is door three?
They showed me where it was for the moment
I didnt know I was in for such an event
So I came to her room and opened the door
Oh, snap! guess what I saw?

A fella tongue-kissin my girl in the mouth,
I was so in shock my heart went down south
So please listen to the message that I send
Dont ever talk to a girl who says she just has a friend

She smiled at you boy.

Let your feelings slip boy
But never your mask boy

And remembering nothing boy
You like my tin horn boy and get
Wet like an angel

You got a velvet mouth
You're so succulent and beautiful
Shimmering and dirty
Wonderful and hot times
On your telephone line
And god and everything
On your telephone
And in walk an angel

And look at me your mom

I just come out of the ship

And we've looked each day and night in the eye

[Intro]

Am Am C C

[Verse 1]

Am C
Auf einem Spielplatz ruft ein Kind nach seiner Mutter
Am C
Damit die sieht, wie hoch das Kind schon schaukeln kann
Em F
Und es wirft die Beine vor und hoch zum Himmel
G C
Bis ein Schuh davonfliegt und der landet dann

Am C
Auf einem Auto, das am Straßenrand geparkt ist

Am Ende denk ich immer nur an dich

[Verse 2]

Am C
Die deutsche Mutter stürzt nach vorn in frischer Panik
Am C
Und übersieht dabei ein Kindesbein im Sand
Em F
Und schlägt lang hin, da lacht der Kindesbeinbesitzer
G C
Der hat ein Erdbeereis in seiner rechten Hand

Am C
Das hängt bedenklich schräg nach vorn in seiner Waffel
Am C
Und tropft sich selbst verschwendend auf die Haute Couture
Em F
Am Leib des ganzen Stolzes seiner schönen Eltern
G C
Und wird zu Dreck dort, genau wie ich bei dir

[Chorus]

Warum blutet Mutter aus der Nase?
Am C
Warum ist ihr Kind so dumm wie klein?
Em F
Darf ein Metallic-braunes Auto denn da parken?
G C
Und warum kann ich ohne dich nicht glücklich sein?

Am C
Wie viele Erdbeereise muss der Mensch noch essen
Am C
Bevor er endlich einmal sagt: Ich bin dafür
Em F
Die böse Tat des Beinestellens zu unterlassen
G C
Und darf ich irgendwann nochmal zurück zu dir

[Interlude]

Now Paul is a real estate novelist
Who never had time for a wife
And he's talking with Davy, who's still in the Navy
And probably will be for life

And the waitress is practicing politics
As the businessman slowly gets stoned
Yes, they're sharing a drink they call loneliness
But it's better than drinking alone

[Chorus]

It's a pretty good crowd for a Saturday
And the manager gives me a smile
'Cause he knows that it's me they've been coming to see
To forget about life for a while

And the piano, it sounds like a carnival
And the microphone smells like a beer
And they sit at the bar and put bread in my jar
And say, "Man, what are you doing here?"

The Rolling Stones - Sympathy for the Devil

[Intro]

E D
Please allow me to introduce myself
A E
I'm a man of wealth and taste
E D
I've been around for a long, long year
A E
Stole many a man's soul and faith

E D
And I was 'round when Jesus Christ
A E
Had his moment of doubt and pain
D
Made damn sure that Pilate
A E
Washed his hands and sealed his fate

[Chorus]

B E
Pleased to meet you // Hope you guess my name
B A E
But what's puzzling you // Is the nature of my game

[Verse]

E D
I stuck around St. Petersburg
A E
When I saw it was a time for a change
D
Killed the Czar and his ministers
A E
Anastasia screamed in vain

E D
I rode a tank // Held a general's rank
A E
When the Blitzkrieg raged // And the bodies stank

[Chorus]

[Verse]

E D
I watched with glee // while your kings and queens
A E
Fought for ten decades // For the Gods they made
E D
I shouted out // "Who killed the Kennedys?"
A E
When after all It was you and me

E D
Let me please introduce myself
A E
I'm a man of wealth and taste
D
And I laid traps for troubadours
A E
Who get killed before they reached Bombay

[Chorus] 2x

E D
Just as every cop is a criminal
A E
And all the sinners saints

As heads is tails
D
Just call me Lucifer
A E
'Cause I'm in need of some restraint

E D
So if you meet me // Have some courtesy
A E
Have some sympathy, and some taste
D
Use all your well-learned politesse
A E
Or I'll lay your soul to waste, um yeah

[Chorus]

Isolation Berlin - Lisa

A C#m
Nimm die Finger von dem Bier
D E
Drück die Zigarette aus
A C#m
Nimm den Arm von diesem Kerl
D E
Den Du überhaupt nicht liebst

A C#m
Geh jetzt raus aus dieser Bar
D E
Sag niemandem adieu

A C#m
Saug die kühle Nachtluft ein
D E
Such am Himmel nach dem Mond

Und sag dir:

A C#m D E
Eines Tages wird alles wieder gut
A C#m D E
Eines Tages wird alles, alles wieder gut
A C#m D E
Eines Tages nimmt er Dich wieder in den Arm
A C#m D E
Eines Tages darfst Du zurück zu ihm

A C#m D E
Lisa
A C#m D E
Au revoir
A C#m D E
Au revoir
A C#m D E
Lisa

und so weiter...

Lauf auf geradem Weg nach Haus
Wirf Dein Kokain ins Klo
Mach Dich doch nicht selbst kaputt
Es gibt Besseres als den Tod

Leg Dich bitte in Dein Bett
Mach die müden Äuglein zu
Man sagt der Schlaf
Wär der kleine Bruder vom Tod
Und jetzt schlaf! Gib endlich Ruh!

Und sag dir:
Eines Tages wird alles wieder gut
Eines Tages wird alles wieder gut
Eines Tages nimmt er Dich wieder in den Arm
Eines Tages darfst Du zurück zu ihm

Lisa

Au revoir

Au revoir

Lisa
