[VERSE]

A                    D                    A            G  
Wenn unser Mäd'el noch nicht einschlafen kann,  
                                 A                    D            A G  
dann steh'n wir längst schon am Tresen.  
A                    D                    G                    A                    Bm  
Wenn dein Gesicht nur noch ein Spiegelbild ist, das sich fürchterlich dreht,  
                                 G            A            D  
Dann haben wir nicht umsonst gelebt!

[CHORUS]

[lallt]

A                    D                    A            G  
Ich will mit dir noch eine neue Flasche leer'n  
                                 A                    D            A            G  
Will mich um morgen nur den Teufel heute scheer'n  
A                    D                    G                    A                    Bm  
Denn irgendwann muss ich nach Hause geh'n  
                                 G            A            D  
Und dann will ich sagen: Diese Nacht war so schön!

[VERSE]

A                    D                    A            G  
Wenn selbst mein Kind nicht mehr macht was ich will,  
                                 A                    D            A G  
dann bin ich jenseits vom Tresen.  
A                    D                    G                    A                    Bm  
Wenn ich nicht fühle, die Erde sie schwankt und das Zimmer es dreht.  
                                 G            A            D  
Dann wär ein Tag umsonst gelebt!  
A                    D                    A            G  
Weil es zu Hause nur Wasser noch gibt,  
A                    D                    A            G  
drum steh'n wir jenseits vom Tresen.  
A                    D                    G                    A                    Bm  
Wenn man noch teuer bezahlen muss nur, um einmal fröhlich zu sein  
                                 G            A            D  
Dann hätten wir umsonst gelebt!

[Verse]

Am D G Em  
Some things in life are bad, they can really make you mad  
Am D G  
Other things just make you swear and curse  
Am D  
When you're chewing on life's gristle  
G Em  
Don't grumble, give a whistle

And always look on the bright side of life  
G Em Am D7 G Em Am D7  
Always look on the light side of life

If life seems jolly rotten, there's something you've forgotten  
Am D G  
and that's to laugh and smile and dance and sing.

When you're feeling in the dumps, don't be silly chumps

And always look on the bright side of life  
G Em Am D7 G Em Am D7  
Come on, always look on the bright side of life
